REWRITING HISTORY IN SOVIET RUSSIA

The Politics of Revisionist Historiography, 1956-1974

Foreword by Donald J. Raleigh

Rewriting History In Soviet Russia 1956 1974

Yan Bai

Rewriting History In Soviet Russia 1956 1974:

Writing History in the Soviet Union Arup Banerji, 2017-08-18 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed Writing History in the Soviet Union Making the Past Work is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka

Rewriting History in Soviet Russia R. Markwick, 2001-02-01 This book explores the political significance of the development of historical revisionism in the USSR under Khrushchev in the wake of the Twentieth Congress of the CPSU and its demise with the onset of the period of stagnation under Brezhnev On the basis of intensive interviews and original manuscript material the book demonstrates that the vigorous rejuvenation of historiography undertaken by Soviet historians in the 1960s conceptually cleared the way for and fomented the dramatic upheaval in Soviet historical writing occasioned by the advent of perestroika

The Oxford Handbook of Postwar European History Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the

meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe **Cold War** Spencer C. Tucker, Priscilla

Roberts, 2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century **The Cold War** Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material *Handbook of Contemporary European Social Theory*

Gerard Delanty, 2006-09-27 This innovative publication maps out the broad and interdisciplinary field of contemporary European social theory. It covers sociological theory, the wider theoretical traditions in the social sciences including cultural and political theory, anthropological theory, social philosophy and social thought in the broadest sense of the term. This volume surveys the classical heritage, the major national traditions and the fate of social theory in a post-national and post-disciplinary era. It also identifies what is distinctive about European social theory in terms of themes and traditions. It is divided into five parts: disciplinary traditions, national traditions, major schools, key themes and the reception of European social theory in America and Asia. Thirty-five contributors from nineteen countries across Europe, Russia, the Americas and Asian Pacific have been commissioned to utilize the most up-to-date research available to provide a critical international analysis of their area of expertise. Overall, this is an indispensable book for students, teachers and researchers in sociology, cultural studies, politics, philosophy and human geography, and will set the tone for future research in the social sciences.

Debates on Stalinism Mark Edele, 2020-06-11 *Debates on Stalinism* introduces major debates about Stalinism during and after the Cold War. Did Stalinism form a system in its own right or was it a mere stage in the overall development of Soviet society? Was it an aberration from Leninism or the logical conclusion of Marxism? Was its violence the revenge of the Russian past or the result of a revolutionary mindset? Was Stalinism the work of a madman or the product of social forces beyond his control? The book shows the complexities of historiographical debates where evidence, politics, personality and biography are strongly entangled. *Debates on Stalinism* allows readers to better understand not only the history of history writing but also contemporary controversies and conflicts in the successor states of the Soviet Union, in particular Russia and Ukraine.

Stalinist Society Mark Edele, 2011-02-17 *Stalinist Society* offers a fresh analytical overview of the complex social formation ruled over by Stalin and his henchmen from the late 1920s to the early 1950s. Drawing on declassified archival materials, interviews with former Soviet citizens, old and new memoirs and personal diaries, as well as the best of sixty years of scholarship, this book offers a non-reductionist account of social upheaval and social cohesion in a society marred by violence. Combining the perspectives from above and from below, the book integrates recent writing on everyday life, culture and entertainment, ideology and politics, terror and welfare, consumption and economics. Utilizing the latest archival research on the evolution of Soviet society during and after World War II, this study also integrates the entire history of Stalinism from the late 1920s to the dictator's death in 1953. Breaking radically with current scholarly consensus, Mark Edele shows that it was not ideology, terror or state control which held this society together, but the harsh realities of making a living in a chaotic economy which the rulers claimed to plan and control, but which in fact they could only manage haphazardly. **Socialist Fun** Gleb Tsipursky, 2016-09-03 Most narratives depict Soviet Cold War cultural activities and youth groups as drab and dreary, militant and politicized. In this study, Gleb Tsipursky challenges these stereotypes in a revealing portrayal of Soviet youth and state-sponsored popular culture. The primary local venues for Soviet culture were the tens of thousands of clubs

where young people found entertainment leisure social life and romance Here sports dance film theater music lectures and political meetings became vehicles to disseminate a socialist version of modernity The Soviet way of life was dutifully presented and perceived as the most progressive and advanced in an attempt to stave off Western influences In effect socialist fun became very serious business As Tsipursky shows however Western culture did infiltrate these activities particularly at local levels where participants and organizers deceptively cloaked their offerings to appeal to their own audiences Thus Soviet modernity evolved as a complex and multivalent ideological device Tsipursky provides a fresh and original examination of the Kremlin s paramount effort to shape young lives consumption popular culture and to build an emotional community all against the backdrop of Cold War struggles to win hearts and minds both at home and abroad

