

Seth Benardete

The Rhetoric of Morality and Philosophy

Plato's *Gorgias* and *Phaedrus*

Rhetoric Of Morality And Philosophy

Peter Levine

Rhetoric Of Morality And Philosophy:

The Rhetoric of Morality and Philosophy Seth Benardete, 2009-04 The distinguished classicist Seth Benardete here interprets and for the first time pairs two important Platonic dialogues the Gorgias and the Phaedrus In linking these dialogues he places Socrates notions of rhetoric in a new light and illuminates the way in which Plato gives morality and eros a place in the human soul *Software Evangelism and the Rhetoric of Morality* Jennifer Helene Maher, 2015-08-27

Examining the layers of meaning encoded in software and the rhetoric surrounding it this book offers a much needed perspective on the intersections between software morality and politics In software development culture evangelism typically denotes a rhetorical practice that aims to convert software developers as well as non technical lay users from one platform to another e g from the operating system Microsoft Windows to Linux This book argues that software evangelism like its religious counterpart must also be understood as constructing moral and political values that extend well beyond the boundaries of the development culture Unlike previous studies that locate such values in the effects of code in use or in certain types of code like free and open source FOSS software Maher argues that all code is meaningful beyond its technical executable functions To facilitate this analysis this study builds a theory of evangelism and illustrates this theory at work in the proprietary software industry and FOSS communities As an example of political liberalism at work at the level of code these evangelical rhetorics of software construct competing conceptions of what is good that fall within a shared belief in what is just Maher illustrates how these beliefs in goodness and justice do not always execute in replicable ways as the different ways of decoding software evangelisms in the contexts of Brazil and China reveal Demonstrating how software evangelisms exert a transformative force on the world one comparable in significance to code itself this book highlights the importance of rhetoric in even the most seemingly a rhetorical of technical endeavors and foregrounds the crucial need for rhetorical literacy in the digital age *Living Without Philosophy* Peter Levine, 1998-01-01

Drawing on implications from ethics theology law politics and education this book argues that we can decide what is right by describing particular cases in detail without the aid of ethical theories and principles **The Realms of Rhetoric** Joseph Petraglia, Deepika Bahri, 2012-02-01 In The Realms of Rhetoric contributors from a wide range of disciplines explore the challenges and opportunities faced in building a curricular space in the academy for rhetoric Although rhetoric education has its roots in ancient times the modern era has seen it fragmented into composition and public speaking obscuring concepts theories and skills Petraglia and Bahri consider the prospects for rhetoric education outside of narrow disciplinary constraints and together with leading scholars examine opportunities that can propel and revitalize rhetoric education at the beginning of the millennium **The Selected Writings of John Witherspoon** Thomas P. Miller, 2015-10-07 Considered the first significant teacher of rhetoric in America John Witherspoon also introduced Scottish moral philosophy to this country and as president of Princeton University reformed the curriculum to give emphasis to both studies He was an active pamphleteer on religious

and political issues and a signer of the Declaration of Independence Editor Thomas P Miller argues that Witherspoon's career exemplifies the Ciceronian ideal and the eight selections Miller presents from the 1802 American edition of the Works corroborate that claim This paperback edition includes a new preface by the editor that surveys the scholarship published on Witherspoon over the past twenty five years and discusses how Miller's own perspective on Witherspoon has changed during that time

The Moral Rhetoric of Political Economy Paul Turpin, 2011-03-17 This book provides an analysis of the work of Adam Smith and Milton Friedman It argues that these authors use argumentative and narrative depictions of character to reinforce a sense of societal decorum as a stabilizing foundation for their theories

