Mansfield the Man and the Actor (Classic Reprint) Paul Wiltach,2015-07-04 Excerpt from Richard Mansfield the Man and the Actor This work was undertaken with the intention of making a permanent record of the events and achievements of Richard Mansfield s life and of presenting through them the personal side of his large and complex character as he revealed it to his intimates The only real acquaintance the public had with him was through the personality of the characters which he acted No attempt has been made to give a searching analysis of these characterisations for this is a record of facts rather than of opinions Wherever this purpose appears to have been departed from it has been only with the idea of offering side lights which would illuminate the facts The narrative is based first of all on the confidences of his wife on my own intimate acquaintance extending over the last ten years of his life and on unreserved access to all his papers and letters It has been elaborated and verified by the generous cooperation of friends and collectors in many parts of America and England to whom I beg to offer this word of thanks About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **RICHARD MANSFIELD** Paul 1870-1952

The World and the Parish Willa Cather, 1970-01-01 One of the few really helpful words I ever heard from an older writer Willa Cather declared in 1922 I had from Sarah Orne Jewett when she said to me Of course one day you will write about your own country In the meantime get all you can One must know the world so well before one can know the parish Although Cather's first novel about her own country *O Pioneers* did not appear until 1913 the process of knowing the world and of mastering her craft so far as it can be traced in her published writing already had been going on for some twenty years *The World and the Parish* Willa Cather's Articles and Reviews 1893 1902 is the fourth in a series collecting the work of these years of experiment and discovery More specifically it offers a representative collection of Cather's nonfiction writing for newspapers and periodicals during her first decade as a professional writer Selected from 520 articles and columns the text is divided into three parts corresponding to major developments in Cather's career the period from 1893 to 1896 when she first began to write regularly for Lincoln newspapers the years in Pittsburgh when she was working for the *Home Monthly* and the *Leader* and sending her famous *Passing Show* column back to Nebraska and the period from the spring of 1900 to 1903 when she freelanced in Pittsburgh and Washington taught in a Pittsburgh high school and made her first trip abroad The text has been edited with three main objectives 1 to enable the reader to trace Cather's development as a writer 2 to group the material so that the reader interested in a particular subject the theatre or music or literature for example can readily locate pertinent selections and 3 to provide a context sufficient to relate these pieces to Willa Cather's life and to the times and to suggest some of their connections with the body of her work Chronologies have been included for each of the three parts and the Bibliography is the most complete yet available for the nonfiction writing up to 1903 Not the least remarkable feature of this collection is the range and variety of forms and subject matter reviews of books plays operas concerts art exhibits lectures feature stories interviews straight reportage columns of miscellaneous comment and travel letters Seemingly with no apparent effort Willa Cather could adjust her sights to any assignment and any audience And if it is astonishing that she

could write so much about so many matters at so many levels it is perhaps even more astonishing that so much of it was so good Undeniably however the chief interest to the general reader and the peculiar value to the scholar of these journalistic writings reside in their manifold and crucial connections with Cather s later work and in the unparalleled insights they afford into the process by which a gifted writer becomes a great artist Shakespeare on the Stage William Winter,1911 The Bookman ,1910