Club Red Diane P. Koenker, 2013-04-24 The Bolsheviks took power in Russia 1917 armed with an ideology centered on the power of the worker From the beginning however Soviet leaders also realized the need for rest and leisure within the new proletarian society and over subsequent decades struggled to reconcile the concept of leisure with the doctrine of communism addressing such fundamental concerns as what the purpose of leisure should be in a workers state and how socialist vacations should differ from those enjoyed by the capitalist bourgeoisie In Club Red Diane P Koenker offers a sweeping and insightful history of Soviet vacationing and tourism from the Revolution through perestroika She shows that from the outset the regime insisted that the value of tourism and vacation time was strictly utilitarian Throughout the 1920s and 30s the emphasis was on providing the workers access to the repair shops of the nation s sanatoria or to the invigorating journeys by foot bicycle skis or horseback that were the stuff of proletarian tourism Both the sedentary vacation and tourism were part of the regime s effort to transform the poor and often illiterate citizenry into new Soviet men and women Koenker emphasizes a distinctive blend of purpose and pleasure in Soviet vacation policy and practice and explores a fundamental paradox a state committed to the idea of the collective found itself promoting a vacation policy that increasingly encouraged and then had to respond to individual autonomy and selfhood The history of Soviet tourism and vacations tells a story of freely chosen mobility that was enabled and subsidized by the state While Koenker focuses primarily on Soviet domestic vacation travel she also notes the decisive impact of travel abroad mostly to other socialist countries which shaped new worldviews created new consumer desires and transformed Soviet vacation practices National Identities in Soviet

Historiography Harun Yilmaz, 2015-02-20 Under Stalin s totalitarian leadership of the USSR Soviet national identities with historical narratives were constructed These constructions envisaged how nationalities should see their imaginary common past and millions of people defined themselves according to them This book explains how and by whom these national histories were constructed and focuses on the crucial episode in the construction of national identities of Ukraine Azerbaijan and Kazakhstan from 1936 and 1945 A unique comparative study of three different case studies this book reveals different aims and methods of nation construction despite the existence of one party rule and a single overarching official ideology The

study is based on work in the often overlooked archives in the Ukraine Azerbaijan and Kazakhstan By looking at different examples within the Soviet context the author contributes to and often challenges current scholarship on Soviet nationality policies and Stalinist nation building projects He also brings a new viewpoint to the debate on whether the Soviet period was a project of developmentalist modernization or merely a renewed Russian empire The book concludes that the local agents in the countries concerned had a sincere belief in socialism especially as a project of modernism and development and at the same time were strongly attached to their national identities Claiming that local communist party officials and historians played a leading role in the construction of national narratives this book will be of interest to historians and political scientists interested in the history of the Soviet Union and contemporary Eastern Europe the Caucasus and Central Asia