Encyclopedia of Rhetoric Thomas O. Sloane, 2001 The Encyclopedia of Rhetoric is a comprehensive survey of the latest research as well as the foundational teachings in this broad field Featuring 150 original signed articles by leading scholars from many different fields of study it brings together knowledge from classics philosophy literature literary theory cultural studies speech and communications The Encyclopedia surveys basic concepts speaker style and audience elements genres terms fallacies figures of speech and the rhetoric of non Western cultures and cultural movements It covers rhetoric as the art of proof and persuasion as the language of public speech and communication and as a theoretical approach and critical tool used in the study of literature art and culture at large including new forms of communication such as the internet The Encyclopedia is the most wide ranging reference work of its kind combining theory history and practice with a special emphasis on public speaking performance and communication Cross references bibliographies after each article and synoptic and topical indexes further enhance the work Written for students teachers scholars and writers the Encyclopedia of Rhetoric is the definitive reference work on this powerful discipline

The ethics of rhetoric Richard M. Weaver, 2023-11-17 In The Ethics of Rhetoric Richard M Weaver presents a profound exploration of the interplay between rhetoric and morality arguing for the intrinsic connection between persuasion and ethical considerations Weaver adopts a dialectical style grounding his discourse in classical rhetoric while engaging with contemporary philosophical thought The book articulates the dangers of rhetoric devoid of ethical grounding drawing from historical examples and weaving in the complexities of communication in a modern context thereby establishing itself as a critical text for understanding the power of language in shaping societal values and beliefs Richard M Weaver 1910-1963 was a prominent figure in American rhetoric and communication celebrated for his blend of classical scholarship and practical application in modern society His experiences in an increasingly post war America characterized by rapid societal change and the rise of mass communication informed his urgency to address the ethical implications of persuasion Weaver's philosophical insights were often influenced by his Southern heritage and rigorous academic background allowing him to navigate the intersection of culture language and morality with nuanced clarity This may be the essential book for anyone interested in the ethics of communication rhetoric or social philosophy Weaver's compelling arguments challenge readers to reflect critically on the ethical responsibilities inherent in the act of persuasion making it a

vital contribution to rhetorical studies and a thought provoking read for students scholars and practitioners alike Myrica Jozef IJsewijn, 2000 The Rhetoric of Law Austin Sarat, Thomas R. Kearns, 1996-01-23 DIVAn interdisciplinary critique of the relationship between words and the law Contemporary Rhetorical Theory John Louis Lucaites, Celeste Michelle Condit, Sally Caudill, 1999-01-01 This indispensable text brings together important essays on the themes issues and controversies that have shaped the development of rhetorical theory since the late 1960s An extensive introduction and epilogue by the editors thoughtfully examine the current state of the field and its future directions focusing in particular on how theorists are negotiating the tensions between modernist and postmodernist considerations Each of the volume s eight main sections comprises a brief explanatory introduction four to six essays selected for their enduring significance and suggestions for further reading Topics addressed include problems of defining rhetoric the relationship between rhetoric and epistemology the rhetorical situation reason and public morality the nature of the audience the role of discourse in social change rhetoric in the mass media and challenges to rhetorical theory from the margins An extensive subject index facilitates comparison of key concepts and principles across all of the essays featured **The Formation of College English** Thomas P. Miller, 1997 In the middle of the eighteenth century English literature composition and rhetoric were introduced almost simultaneously into colleges throughout the British cultural provinces Professorships of rhetoric and belles lettres were established just as print was reaching a growing reading public and efforts were being made to standardize educated taste and usage The provinces saw English studies as a means to upward social mobility through cultural assimilation In the educational centers of England however the introduction of English represented a literacy crisis brought on by provincial institutions that had failed to maintain classical texts and learned languages Today as rhetoric and composition have become reestablished in the humanities in American colleges English studies are being broadly transformed by cultural studies community literacies and political controversies Once again English departments that are primarily departments of literature see these basic writing courses as a sign of a literacy crisis that is undermining the classics of literature The Formation of College English reexamines the civic concerns of rhetoric and the politics that have shaped and continue to shape college English **Rhetoric, History, and Women's Oratorical Education** David Gold, Catherine L. Hobbs, 2013-05-02 Historians of rhetoric have long worked to recover women s education in reading and writing but have only recently begun to explore women s speaking practices from the parlor to the platform to the varied types of institutions where women learned elocutionary and oratorical skills in preparation for professional and public life This book fills an important gap in the history of rhetoric and suggests new paths for the way histories may be told in the future tracing the shifting arc of women s oratorical training as it develops from forms of eighteenth century rhetoric into institutional and extrainstitutional settings at the end of the nineteenth century and diverges into several distinct streams of community embodied theory and practice in the twentieth Treating key rhetors genres settings and movements from the early republic to the present these essays

