Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965:

Revolutionary Breakthroughs and National Development, 1975 **Revolutionary Breakthroughs and National Development** Ken Jowitt, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 **Stalin's Legacy in Romania** Stefano Bottoni, 2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin's personal advice to the Hungarian Székely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Székely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies **The Romanian Revolution of December 1989** Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d'état Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate

What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe *Nationalism, Myth, and the State in Russia and Serbia* Veljko Vujčić, 2015-03-26 This book examines the role of Russian and Serbian nationalism in dissolution of the Soviet Union and Yugoslavia in 1991 **Imagining Frontiers, Contesting Identities** Steven G. Ellis, Lud'a Klusáková, 2007 *State in Society* Joel S. Migdal, 2001-08-27 The essays in this book trace the development of Joel Migdal's state in society approach The essays situate the approach within the classic literature in political science sociology and related disciplines but present a new model for understanding state society relations It allies parts of the state and groups in society against other such coalitions determines how societies and states create and maintain distinct ways of structuring day to day life the nature of the rules that govern people's behavior whom they benefit and whom they disadvantage which sorts of elements unite people and which divide them and what shared meaning people hold about their relations with others and their place in the world Problems of Communism, 1972 **Eastern Europe in the Postwar World** NA NA, 2016-04-30 Human Rights and Political Dissent in Central Europe Jakub Tyszkiewicz, 2021-12-06 This volume examines to what extent the positive atmosphere created by the Helsinki Accords contributed to the change in political circumstances seen in the countries of Central Europe under Soviet domination It focuses in particular on firstly a consequent new impetus to bolster human rights in international politics as Western democracies especially the US integrated human rights concerns into its foreign policy relations with Soviet Bloc countries and secondly how this Western embrace of human rights seemed to create new incentives for increased dissident activity in Central and Eastern Europe and from 1976 onward Finally the book reminds us of the significant role of the Helsinki Accords in developing democratic practices in Eastern European societies under Soviet domination in 1975 1989 and in creating the conditions for the peaceful transition to democratic government in the years that followed This book will be of key interest to scholars and students of the history of communism post Soviet Russian and central and East European politics the history of human rights and democratization **Communist Political Systems** Stephen White, 1982-09-01 The third edition of this text provides a background to the politics of China Eastern Europe and what was the Soviet Union The book has been rewritten throughout to reflect the emergence of pluralist multi party systems and non Communist governments are marked **Peasants under**

Siege Gail Kligman, Katherine Verdery, 2011-07-25 In 1949 Romania's fledgling communist regime unleashed a radical and brutal campaign to collectivize agriculture in this largely agrarian country following the Soviet model. Peasants under Siege provides the first comprehensive look at the far-reaching social engineering process that ensued. Gail Kligman and Katherine Verdery examine how collectivization assaulted the very foundations of rural life, transforming village communities that were organized around kinship and status hierarchies into segments of large bureaucratic organizations forged by the language of class warfare yet saturated with vindictive personal struggles. Collectivization not only overturned property relations, the authors argue, but was crucial in creating the Party state that emerged, its mechanisms of rule, and the new persons that were its subjects. The book explores how ill-prepared cadres themselves, unconvinced of collectivization's promises, implemented technologies and pedagogies imported from the Soviet Union through actions that contributed to the excessive use of force, which Party leaders were often unable to control. In addition, the authors show how local responses to the Party's initiatives compelled the regime to modify its plans and negotiate outcomes. Drawing on archival documents, oral histories, and ethnographic data, *Peasants under Siege* sheds new light on collectivization in the Soviet era and on the complex tensions underlying and constraining political authority.

The Cambridge History of Communism: Volume 2, The Socialist Camp and World Power 1941-1960s Norman Naimark, Silvio Pons, Sophie Quinn-Judge, 2017-09-21 The second volume of *The Cambridge History of Communism* explores the rise of Communist states and movements after World War II. Leading experts analyze archival sources from formerly Communist states to re-examine the limits to Moscow's control of its satellites, the de-Stalinization of 1956, Communist reform movements, the rise and fall of the Sino-Soviet alliance, the growth of Communism in Asia, Africa, and Latin America, and the effects of the Sino-Soviet split on world Communism. Chapters explore the cultures of Communism in the United States, Western Europe, and China, and the conflicts engendered by nationalism and the continued need for support from Moscow. With the danger of a new Cold War developing between former and current Communist states and the West, this account of the roots, development, and dissolution of the socialist bloc is essential reading.

The Devil in History Vladimir Tismaneanu, 2012-09-28 Offers an analysis of the relationship between communism and fascism. This title examines the ideological appeal of these radical revolutionary political movements, the visions of salvation and revolution they pursued, the value and types of charisma of leaders within these political movements, and their legacies in contemporary politics.

The Soviet Bloc And The Third World Brigitte Schulz, William W. Hansen, Robin A. Remington, Istvan Dobozi, 2019-07-11 This volume deals with the nature of the relationship between the countries of Eastern Europe and the Soviet Union and those of the Third World, offering some background to the decline in the Soviet Union's international position both politically and economically.

Educational Freedom in Eastern Europe Charles Leslie Glenn, 1994 *The Politics of the Extreme Right* Paul Hainsworth, 2016-10-06 Fascist authoritarian, anti-Semitic, and extremist movements made a powerful and devastating contribution to the 20th century. While the experiences of the 1930s

and 1940s served to delegitimise such forces contemporary Europe and the USA have witnessed the resurgence of extreme right wing politics Rapid socio economic change the appeal of nationalism the failures of mainstream political parties and intense campaigning around issues such as immigration security and unemployment have all fuelled the phenomenon This book a sequel to *The Extreme Right in Europe and the USA* provides a comprehensive and analysis of the nature and prevalence of extreme right movements in Europe both West and East and in the USA at the turn of the millennium The authors reveal the uneven process of extreme right wing revival which has varied from country to country depending on specific political cultures and circumstances with some movements confined to the margins while others have moved towards the political mainstream They examine the ideas policies personalities organizations voters and reasons for the success of extreme right wing movements in a range of countries as well as providing a more general examination of the nature and politics of the extreme right

Eastern Europe Bibliography ,1993 A selective work that documents the formative impact of the region s earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life

Modern Tyrants Daniel Chirot,1996-05-05 Chirot offers a study of modern tyrants revealing the forces which allow them to come to power and predicting where they may arise in the future

Moldova Marcel Mitrasca,2002

Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this

treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines,

all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Revolutionary Breakthroughs And National Development The Case Of Romania 1944 1965 Books
