My dear Klare I promised you something more detailed about the true causes of the serious step in which you now see me engaged I will tell you what is needful that you may also be able to refute any other gossip toward which however I am most indifferent myself What for six years past has supported comforted and strengthened me withal to stay by Minna s side despite the enormous differences of our character and disposition is the love of that young gentlewoman who at first and for long approached me shyly diffidently hesitant and timid but thereafter more and more decidedly and surely As there never could be talk between us of a union our deep attachment took that wistful character which holds all base and vulgar thoughts

aloof and discerns its only source of gladness in the welfare of each other Since the very commencement of our acquaintance she has felt the most unflagging and refined solicitude for me and obtained from her husband in the most courageous fashion whatever might alleviate my life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Background and Analysis of Five Songs by Richard Wagner to Poems by Mathilde Wesendonck ...** Jane Rankin Mapel,1959     **Minna Wagner** Eva Rieger,2022 This biography of Minna Planer Richard Wagner s wife of 30 years reveals her as a self assured woman and artist who was vital to her husband s creative life When Richard Wagner first met Minna Planer in 1834 he was an unknown conductor she a popular actress His hectic pursuit of her affections culminated in marriage in 1836 Minna endured poverty with him nursed him through chronic illness followed him across Europe as he fled from creditors and pursued his artistic goals and sought to provide him with the stable domestic and erotic life that he craved

He played his works to her as he wrote them up to Tannhäuser and Lohengrin and set store by her opinions. But when he went on the run as a wanted revolutionary, Minna only reluctantly followed him into Swiss exile. Domestic peace tentatively prevailed but was ultimately destroyed by Wagner's passion for Mathilde Wesendonck. In 1858 he and Minna separated; she returned home to Germany and subsequent efforts at reconciliation proved ultimately impossible. They remained married however until Minna's death in 1866. Despite having been at Richard's side as he matured into the composer of the Ring and Tristan, Minna has been given short shrift by most Wagner commentators. In Eva Rieger's acclaimed biography translated into English by Chris Walton, the author reveals Minna as a self-assured woman and artist who played a crucial role in the creative life of her husband.