collectively challenge and complicate many previous claims made about the stability and development of gendered public and private spheres the decline of oratorical culture and the limits of women s oratorical forms such as elocution and parlor rhetorics and women s responses to rhetorical constraints on their public speaking Enriching our understanding of women s oratorical education and practice this cutting edge work makes an important contribution to scholarship in rhetoric and communication

Classical Rhetoric in English, 1650-1800 Tania Sona Smith,2020-11-04 Classical Rhetoric in English 1650 1800 features English translations of the era s most cherished Greek and Roman orators rhetorical philosophers and rhetorical critics The publication history reveals how a distinctive British canon emerged from selected works by Plato Isocrates Demosthenes Aristotle Theophrastus Cicero Seneca Quintilian Tacitus and Longinus Works by these ten authors especially Cicero and Longinus were widely disseminated becoming key texts in the formation of British rhetorical culture At the core of the volume annotated selections offer the twenty first century reader a sampling of these classical rhetorical works in translation The glossary of rhetorical criticism elucidates the now archaic meanings of words that enabled citizens to communicate their moral and rhetorical taste

The Rhetoric of Mao Zedong Xing Lu,2022-04-13 This thorough examination of Mao s speeches and writings and how they reshaped a nation is critical to an understanding of modern China Choice Mao Zedong fundamentally transformed China from a Confucian society characterized by hierarchy and harmony into a socialist state guided by communist ideologies of class struggle and radicalization It was a transformation made possible largely by Mao s rhetorical ability to attract persuade and mobilize millions of Chinese people In this book Xing Lu analyzes Mao s speeches and writings over a span of sixty years tracing the sources and evolution of his discourse analyzing his skills as an orator and mythmaker assessing his symbolic power and continuing presence in contemporary China and observing that Mao s rhetorical legacy has been commoditized culturally consumed and politically appropriated since his death Applying both Western rhetorical theories and Chinese rhetorical concepts to reach a more nuanced and sophisticated understanding of his rhetorical legacy Lu shows how Mao employed a host of rhetorical appeals and strategies drawn from Chinese tradition and how he interpreted the discourse of Marxism Leninism to serve foundational themes of his message She traces the historical contexts in which these themes his philosophical orientations and his political views were formed and how they transformed China and Chinese people Lu also examines how certain ideas are promoted modified and appropriated in Mao s rhetoric His appropriation of Marxist theory of class struggle his campaigns of transforming common people into new communist advocates his promotion of Chinese nationalism and his stand on China s foreign policy all contributed to and were responsible for reshaping Chinese thought patterns culture and communication behaviors

Rhetorical Style and Bourgeois Virtue Mark Garrett Longaker,2015-09-29 During the British Enlightenment the correlation between effective communication and moral excellence was undisputed so much so that rhetoric was taught as a means of instilling desirable values in students In *Rhetorical Style and Bourgeois Virtue* Mark Garrett Longaker explores the

connections between rhetoric and ethics in the context of the history of capitalism Longaker's study lingers on four British intellectuals from the late seventeenth to the mid nineteenth century philosopher John Locke political economist Adam Smith rhetorical theorist Hugh Blair and sociologist Herbert Spencer Across one hundred and fifty years these influential men sought to mold British students into good bourgeois citizens by teaching them the discursive habits of clarity sincerity moderation and economy all with one incontrovertible truth in mind the free market requires virtuous participants in order to thrive Through these four case studies written as biographically focused yet socially attentive intellectual histories Longaker portrays the British rhetorical tradition as beholden to the dual masters of ethics and economics and he sheds new light on the deliberate intellectual engineering implicit in Enlightenment pedagogy

