Exploitation is an unceasingly fast paced action packed graphic and red hot account of one man s battle to cauterise the human trafficking money flow from infectious criminal organisations as they tirelessly replicate and engage in barbarous internecine warfare It is narrated by the controversial yet mostly justified protagonist who solely gets his hands bloodied sometimes regrettably as an assassin for a Russian crime family in order to gather intelligence on their human trafficking operations Round after round of being bludgeoned hunted manipulated and lied to takes its toll on the narrator This forces him to grow increasingly reliant on his knowledge wit and resourcefulness as well as his own professional network If you commit a crime he will be understanding If you have any involvement in human trafficking he will be ruthless *Annual*
