

A photograph of a dirt path leading through a forest. The path is made of light-colored soil and is flanked by trees with autumn-colored foliage. At the end of the path, there is a bright, glowing light source, possibly the sun or a fire, creating a strong lens flare effect. The overall mood is serene and contemplative.

Returning to the source is stillness,  
which is the way of nature. The  
way of nature is unchanging.  
Knowing constancy is insight.
