Revisiting the Reading Workshop Barbara Orehovec, Marybeth Alley, 2003 Strategies and activities to develop an effective reading workshop program Revisiting the Reading Workshop Barbara Orehovec, Marybeth Alley, 2003 Teaching Literacy in Fourth Grade Denise Johnson, 2013-10-21 Fourth grade is a momentous year for literacy learning Having left the primary grades behind students must grapple with more demanding texts and content material and effective motivating instruction can help them succeed This book helps teachers vanquish the dreaded fourth grade slump by creating an energized and organized learning environment in which all students can improve their reading and writing strategies Taking readers into the classroom of an exemplary fourth grade teacher the book includes useful assessment tools differentiation techniques mini lessons unit plans reproducibles and examples of student work Special attention is given to meeting the challenges of high stakes testing without sacrificing instructional quality **Teaching Reading in the 21st Century** Michael F. Graves, 2007 **Readers and Writers in Primary Grades** Martha Combs, 2006 Readers and Writers in Primary Grades is organized around strategies that benefit elementary school teachers in their efforts to be responsive to the developmental literacy needs of young children Integrating theory and practice these strategies offer a balanced look at appropriate literacy activities for K 3 classrooms Chapter topics include reading aloud to children shared reading shared and interactive writing guided and independent reading guided and independent writing literature study developing phonological awareness and a strong phonics base integrating phonics and structure and linking children s learning experiences with a balanced literacy program **Improving Reading and Reading Engagement in the 21st Century** Clarence Ng, Brendan Bartlett, 2017-05-31 This book presents cutting edge research findings in areas critical to advancing reading research in the 21st century context including new literacies reading motivation strategy instruction and reading intervention studies While students reading performance is currently receiving unprecedented attention there is a lack of research that adopts an international perspective and draws on research expertise from different parts of the world to present a concerted effort discussing key research models and findings on how to improve reading education Addressing this gap in the literature the book also responds to the challenge of promoting higher levels of literacy and supporting and developing readers who can enjoy and critique texts of every genre *Teaching the Struggling Reader* Barbara R. Schirmer, 2010 An innovative resource for literacy teachers Teaching the Struggling Reader takes a novel approach to instruction the reading program is based on the needs of the struggling reader rather than the other way around Most teachers plan their reading lesson and then work in the needs of a struggling reader This book is for teachers looking for a more contemporary and inclusive way to teach reading Starting with assessment the author shows you how to group readers by ability and need rather than by risk factors Finally you will save planning time by learning how to incorporate strategies that you already know into developing your lesson rather than changing your style to accommodate the requirements of a particular reading program Balanced
