made a goodly showing at the wharves and his captains were ever shrewd men of judgment who sniffed a Frenchman on the horizon so that none of the Carvel tobacco ever went in that way to gladden a Gallic heart Mr Carvel's acres were both rich and broad and his house wide for the stranger who might seek its shelter as with God's help so it ever shall be It has yet to be said of the Carvels that their guests are hurried away or that one by reason of his worldly goods or position shall be more welcome than another Richard Carvel (Classic Reprint) Winston Churchill, 2015-07-10 Excerpt from Richard Carvel MY sons and daughters have tried to persuade me to remodel these memoirs of my grandfather into a latter day romance But I have thought it wiser to leave them as he wrote them Albeit they contain some details not of interest to the general public to my notion it is such imperfections as these which lend to them the reality they bear Certain it is when reading them I live his life over again Needless to say Mr Richard Carvel never intended them for publication His first apology would be for his Scotch and his only defence is that he was not a Scotchman About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Report of the Public Service Commission for the First District of the State of New York New York (State).
