21st Century Music ,2001 Easter Michael Arditti,2011-04-01

Winner of the Mardi Gras and Waterstone s Book awards longlisted for the Costa Novel award It s a delight to find a modern novel that takes religion and all the objections to it seriously as a subject the rockpool of a London parish teems with all kinds of curious life Philip Pullman Michael Arditti writes about Western Christianity as it is manifest in the present Church of England with pungency and satirical frankness His style has Joycean echoes Muriel Spark A Vicar and his congregation are caught up in a latter day Passion story that will tear apart their lives The parish of St Mary in the Vale is preparing for Easter In his Palm Sunday sermon the Vicar explains that Christ s crucifixion and redemption are taking place every day He little suspects that before

the week s out he and his entire congregation will be caught up in a latter day Passion story which will tear apart their lives Michael Arditti s magnificent novel is both a devastating portrait of today s Church of England and an audacious reworking of the central myth of Western culture Taking the form of a traditional triptych it is at once intimate and epic lyrical and analytic Shocking events unfold against a backdrop of meticulously observed religious services High Church ritual evangelical revivalism and the ancestor worship of the English gentry are all subjected to merciless scrutiny
