Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan      Revelation Martin Ralph De Haan, 1977      Lie Greg

Harris,2021-10-26 If you have not seen the massive differences of interpretation between the premillennial understanding of Scripture versus the amillennial we will clearly view both positions side by side with their supporting quotes from some of their stalwarts We will set forth different approaches to Scripture as we study the Book of Revelation and these are not some minor issues So much of how one interprets Scripture ties in with those views **The Scroll and Horsemen of the Book of Revelation** Al Danks,2020-02-04

God gave Jesus a revelation to show his servants things which must come to pass In the revelation we see a scroll written on the inside and on the outside sealed with seven seals As each of the first four seals are opened we see a horseman What is the scroll Who or what are the horsemen How will we discern what or who they are How will we know we have discerned correctly Many others have attempted to identify the scroll and horsemen This book will not attempt to refute each and every identification they have made nor discuss every possible identification The approach is to show that the evidence fits a single scroll and a single set of horsemen If this approach is successful then it will effectively rule out all other scrolls and horsemen This book will not attempt to discuss the first horseman s bow and the green color of the fourth horseman as there is too little information available to discern them The scroll will be identified first using the evidence regarding the scroll Then each horseman will be identified using the evidence regarding each horseman The question about discerning correctly will be answered by showing how the horsemen fit together the horsemen fit the scroll the scroll and horsemen fit the book of Revelation and show us things to come Revelation M. R. De Haan,1966

*Revelation* Martin Ralph DeHaan,1946 Revelation Martin Ralph DeHaan,1946 *Christian Zionism* Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s *Christian Zionism Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on *Christian Zionism* The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to

date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok *Finally Home* John Wayne Gaylord,2019-12-13 Do you want to know what the future holds Not from a fortune teller standpoint but as to what God says is coming down the pike whether we like it or not His predictions are 100% accurate 100% of the time Why do we seldom hear sermons from the Book of Revelation Because most preachers and teachers prefer to avoid controversy And since there are a number of interpretations they say it is best to ignore them all But think about this one fourth of the New Testament is composed of prophecy Does God want us to ignore one fourth of the New Testament No As the book *Finally Home* explains taking a literal interpretation of Scripture clears up virtually all of the controversy In other words God knows how to communicate and He lays out clearly His master plan for the end of the age For unbelievers many of the scenes are painful but for the Christian you are missing out if you are not looking for the outstanding times that await you *Finally Home* tells you what to expect in the end times It shows you the big picture so that as world politics change you will not be taken unawares It will give you the encouragement to stand firm as the world continues to grow dark knowing that your faithfulness and perseverance will deliver you *Finally Home*

**Revelation - 35 Simple Studies on the Major Themes in Revelation** M. R. DeHaan,1946 **The Bible Instructor** Louise C. Kleuser,2007 Scores of competent Bible instructors have contributed experiences and observations for the pages of this long awaited handbook of counsel and instruction in the art of giving Bible readings The personal and spiritual requirements for Bible teaching the problems that confront every Bible instructor the psychology of approach the various methods of cooperating with evangelistic efforts sample outline studies all form a part of the contents of this volume It will prove not only a handbook of procedure for beginners but also a real inspiration to seasoned workers in the field of evangelism Every pastor and evangelist as well as their Bible assistants and lay workers will find it useful *Jewish Missionary Magazine* ,1947 **Spirit-guided Exegesis** Al Danks,2021-04-30 Why is Spirit guided Exegesis helpful Because the Holy Spirit guides us into the truth in exegesis in the same way he guides us into all truth Spirit guided Exegesis is helpful to those who seek to learn more about how the Holy Spirit guides us into truth and what we must do to be guided The discussion and example in this book are a valuable addition to *The Guiding Into Truth Work of the Holy Spirit* Spirit guided Exegesis shares how the Holy Spirit guides us into truth and our role being guided in the context of exegesis Because of this this book is also helpful to those who seek the Holy Spirit s help in the process of exegesis Spirit guided Exegesis will

contribute answers to the following questions posed by Dr John W Wyckoff in his book *Pneuma and Logos* What if any is the relationship of the Holy Spirit to biblical hermeneutics If the Holy Spirit is involved what is the nature and content of knowledge gained as a result of this involvement Who qualifies as a Spirit guided interpreter with whom does the Holy Spirit work in the process How does the Holy Spirit work with the interpreter what is the nature of the Spirit's role in relationship to that of the human interpreter What is the human role in interpretation when the Holy Spirit is involved Unfortunately in his research he found that those who posited a role of the spirit in interpretation did not provide extensive descriptions of this work Specifics regarding how the Holy Spirit assisted the interpreter to understand the message were not given also these interpreters did not indicate in concrete cognitive terms how the understanding given by the Holy Spirit differed from that gained by ordinary means Spirit guided Exegesis will contribute answers to the questions posed by Dr Wyckoff It will discuss Our role in working with the Holy Spirit in the processes of exegesis and hermeneutics The Holy Spirit's role in the processes How the Holy Spirit guides us in the processes
