Revelations of the Divine Plan of the Ages Basil Hewitt,2007-12 Chalk is a fictional story about a young man born in the coalmine country of rural Kentucky He was born in 1863 to an English father and Cherokee Indian mother Hard time and hard work filled his younger years When his parents were both gone he followed a life of managing horses doing blacksmith work and eventually found a good job on a Mississippi river boat His experience led him to become a trail boss on a Texas bound wagon train In Texas he found his life s calling got married and became a local peace officer At the same time he started ranching His love and skills with horses and his honest life style he practiced found favor with the Military and he became a horse supplier for the Calvary He was later drafted into military duty and rose rapidly in rank mustering out as a decorated Colonel As an author I used information to write the story that was handed down by my father and my wife s family My family had Cherokee roots and the stories my grandmother told me were very real She was born in 1847 endured the Civil war aftermath and saw the First World War take the lives of many fine young men My father and his brothers were in Pershing s Army and the stories they brought home were never forgotten These times were difficult for everyone and need to be remembered The lessons they contain are the real essence of how our country was able to grow to a major work power and leader in the cause for peace As a first time author this work is an attempt to remind everyone that our nation has learned a lot but still has a lot more to learn A great nation will always see another opportunity to improve This is the American tradition *The Antithesis of the Ages* Stephan K. Davis,2023-11-16 Davis seeks to recast the traditional perception of Paul s polarization of the Torah and Christ in terms of an inherent antithesis of history this age and eschatology the age to come In the early chapters he investigates the role of Wisdom and Torah in biblical and in Second Temple literature in order to construct a context for interpreting Paul s view of the Torah In the balance he applies his conclusions to three Pauline texts understood to express this antithesis By concentrating on the link he perceives between Paul s rejection of eternal Torah theology and its replacement with Christ thereby allowing Paul to reconfigure the place of the Torah apart from those elements Davis wants to offer a new way to construe the Paul and Torah riddle **Revelations** Paul Roland,1995
