The Revived Puritan George Whitefield, Michael A. G. Haykin, 2000-01-01 George Whitefield Nigel D Scotland, 2019-06-21 George Whitefield proclaimed the Christian message to more people in history than anyone else before or since who spoke with an unaided voice A preacher of revival almost from his childhood when he prophesied his own destiny he had a profound impact on the social religious and political life of both Britain and America He crossed the Atlantic thirteen times and merged as a celebrity figure whose message captivated both rich and poor alike Whitefield heralded a new kind of revival that was both spiritually powerful and entertaining at the same time He was also a man of contradictions He loved the Anglican liturgy but would happily break canon law He was a devoted Puritan yet he was also able to befriend those with more liberal morals Above all Whitefield was a driven man and his overwhelming passion was to preach New Birth in Christ the theme he was to speak on over a thousand times He valued education opposed slavery cared for orphan children and changed the course of both British and American history **27 Servants of Sovereign Joy** John Piper, 2022-09-02 From Bestselling Author John Piper 27 Biographies of Notable Figures from Church History including Augustine John Calvin and Martin Luther Throughout church history the faithful ministries of Christian leaders though full of struggle sin and weakness have magnified the worth and majesty of God Their lives and teachings are still profoundly relevant Their voices live on in the stories we read and tell today In this book John Piper celebrates the lives of 27 such leaders from church history offering a close look at their perseverance amidst opposition weakness and suffering Let the resilience of these faithful but flawed saints inspire you toward a life of Christ exalting courage passion and joy Written by Best Selling Author John Piper The author of more than 50 books including Desiring God Don't Waste Your Life Providence The Supremacy of God in Preaching Expository Exultation and Why I Love the Apostle Paul Short Biographies of 27 Inspiring Figures from Church History Features short biographies of Augustine John Calvin John Bunyan Martin Luther John Newton William Wilberforce and more Updated from 21 Servants of Sovereign Joy Includes new chapters about Martyn Lloyd Jones Jonathan Edwards Bill Piper J C Ryle Andrew Fuller and Robert Murray McCheyne **Whitefield on the Christian Life** Tom Schwanda, Ian Maddock, 2025-05-20 Biography Explores the Life of George Whitefield an Important Figure in the Early Evangelical Revival George Whitefield's bold born again theology and passionate sermons established him as a key figure during the 18th century Many Christians are familiar with evangelists of this time including Jonathan Edwards and John Wesley but Whitefield arguably the most significant member of the trio often goes unnoticed in the church today After experiencing a profound encounter with Jesus during his time at Oxford Whitefield dedicated his life to teaching the Scriptures to others and calling people to experience the joy of knowing and loving God This biography aims to restore Whitefield as a prominent figure in the early evangelical revival while addressing the complexities of the time in an honest historical and balanced way Authors Tom Schwanda and Ian Maddock invite readers to explore the life of George Whitefield and his commitment to

guiding souls toward Jesus Part of the Theologians on the Christian Life Series Provides accessible introductions to some of church history s greatest teachers Pastors Interested Lay Readers and Historians Great for adult education small groups and college and seminary courses on evangelicalism Honest A full chapter is devoted to Whitefield s relationship to slavery and his contribution to establishing black evangelicalism *Reformed Evangelicalism and the Search for a Usable Past* Ian Hugh Clary,2020-09-07 The question of how theology shapes a Christian historian s reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject s theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian s profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian *The Evangelical Conversion Narrative* D. Bruce Hindmarsh,2005-03-18 In the seventeenth and eighteenth centuries thousands of ordinary women and men experienced evangelical conversion and turned to a certain form of spiritual autobiography to make sense of their lives This book traces the rise and progress of conversion narrative as a unique form of spiritual autobiography in early modern England After outlining the emergence of the genre in the seventeenth century and the revival of the form in the journals of the leaders of the Evangelical Revival the central chapters of the book examine extensive archival sources to show the subtly different forms of narrative identity that appeared among Wesleyan Methodists Moravians Anglicans Baptists and others Attentive to the unique voices of pastors and laypeople women and men Western and non Western peoples the book establishes the cultural conditions under which the genre proliferated *Puritan Reformed Theology* Joel R. The Power of Revival Dongjin Park,2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In The Power of Revival Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones s writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism The Power of Revival sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit

Wesley, Whitefield and the 'Free Grace' Controversy Joel Houston,2019-11-06 When approaching the most public disagreement over predestination in the

eighteenth century the Free Grace controversy between John Wesley and George Whitefield the tendency can be to simply review the event as a row over the same old issues This assumption pervades much of the scholarly literature that deals with early Methodism Moreover much of that same literature addresses the dispute from John Wesley's vantage point often harbouring a bias towards his Evangelical Arminianism Yet the question must be asked was there more to the Free Grace controversy than a simple rehashing of old arguments This book answers this complex question by setting out the definitive account of the Free Grace controversy in first decade of the Evangelical Revival 1739-49 Centred around the key players in the fracas John Wesley and George Whitefield it is a close analysis of the way in which the doctrine of predestination was instrumental in differentiating the early Methodist societies from one another It recounts the controversy through the lens of doctrinal analysis and from two distinct perspectives the propositional content of a given doctrine and how that doctrine exerts formative pressure upon the assenting individual's What emerges from this study is a clearer picture of the formative years of early Methodism and the vital role that doctrinal pronouncement played in giving a shape to early Methodist identity It will therefore be of great interest to scholars of Methodism Evangelicalism Theology and Church History *The Life and Times of the Reverend George Whitefield, M.A.* Robert Philip, 1838 **Seeing Beauty and Saying Beautifully** John Piper, 2014-05-14 Herbert Whitefield Lewis In the sixth volume to The Swans Are Not Silent series John Piper celebrates the importance of poetic effort by looking at three influential Christians whose words magnificently display a commitment to truth and a love for beauty Examining the lives of George Herbert George Whitefield and C S Lewis Piper helps us appreciate the importance of carefully crafted words by exploring how Christians can use them to testify to God's glory wonder at his grace and rejoice in our salvation Whether exploring Herbert's moving poetry Whitefield's dramatic preaching or Lewis's imaginative writing this book highlights the importance of Christ exalting eloquence in our praise of God and proclamation of his gospel Part of the The Swans Are Not Silent series **Emergence of Evangelical Spirituality, The** Tom Schwanda, 2016 Offers a unique collection of primary sources for eighteenth century evangelical spirituality in America and Britain along with introduction and commentary prepared by a prominent scholar of evangelical theology Progress in the Pulpit Jerry Vines, Jim Shaddix, 2017-06-06 Take your preaching to the next level Like musical instruments preachers get better over time unless of course they neglect maintenance Progress in the Pulpit is for seasoned preachers looking to refresh their craft and receive guidance for contemporary challenges to preaching While most preaching books are geared toward new preachers Progress in the Pulpit builds on the basics and focuses on what often falls into neglect You will learn to better Connect to audiences without compromising biblical truth Plan evaluate and get feedback on sermons Battle biblical illiteracy in your congregation Employ word studies and other technical aspects of biblical interpretation Increase imagination and creativity in sermon writing Extend the life of a sermon via social media small groups and more Establish habits for continued growth Take advantage of guidance that will help you stay sharp and grow in the craft of faithfully

Wesley versus Whitefield?* Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives *Faith and Learning* David S.