Rhetorical Realism Scot Barnett, 2016-11-10

Rhetorical Realism responds to the surging interest in nonhumans across the humanities by exploring how realist commitments have historically accompanied understandings of rhetoric from antiquity to the present For a discipline that often defines itself according to human speech and writing the nonhuman turn poses a number of challenges and opportunities for rhetoric To date many of the responses to the nonhuman turn in rhetoric have sought to address rhetoric's compatibility with new conceptions of materiality In Rhetorical Realism Scot Barnett extends this work by transforming it into a new historiographic methodology attuned to the presence and occlusion of things in rhetorical history Through investigations of rhetoric's place in Aristotelian metaphysics the language invention movement of the seventeenth century and postmodern conceptions of rhetoric as an epistemic art Barnett's study expands the scope of rhetorical inquiry by showing how realist ideas have worked to frame rhetoric's scope and meanings during key moments in its history Ultimately Barnett argues that all versions of rhetoric depend upon some realist assumptions about the world Rather than conceive of the nonhuman as a dramatic turning point in rhetorical theory Rhetorical Realism encourages rhetorical theorists to turn another eye toward what rhetoricians have always done defining and configuring rhetoric within a broader ontology of things

Kant and the Promise of Rhetoric Scott R. Stroud, 2015-04-21 Immanuel Kant is rarely connected to rhetoric by those who study philosophy or the rhetorical tradition If anything Kant is said to see rhetoric as mere manipulation and as not worthy of attention In Kant and the Promise of Rhetoric Scott Stroud presents a first of its kind reappraisal of Kant and the role he gives rhetorical practices in his philosophy By examining the range of terms that Kant employs to discuss various forms of communication Stroud argues that the general thesis that Kant disparaged rhetoric is untenable Instead he offers a more nuanced view of Kant on rhetoric and its relation to moral cultivation For Kant certain rhetorical practices in education religious settings and public argument become vital tools to move humans toward moral improvement without infringing on their individual autonomy Through the use of rhetorical means such as examples religious narratives symbols group prayer and fallibilistic public argument individuals can persuade other agents to move toward more cultivated states of inner and outer autonomy For the Kant recovered in this book rhetoric becomes another part of human activity that can be animated by

the value of humanity and it can serve as a powerful tool to convince agents to embark on the arduous task of moral self cultivation

Schools of Faith David Fergusson, Bruce McCormack, 2019-01-10 Schools of Faith represents a diversity of essays from scholars in several continents The contributors all leading theologians and ethicists offer reflections on historical and contemporary themes which are significant for wider debates in theological education and church life in today's world The range of contributor and content provides a fitting tribute to the work of Iain R Torrance over many years Amid the numerous subjects discussed the authors focus on liturgy textual criticism public theology the ethics of war Christian doctrine divine action ecumenism inter faith dialogue spiritual formation the office of the minister and the interface between religion and literature The multi faceted nature of this collection signifies its importance for historical systematic and practical theology

Rhetoric at the Non-Substantialistic Turn Therese Boos Dykeman, 2018-05-04 Rhetoric at the Non Substantialistic Turn The East West Coin presents a unique theory of rhetoric that encompasses both Eastern and Western approaches Based on the Field Being philosophy founded by Lik Kuen Tong this theory gives an account of the ontological foundations of both kinds of rhetoric Beginning with an exposition of the nature of Field Being rhetoric as Eastern and Western this book presents chapters on Eastern and Western rhetoric over history as power ethics art creativity politics and communication It acknowledges the thinking of many philosophers and rhetoricians who have contributed to East West comparative studies in both fields and argues that both understandings of rhetoric are necessary for global communication

Rhetoric Of Morality And Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rhetoric Of Morality And Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rhetoric Of Morality And Philosophy has opened up a world of possibilities. Downloading Rhetoric Of Morality And Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rhetoric Of Morality And Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rhetoric Of Morality And Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rhetoric Of Morality And Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rhetoric Of Morality And Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rhetoric Of Morality And Philosophy has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rhetoric Of Morality And Philosophy Books

1. Where can I buy Rhetoric Of Morality And Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