Unmaking Imperial Russia Serhii Plokhy, Mykhailo Hrushevsky Professor of Ukrainian History Serhii Plokhy, 2005-01-01 *Unmaking Imperial Russia* examines Hrushevsky's construction of a new historical paradigm that brought about the nationalization of the Ukrainian past and established Ukrainian history as a separate field of study **Historiography** Ernst Breisach, 2008-09-15 In this pioneering work Ernst Breisach presents an effective well organized and concise account of the development of historiography in Western culture Neither a handbook nor an encyclopedia this up to date third edition narrates and interprets the development of historiography from its origins in Greek poetry to the present with compelling sections on postmodernism deconstructionism African American history women's history microhistory the Historikerstreit cultural history and more The definitive look at the writing of history by a historian *Historiography* provides key insights into some of the most important issues debates and innovations in modern historiography Praise for the first edition Breisach's comprehensive coverage of the subject and his clear presentation of the issues and the complexity of an evolving discipline easily make his work the best of its kind Lester D Stephens *American Historical Review* **The Oxford Handbook of the History of Education** John L. Rury, Eileen H. Tamura, 2019-06-17 This handbook offers a global view of the historical development of educational institutions systems of schooling ideas about education and educational experiences Its 36 chapters consider changing scholarship in the field examine nationally oriented works by comparing themes and approaches lend international perspective on a range of issues in education and provide suggestions for further research and analysis Like many other subfields of historical analysis the history of education has been deeply affected by global processes of social and political change especially since the 1960s The handbook weighs the influence of various interpretive perspectives including revisionist viewpoints taking particular note of changes in the past half century Contributors consider how schooling and other educational experiences have been shaped by the larger social and political context and how these influences have affected the experiences of students their families and the educators who have worked with them The Handbook provides insight and perspective on a wide range of topics including pre modern education colonialism and anti colonial struggles indigenous education minority issues in education comparative international and transnational education

childhood education non formal and informal education and a range of other issues Each contribution includes endnotes and a bibliography for readers interested in further study

Religion in Secular Archives Sonja Luehrmann, 2015-07-15 What can atheists tell us about religious life Russian archives contain a wealth of information on religiosity during the Soviet era but most of it is written from the hostile perspective of officials and scholars charged with promoting atheism Based on archival research in locations as diverse as the multi religious Volga region Moscow and Texas Sonja Luehrmann argues that we can learn a great deal about Soviet religiosity when we focus not just on what documents say but also on what they did Especially during the post war decades 1950s 1970s the puzzle of religious persistence under socialism challenged atheists to develop new approaches to studying and theorizing religion while also trying to control it Taking into account the logic of filing systems as well as the content of documents the book shows how documentary action made religious believers firmly a part of Soviet society while simultaneously casting them as ideologically alien When juxtaposed with oral printed and samizdat sources the records of institutions such as the Council of Religious Affairs and the Communist Party take on a dialogical quality In distanced and carefully circumscribed form they preserve traces of encounters with religious believers By contrast collections compiled by western supporters during the Cold War sometimes lack this ideological friction recruiting Soviet believers into a deceptively simple binary of religion versus communism Through careful readings and comparisons of different documentary genres and depositories this book opens up a difficult set of sources to students of religion and secularism

The Readers of Novyi Mir Denis Kozlov, 2013-06-10 In the Thaw following Stalin s death probing conversations about the nation s violent past took place in the literary journal Novyi mir New World Readers letters reveal that discussion of the Terror was central to intellectual and political life during the USSR s last decades Denis Kozlov shows how minds change even in a closed society

Terrortimes, Terrorscapes Volker Benkert, Michael Mayer, 2022-09-15 Terrortimes Terrorscapes Continuities of Space Time and Memory in Twentieth Century War and Genocide investigates interconnections between space and violence throughout the twentieth century and how such connections informed collective memory The interdisciplinary volume shows how entangled notions of time and space amplified by memory narratives led to continuities of violence across different conflicts creating terrortimes and terrorscapes in their wake The volume examines such continuities of violence with the help of an analytical framework built around different themes Its first part spatial and temporal continuities of violence looks at contested spaces and ideas of national ethnic or religious homogeneity that are often at the heart of prolonged conflicts The second part on states and actors addresses the role of states as enablers of violence asymmetric power dynamics and the connection between imperialism and genocide in Africa Imagination and emotion the focus of the third part explores utopian visions and their limits that instigate or hinder and the mobilization of emotion through propaganda Finally the fourth part shows how the recollection of the past sometimes triggers new terrortimes Departing from an understanding of violence limited to certain areas and time frames

this volume describes continuities of violence as overlapping fabrics woven together from notions of space time and memory

