The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches

Davis,2010-12 At the dawn of the Christian faith the seven churches of Ephesus Smyrna Pergamum Thyatira Sardis Laodicea and Philadelphia received the message that would capture the minds and imaginations of Christians the world over for the next two thousand years In their own way each group faced Satan s deceptions with a variety of results Much as today s Christians they thought they knew how best to honor God s will Despite the influence of spiritual giants such as the apostles Peter John and Paul they were left to question the meaning of their mentors words including those found within the book of Revelation As they pondered its meaning and wondered how this book could possibly affect their own spiritual journeys its meaning would remain hidden from them In our own times we still do not know the timing of God s will But with this Revelation of Christ it is possible to know our own significance in God s plan And so the question remains when the time comes for Christ to return will we be prepared Since its first written record the book of Revelation has been one of the greatest puzzles that God has ever given mankind to solve Layered with mysterious symbolism and hidden truths this Revelation of Christ that was given to the apostle John produces as many questions as answers Ultimately many Christians know that the book of Revelation contains the answers to some of the most important and pressing questions for our destiny with eternity but few of them actually realize how important it is right now as a guide to their very salvation
