## **Richard Harris:**

*Richard Harris* Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of *This Sporting Life* *The Field* and *Harry Potter and the Philosopher's Stone* was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography *Richard Harris Raising Hell and Reaching for Heaven* is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author's journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland's greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed *A Man Called Harris* Michael Sheridan, Anthony Galvin, 2013-09-01 Richard Harris was a giant who oozed charisma on screen But off screen he was troubled and addicted to every pleasure life could offer Coming from a repressed Irish Catholic background he was forced by a teenage illness to abandon his beloved rugby but not his macho appetites Discovering theatre saved him He had found his calling Despite marrying the daughter of a peer he never tried to fit in He was always a hell raiser to the core along with legendary buddies Richard Burton and Peter O Toole But he was more he was a gifted poet and singer He was an intelligent family man who took great interest in his craft a Renaissance man of the film world Every time his excesses threatened to kill his career and himself he rose magnificently from the ashes first with an Oscar winning performance as Bull McCabe in *The Field* then in the *Harry Potter* franchise *Behaving Badly: Richard Harris* Cliff Goodwin, 2011-05-31 Richard Harris was never an easy person to get along with He was a difficult schoolboy and was later disowned by his Limerick teachers then he went to work in the family flour and milling business where he organised a strike against his father It was as a gifted and compelling actor that Richard Harris dominated stage and screen for more than four decades He was nominated for an Oscar twice for his earthy portrayal of a rugby player in *This Sporting Life* and as a dominant and bullish Irish farmer in *The Field* More recently he delivered gripping screen performances in *Gladiator* and two *Harry Potter* films But it was his violent drunken womanising private life that fed the public myth and made Harris one of a new breed of rogue male actors an international celebrity Married and divorced twice with three sons two actors one a film director he claimed the only time he had been miscast was as a husband His lovers included legends such as Merle Oberon Sophia Loren Ava Gardner and Vanessa Redgrave Richard Harris Michael Feeney Callan, 2014 The intimate biography of the celebrated actor Richard

Harris written with his cooperation over ten years by New York Times bestselling author and friend of Harris Michael Feeney Callan The book follows Harris life from humble beginnings in Limerick Ireland through the teenage illness that almost killed him to triumph on the London stage and finally life in Hollywood Drawing on lengthy interview sessions with Harris and his friends co workers and family Callan explores the obsessions that forged Harris success in legendary movies like This Sporting Life Camelot and the megahit Harry Potter series Described by The Guardian as thorough and entertaining by Kirkus Reviews as meticulous and by the Mail on Sunday as irresistible this incident packed account is destined to remain the definitive Life of Richard Harris Thorough and entertaining Guardian Irresistible Mail on Sunday Meticulous Kirkus Reviews
