Revive Us Again Biblical Insights For Encouraging Spiritual Renewal:

Revive Us Again Walter C. Kaiser, Jr.,1999 With his customary scholarship and vision Dr Walter C Kaiser Jr uncovers spiritual principles inherent in the great awakenings of the Bible and shows us how to prepare the way for revival today He also includes explicit instructions on how to pray for revival how to accept the revival spirit and how to use that power for the glory of God Kaiser carefully examines 16 monumental revivals described in the Bible including those led by Moses and John the Baptist drawing inspirations and direction for the valuable lessons they teach Prepare the way for revival in your community and the world **The Surprising Work of God** Garth M. Rosell,2020-03-18 The Surprising Work of God tells

the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century *Revival Preaching* Ernest Eugene

Klassen,2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God s people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection *Revival Preaching* extracts the most important lessons of Edwards s writings and sermons for preaching in today s world The Old Testament Documents Walter C. Kaiser, Jr.,2001-08-17 Are They Reliable and Relevant In this thought provoking book Walter C Kaiser Jr makes the case that the Old Testament documents are both historically reliable and personally relevant Also includes a helpful glossary of terms

Jonathan Edwards's Apologetic for the Great Awakening Robert Davis Smart,2011-06-06 In the 1740s Jonathan Edwards emerged as the New Light proponent of the claim that the Great Awakening was in the main a true work of the Spirit of God Conversely Charles Chauncy led the Old Lights in opposition by offering criticisms of the Awakening In this book Robert Davis Smart examines Edwards s defense of the revival with particular attention to Chauncy s criticisms which have often been acknowledged but not previously subjected to thorough analysis He sets forth historical and contextual factors that shaped Edwards and his generation shows how Edwards emerged as a leader of the revival from its early days and offers an updated survey of the modern attempts to interpret the Awakening theologically sociologically and historically Here is a detailed treatment of the contrasting perspectives of Edwards and Chauncy an extensive analysis of their major works

regarding the revival an able assessment of the essential issues raised by the debate and an evaluation of the significant contributions of these men Table of Contents Introduction to Edwards s Historical Context Chapter One Jonathan Edwards and the Great Awakening Chapter Two Interpretations of the Awakening Chapter Three The Distinguishing Marks and Some Thoughts Chapter Four Chauncy s Seasonable Thoughts Chapter Five Edwards s Final Response to Chauncy Conclusion The Debate and Its Legacy *Seeking Him* Tim Grissom,Nancy DeMoss Wolgemuth,2009-10 Seeking Him is a 12 week interactive study designed to lead readers into a personal revival and a revived relationship with God **Shaping the Claim** Marvin A. McMickle,2008-09-03 Shaping the Claim helps the preacher discover the core of the message to be preached the sermonic claim In order to be effective says McMickle a sermon needs to address the hearers at three distinct levels the head or the intellect the heart or passion and conviction and the hand or an expected and desired response In order to discover the biblical claim that a sermon should make upon a particular congregation at a particular time McMickle presents a helpful three step process 1 What 2 So What and 3 Now What The book is keyed to online sermon samples and other Web based features such as sermon illustrations and art *The People, the Land, and the Future of Israel* Bock, Darrell L. ,Glaser, Mitch,2014-08-21 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God s plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God s peace process in the Middle East The People the Land and the Future of Israel walks through the Bible s account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God s unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion *Gate Crashers* Joe Kohler,2015-02-23 Gate Crashers The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think according to the power that works within us not because we deserve it but for the praise honor and glory of his own name Eph 3 20 21 Although much modern experience within the ranks of the professing church would cast doubt on this the Scriptures reveal God s amazing plan and model for his church While it may be true that our present system of church has drifted away from God s perfect design the good news is that we can get back on track by submitting to his perfect will Are you ready to get onboard the Offensive Church and become a gate crasher **The Forgotten Officer** Joe Kohler,2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church

as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church

Boston's Historic Park Street Church Garth M. Rosell, This enthralling and beautiful book tells the story of one of America's most important Protestant churches

Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn't hungering for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie The Jesus Revolution was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Mission in the Old Testament Walter C. Kaiser, Jr., 2012-05-01 Walter Kaiser questions the notion that the New Testament represents a deviation from God's supposed intention to save only the Israelites He argues that contrary to popular opinion the older Testament does not reinforce an exclusive redemptive plan Instead it emphasizes a common human condition and God's original and continuing concern for all humanity Kaiser shows that the Israelites mission was always to actively spread to gentiles the Good News of the promised Messiah This new edition adds two new chapters freshens material throughout expands the bibliography and includes study questions
