Revival We Need:

The Revival We Need Oswald Smith, 2015-06-06 Five years ago there came into my life a spiritual experience that revolutionized my work and resulted in a Ministry characterized by some of the manifestations that usually accompany Revivals It was in this atmosphere that these messages were born and while the writing of them has occupied the five intervening years they but breathe the spirit that then prevailed May God through them reveal to His servants the shallowness apparent in so much of our Modern Evangelism and turn them to that deep and abiding work of the Holy Spirit which will alone stand the test of divine fire Oswald J Smith Toronto 1922 **The Revival We Need** Oswald J. Smith, 2012-02-20 The Revival We Need for its size is the most powerful plea for revival one can read *It's Revival We Need* Charles William Fisher, 1983 **How to Have a Revival** John R. Rice, Bob Jones, Sr., Hyman J. Appelman, Joe Henry Hankins, Jesse M. Hendley, 2014-08-24 The kind of revival we need is a revival that will restore to our people the old fashioned fear of God in the human heart and reverence for the name of God such reverence that you will no longer hear the name of God taken in vain upon the lips of men from the White House down on the sidewalks and in the places of business Oh my heart trembles when I hear how men in America supposed to be Christian America take the name of God in vain Everywhere you go your blood is made to run cold with the irreverence and the lightness with which men use the name of God O God we need a revival that will restore reverence and the fear of God to our people We need a revival that will stop the flood tides of sin the lawlessness and ungodliness that are literally swamping our nation and the world We need a revival that will restore the love of chastity and purity and restore a moral conscience to our people We need a revival that will put an end to the dead formalism in our churches and make them soul winning stations for God a revival that will set them on fire with the power of the Holy Spirit that will break the hearts of our people for a lost world We need a revival that will restore a sin consciousness to our people We need a revival that will cause those who call them selves Christians to walk again with God to separate themselves from the world hold high the banner of righteousness and real Christian living Oh how we need to seek again the old paths and walk in them not merely because they are old but because they are right We need a revival that will restore unto our people a sense of discrimination between right and wrong Our people both saved and unsaved have all but lost their power to discriminate between that which is right and that which is wrong The Word of God says Woe unto them that call evil good and good evil that put darkness for light and light for darkness that put bitter for sweet and sweet for bitter Isa 5 20 In other words it is a sad day in the life of any people when they lose their sense of right and wrong You know we are in a day when nobody thinks very much about sin Sin has lost its exceeding sinfulness in the thinking of nearly everybody Even the church leaders have lost their sense of sin O God how we need to come back to realize the awfulness of sin Sin that nailed the Son of God to the cross must be exceedingly dark and wretched and black in the sight of Almighty God If it took a remedy like that to save this old world from sin I tell you sin is no small thing We need a revival We have got to

have a revival or else Now let me put my message under three simple homely headings We need first of all a prayed down revival Secondly we need a preached up revival And thirdly we need a powered in revival The Revival We Need Oswald J. Smith, 2018-02 An adapted version of the 1925 booklet on revival by Oswald J Smith Introduction and conclusion written by Evangelist Caleb Garraway **Why Is There No Lasting Revival** Bill Vincent, 2023-02-05 God said to me Why is there no lasting revival Most revivals don't last long They start up Sometimes it takes a while to start them up But sometimes they start up and then they fizzle out Five years is a very long revival I've been in a revival where it's been two years I've been in a revival that was only six months And you got to understand whatever the timetable is there are different levels of revival But why isn't there any long lasting revival and I got some things that I'm going to get into here but I'm going to be jumping around But I really believe that we have gotten to be in a delusion in the church People don't even know what they're asking for when they ask for revival they want revival to come They want God to move in the church But then when God begins to shift and begin to try to do it they're like oh I don't want that Let me tell you something you cannot say what the revival is going to be You can't choose the revival You can't even choose the people that are going to come to it Come on we would like to choose And it's you say all that what's wrong with that There's something wrong with that But you got to understand I couldn't have a choice God's that kind of God sometimes he'll bring some of those people And they'll come and they'll plop it down in the seat And they'll have the stirring like they never left And I'm telling you there's a lot of things that are happening but we have been delusional for so long And there are some things that are about to happen because we want the stirring of revival but we don't want the change Let me tell you some revival is going to come and it's going to change everything It's gonna change the way you even look at church **Process Theology and the Revival We Need** Bruce G.

Epperly, 2023-03-29 Revival has not been a popular word in mainline and progressive circles but as more and more progressive and open relational theologians have become open to spiritual and mystical possibilities interest has grown Bruce Epperly who has previously tackled such controversial issues as angels miracles healing and prayer now takes on this challenging topic With renewed discussion as the result of the Asbury Awakening and the release of the movie Jesus Revolution his response to revival movements in the church is especially welcome Bruce has long been a prominent proponent of process theology for every church member explaining some of the more difficult concepts in relatable terms for the people in the pews In this book he recognizes the need for revival and asks what this should look like Too often moves of the Spirit die out as people find it difficult to see a way to live out the divine encounter they have experienced This book is addressed both to those hungry for more and to those who have felt the presence of the Divine in various ways and are asking how they can understand and live in the light of that they have experienced **Messenger and Visitor**, 1915

The Institute Tie
,1908 **State of the Kingdom Address** David G Newby,2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in

flesh God's Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God's Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God's Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare
