fill up the vast hiatuses that she has left Although it will be necessary to subject her to criticism I shall endeavour at the same time to keep constantly in mind the queenliness and beauty of her character her almost unexampled devotion to her husband and her anxiety that everyone should think well of him Her faults were all of the head Of the heart she had absolutely none About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