Baltic Musics/Baltic Musicologies Kevin C Karnes,Joachim Braun,2013-09-13 This volume is the first to bring together music scholars working on Baltic topics from throughout Europe North America and the Middle East for the purpose of exploring the impact of Nazi and Soviet occupation 1940 91 and the restoration of republican independence upon the production of musicological knowledge in and about the Baltic States of Lithuania Latvia and Estonia Its collected essays sketch for the first time post Soviet histories of the sociological dimensions of music study in the region and examine methodological and ethical problems raised by music scholarship They shed new light on such topics as the advent of Lithuanian musical modernism the ecumenicity of Christian musics in Estonia and the effects of Soviet nationalities policy upon the Latvian musicological discourse Together they confront those aspects of Baltic music study that still bear the marks of the Nazi and Soviet experience and they suggest ways in which the turbulent cultural and political histories of the region might be negotiated by scholars presently active in the field This book was published as a special issue of the Journal of Baltic Studies

Revolution Rekindled Polly Jones,2019-08-14 Towards the end of the Khrushchev era a major Soviet initiative was launched to rekindle popular enthusiasm for the revolution which eventually gave rise to over 150 biographies and historical novels The Fiery Revolutionaries Plamennyye revoliutsionery series authored by many key post Stalinist writers and published throughout late socialism until the Soviet collapse What new meanings did revolution take on as it was reimagined by writers including dissidents leading historians and popular historical novelists How did their millions of readers engage with these highly varied texts To what extent does this Brezhnev era publishing phenomenon challenge the notion of late socialism as a time of stagnation and how does it confirm it By exploring the complex processes of writing editing censorship and reading of late Soviet literature Revolution Rekindled highlights the dynamic negotiations that continued within Soviet culture well past the apparent turning point of 1968 through to the late Gorbachev era It also complicates the opposition between official and underground post Stalinist culture by showing how Soviet writers and readers engaged with both as they sought answers to key questions of revolutionary history ethics and ideology Polly Jones reveals the enormous breadth and vitality of the historical turn amongst the late Soviet population Revolution Rekindled is the first archival oral history and literary study of this unique late socialist publishing experiment from its beginnings in the early 1960s to its collapse in the early 1990s It draws on a wide range of previously untapped archives including those of the publisher Politizdat of Soviet institutions in charge of propaganda publishing and literature and of many individual writers It also uses in depth interviews with Brezhnev era writers editors and publishers and assesses the generic and stylistic innovations within the series biographies and novels

Truth, Silence and Violence in Emerging States Aidan Russell,2018-10-31 Around the world in the twentieth century political violence in emerging states gave rise to different kinds of silence within their societies This book explores the histories of these silences how they were made maintained

evaded and transformed This book gives a comprehensive view of the ongoing evolutions and multiple faces of silence as a common strand in the struggles of state building It begins with chapters that examine the construction of regimes of silence as an act of power and it continues through explorations of the ambiguous limits of speech within communities marked by this violence It highlights national and transnational attempts to combat state silences before concluding with a series of considerations of how these regimes of silence continue to be extrapolated in the gaps of records and written history This volume explores histories of the composed silences of political violence across the emerging states of the late twentieth century not solely as a present concern of aftermath or retrospection but as a diachronic social and political dimension of violence itself This book makes a major original contribution to international history as well as to the study of political terror human rights violations social recovery and historical memory

Right here, we have countless ebook **Rewriting History In Soviet Russia 1956 1974** and collections to check out. We additionally present variant types and then type of the books to browse. Rewriting History In Soviet Russia 1956 1974 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rewriting History In Soviet Russia 1956 1974 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rewriting History In Soviet Russia 1956 1974 has opened up a world of possibilities. Downloading Rewriting History In Soviet Russia 1956 1974 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rewriting History In Soviet Russia 1956 1974 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rewriting History In Soviet Russia 1956 1974. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rewriting History In Soviet Russia 1956 1974. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rewriting History In Soviet Russia 1956 1974, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Rewriting History In Soviet Russia 1956 1974 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rewriting History In Soviet Russia 1956 1974 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rewriting History In Soviet Russia 1956 1974 is one of the best book in our library for free trial. We provide copy of Rewriting History In Soviet Russia 1956 1974 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rewriting History In Soviet Russia 1956 1974. Where to download Rewriting History In Soviet Russia 1956 1974 online for free? Are you looking for Rewriting History In Soviet Russia 1956 1974 PDF? This is definitely going to save you time and cash in something you should think about.
