Dudley explores a line of African American men's autobiographies starting with Frederick Douglass and moving on through Booker T. Washington W. E. B. Du Bois Richard Wright James Baldwin Eldridge Cleaver and Malcolm X In life these writers did not enjoy normal relationships with their fathers who were all unknown absent or abusive Damaged and damaging father-son relationships in

childhood Dudley contends spill over into adult personal and artistic relationships clouding and complicating the already complex issue of identity that lies at the core of any autobiographical endeavor Dudley identifies a kind of inter generational Oedipus conflict each rising autobiographer seeks through his text to displace his predecessor in order to gain imaginative space for himself as well as a position of authority in the black and sometimes white community As each writer strives to come to terms with the powerful father figure in the black male autobiographical tradition he also wrestles with the larger issue of his own identity in relation to the literary and cultural traditions in which he lives and writes Dudley also traces the triumph of these writers as they establish their own identity in the face of great personal and societal odds *My Father s Shadow* is an important contribution to the study of African American literature history politics and culture It will also serve as an examination of the experiences of seven writers as they struggle with what it means to be a black man and a black writer in America

*Black Liberation/red Scare* Gerald Horne, 1994-07 *Black Liberation Red Scare* is a study of an African American Communist leader Ben Davis Jr 1904-64 Though it examines the numerous grassroots campaigns that he was involved in it is first and foremost a study of the man and secondarily a study of the Communist party from the 1930s to the 1960s By examining the public life of an important party leader Gerald Horne uniquely approaches the story of how and why the party rose and fell Ben Davis Jr was the son of a prominent Atlanta publisher and businessman who was also the top African American leader of the Republican party until the onset of the Great Depression Davis was trained for the black elite at Morehouse Amherst and Harvard Law School After graduating from Harvard he joined the Communist party where he remained as one of its most visible leaders for thirty years In 1943 after being endorsed by his predecessor Adam Clayton Powell Jr he was elected to the New York City Council from Harlem and subsequently reelected by a larger margin in 1945 Davis received support from such community figures as NAACP leader Roy Wilkins boxer Joe Louis and musician Duke Ellington While on the council Davis fought for rent control and progressive taxation and struggled against transit fare hikes and police brutality With the onset of the Red Scare and the Cold War Davis like the Communist party itself was marginalized The Cold War made it difficult for the U S to compete with Moscow for the hearts and minds of African Americans while they were subjected to third class citizenship at home Yet in return for civil rights concessions African American organizations such as the NAACP were forced to distance themselves from figures such as Ben Davis In 1949 he was ousted unceremoniously and perhaps illegally from the City Council He was put on trial jailed in 1951 and not released until 1956 when the civil rights movement was gathering momentum His friendship with the King family based upon family ties in Atlanta was the ostensible cause for the FBI surveillance of Dr Martin Luther King Jr and COINTELPRO the counterintelligence program of the FBI which was aimed initially at the CP USA made sure to keep a close eye on Davis as well But when the civil rights movement reached full strength in the 1960s Davis s controversial appearances at college campuses helped to set the stage for a new era of activism at universities Davis died in 1964 According to Horne the time has now come when he along with his good friend Paul Robeson and W E B DuBois should be regarded as a premier leader of African Americans and the U S Left during the twentieth century **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **African American Literature** Hans Ostrom, J.
