Revolutionary Education in China Peter J. Seybolt, 2015-12-22 Originally published in 1973 this title analyses revolutionary changes in the Chinese education system and illustrates China's radical departure from both traditional and Western goals In his extensive introduction Peter J Seybolt puts the transformation of education in the context of China's socio economic development and offers insight into why educational reform is at the heart of Chinese society's radical progress Additionally this volume offers valuable historical background as well as a biographical guide and a glossary allowing for a fuller understanding of both historical and modern issues This is an ideal title for students interested in Asian Studies and History **China's Education and the Industrialised World** Ruth Hayhoe, Marianne Bastid, 2017-12-12 This book first published in 1987 studies the practical and intellectual import of China's educational relations with the industrialised West the Soviet Union and Japan On the practical level it provides a broad historical and philosophical context within which the possibilities and dangers inherent in China's educational involvement with developed countries may be considered The book tests the theory that education transfers from the developed to the developing world have been used to consolidate political domination and economic exploitation by providing a detailed and provocative historical analysis of China's relations with the major developed nations *China's Universities, 1895-1995* Ruth Hayhoe, 2017-12-12 This reissue 1996 provides an in depth analysis of the development of the Chinese university during the twentieth century a period of momentous social economic cultural and political change It brings together reflections on the Chinese university and its role in the two great experiments of modern China Nationalist efforts to create a modern state as part of capitalist modernisation and the Communist project of socialist construction under Soviet tutelage In addition to these two frames of discourse other models and patterns are examined for instance the persistence of cultural patterns or Maoist revolutionary thought

Everyday Lives in China's Cold War Military-Industrial Complex Youwei Xu, Y. Yvon Wang, 2022-08-22 This book translates and contextualizes the recollections of men and women who built lived and worked in some of the factory compounds relocated from China's most cosmopolitan city Shanghai Small Third Line factories became oases of relatively prosperous urban life among more impoverished agricultural communities These accounts plus the guiding questions contextual notes and further readings accompanying them show how everyday lives fit into the sweeping geopolitical changes in China and the world during the Cold War era Furthermore they reveal how the Chinese Communist Party's military industrial strategies have shaped China's economy and society in the post Mao era The approachable translations

and insight into areas of life rarely covered by political or diplomatic histories like sexuality and popular culture make this book highly accessible for classroom use and the general interest reader **The Cambridge Handbook of Contemporary China** Colin Mackerras,Amanda Yorke,1991-05-02 The paradox of contemporary China its openness to Western technology yet its rejection of Western democratic ideals serves to make China appear remote and inaccessible to those outside The country s vast area and population only accentuate these difficulties The Cambridge Handbook of Contemporary China presents topical information on all aspects of Chinese life since 1949 with particular emphasis on the 1980s its major strength is its contemporary focus and easy to use format Useful maps and tabled statistics accompany the text which is divided into clearly defined categories Designed for students specialists educationalists journalists and those in business and government as well as the general reader the Handbook provides easy access to information on all areas of Chinese life and is a good starting point for research **Chinese Medicine in Early Communist China, 1945-1963** Kim

Taylor,2004-08-02 Using original sources this significant text looks at the transformation of Chinese medicine from a marginal side lined medical practice of the early twentieth century to an essential and high profile part of the national health care system under the Chinese Communist Party The political economic and social motives which drove this promotion are analyzed and the extraordinary role that Chinese medicine was meant to play in Mao Zedong s revolution is fully explored for the first time making a major contribution to the history of Chinese medicine **Chinese Medicine in Early Communist China, 1945-63** Kim Taylor,2005 Using original sources this significant text looks at the transformation of Chinese medicine from a marginal side lined medical practice of the early twentieth century to an essential and high profile part of the national health care system under the Chinese Communist Party The political economic and social motives which drove this promotion are analyzed and the extraordinary role that Chinese medicine was meant to play in Mao Zedong s revolution is fully explored for the first time making a major contribution to the history of Chinese medicine The Cambridge History of China

Roderick MacFarquhar,John King Fairbank,1987 **Navigating Educational Change in China** Fang Wang,Leslie N.K. Lo,2017-08-04 This book is a reflection on the complexity of educational change in China through the lens of a senior academic who has occupied many diverse roles in the academe from political worker to dean of faculty It narrates his journey through different layers of historical societal and institutional transformation while trying to make sense of his own life and work In this book the professor is situated at the intersection of history culture and society where the search for personal identity becomes a lifelong project Landmarks in his intellectual journey are used to elucidate the effects of early influences significant others challenges and opportunities human agency and professional capital His story illustrates the vicissitudes of a long career that combines scholarship and administration and offers lessons for survival advancement and leadership in the fluid environment of Chinese higher education institutions Western Perspectives on Chinese Higher Education Xiuwu R. Liu,1996 This book argues that constructivism and realism two prominent theories of scholarly inquiry in a variety of fields

both have their strengths and weaknesses as descriptive models of how research is conducted and written up and as normative models for improving inquiry Organizational Behavior 4 John B. Miner, 2007 First Published in 2015 Routledge is an imprint of Taylor Francis an Informa company *Stalinism, Maoism, and Socialism in Higher Education* Lee S. Zhu, 2021-12-02 This book is a comparative study of the endeavors to create a socialist system of higher education in the Soviet Union under Stalin and in China under Mao It is organized around three themes the convergence of Maoism with Stalinism in the early 1950s which induced the transnational transplantation of the Soviet model of higher education to China historical convergence between Stalinism of the First Five Year Plan period 1928 1932 and Maoism of the Great Leap period 1958 1960 which was prominently manifested in Soviet and Chinese higher education policies in these respective periods the eventual divergence of Maoism from Stalinism on the definition of socialist society which was evinced in the different final outcomes of the Maoist and Stalinist endeavors to create a socialist system of higher learning *A Research Guide to Central Party and Government Meetings in China* Kenneth Lieberthal, 2017-07-14 Originally published in 1976 Lieberthal collated notes from Central Party government and military meetings on a national level in China between 1949 and 1975 to create this guide to Chinese policymaking This guide provides insight into issues such as the representation of important meetings in the media how policies are made and how policy making in China has varied over time This title will be of interest to students of Asian Studies and International Politics **The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982** Roderick MacFarquhar, John K. Fairbank, Denis Crispin Twitchett, 1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao's thoughts and how they related to China's government The most comprehensive account of this turbulent period in Chinese history *Technology, Politics, And Society In China* Rudi Volti, 2019-07-11 This study is the first to summarize the major technological policies implemented in China since 1949 and to place them in their social and historical context Dr Volti looks at technological change in China as part of a broader process of economic political cultural and organizational change focusing primarily on four key areas agriculture energy ground transportation and medicine and public health He emphasizes how technological change has been shaped by political and ideological structures notes how China's unique cultural heritage has affected adoption of technologies developed outside China and assesses China's success in developing technologies appropriate to its specific needs as an economically and politically developing nation He draws on interviews with technicians engaged in the transfer of technology to China as well as extensive primary source materials
