    **Federal Probation** ,1997 **Native Agency** Valerie Lambert,2023-01-03 What happens when American Indians take over an institution designed to eliminate them The Bureau of Indian Affairs was hatched in the U S Department of War to subjugate and eliminate American Indians Yet beginning in the 1970s American Indians and Alaska Natives took over and now run the agency Choctaw anthropologist Valerie Lambert argues that instead of fulfilling settler colonial goals the Indians in the BIA have been leveraging federal power to fight settler colonialism battle white supremacy and serve the interests of their people Although the missteps and occasional blunders of the Indians in the BIA have at times damaged the federal Indian relationship and fueled the ire of their people and although the BIA is massively underfunded Indians began crafting the BIA into a Native agency by reformulating the meanings of concepts that lay at its heart concepts such as tribal sovereignty treaties the trust responsibility and Indian land At the same time they pursued actions to strengthen and bolster tribes to foster healing to fight the many injustices Indians face and to restore the Indian land base This work provides an essential national level look at an intriguing and impactful form of Indigenous resistance It describes in great detail the continuing assaults made on Native peoples and tribal sovereignty in the United States during the twenty first century and it sketches the visions of the future that Indians at the BIA and in Indian Country have been crafting for themselves
