As I See It Cody Coffey,2010-03 People will be interested in this book because it offers insight and a different look at the cycle of life and death and why they are never ending The who what where and why are just fill ins for the curious but logical questions and answers that we ponder as humans I hope to take it further by examining the meaning behind the meaning The possibilities and the consequences of ignoring the very basis of not just life but the survival of humanity that we are not here by some kind of accident in the cosmos What happens and transpires when people no longer feel a purpose to life and this feeling causes an insurrection and destruction of one s soul where not only do they lash out at each other they eventually despise themselves This issue is what happens in the absence of God in one s life and how the soul starves while the flesh feasts in misery and selfishness The absence of purpose which is a greater good God causes a systematic breakdown where the tentacles of misery and chaos run wild as one adopts the mentality of every man women and child The more selfish people become the less they care about those further and further away from their personal space to the point where they do not care about their own country their own state community right up to their own backyard As evil advances the faithless
