## **Richard Aldington An Englishman:**

Richard Aldington, an Englishman Thomas MacGreevy, 1974 A lively look at one of the best of the minor English poets essayists      **Richard Aldington: an Englishman** Thomas MACGREEVY, 1931      **Richard Aldington** Thomas McGreevy, 1974-01-01 A lively look at one of the best of the minor English poets essayists      Richard Aldington Thomas MacGreevy, 1931      *Richard Aldington* Vivien Whelpton, 2019-07-25 The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel *Death of a Hero* 1929 takes place against the backdrop of some of the most turbulent and creative years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from the age of thirty eight to his death from a heart attack in 1962 The first volume *Richard Aldington Poet Soldier and Lover* described Aldington's life as a stalwart of the pre war London literary scene his experience as an infantryman on the Western Front and his postwar personal and creative crises this second volume seeks to balance the stories of Aldington's subsequent public and private lives through a careful reading of his novels poems and letters with his circle of acquaintances The ways in which Aldington's dysfunctional childhood and survivor's guilt continued to haunt him through the inter war years and beyond are masterfully untangled by an author with gifted psychological insight into her subject Volume Two covers Aldington's personal and public lives as he transformed himself from poet to novelist and from novelist to biographer and explores his debacles and triumphs particularly in the wake of his hugely controversial attack on the reputation of T E Lawrence This authoritative biography recounts the life of one of the most underrated writers of the last century      **Handbook of British Literature and Culture of the First World War** Ralf Schneider, Jane Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War      **Richard Aldington** Thomas McGreevy, 1989-06-01      **Richard Aldington** Richard Aldington, Norman T. Gates, 1992 In the most comprehensive selection of his letters ever published Norman Gates allows Richard Aldington to tell the story of his life in his own words Unlike Aldington's autobiography *Life for Life's Sake* published twenty years before his death these letters include those two important decades of his life and do not depend upon memory Gates provides an introduction to

each of the book's five sections sketching Aldington's biography during that decade but the reader may then listen to Aldington's own voice speaking through his letters. Richard Aldington was married to the American poet H D and was a friend to many other writers and artists at the center of the Modern period. His comments on his colleagues and their work, his efforts to promote their literary fortunes, his passionate love for two wives and two mistresses are all a part of these letters. So too are his experiences on the editorial staffs of the *Egoist* and the *Criterion* which brought him to touch with European and American writers. For a clear picture of the literary world of this time, Aldington's letters are indispensable.

**The Poets of Rapallo** Lauren Arrington, 2021-07-08 A new story about the relationships between major twentieth century English language poets. Why did poets from the United States, Britain and Ireland gather in a small town in Italy during the early years of Mussolini's regime? These writers were or became some of the most famous poets of the twentieth century. What brought them together and what did they hope to achieve? *The Poets of Rapallo* is about the conversations, collaborations and disagreements among Ezra and Dorothy Pound, W B and George Yeats, Richard Aldington and Brigit Patmore, Thomas MacGreevy, Louis Zukofsky and Basil Bunting. Drawing on their correspondence, diaries, drafts of poems, sketches and photographs, this book shows how the backdrop of the Italian fascist regime is essential to their writing about their home countries and their ideas about modern art and poetry. It also explores their interconnectedness as poets and shows how these connections were erased as their work was polished for publication. Focusing on the years between 1928 and 1935 when Pound and Yeats hosted an array of visiting writers, this book shows how the literary culture of Rapallo forged the lifelong friendships of Richard Aldington and Thomas MacGreevy, both veterans of the First World War, and of Louis Zukofsky and Basil Bunting, who imagined a new kind of democratic poetry for the twentieth century. In the wake of the Second World War, these four poets all downplayed their relationship to Ezra Pound and avoided discussing how important Rapallo was to their development as poets. But how did these democratic poets respond to the fascist context in which they worked during their time in Rapallo? *The Poets of Rapallo* discusses their collaboration with Pound, their awareness of the rising tide of fascism, and even in some cases, their complicity in the activities of the fascist regime. *The Poets of Rapallo* charts the new direction for modernist writing that these writers imagined and in the process, it exposes the dark underbelly of some of the most lauded poetry in the English language.

*The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature*. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade, to correct and refine the bibliographical details already available, and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

**Annual Bibliography of English Language and Literature** , **Charles Waterton** Brian W. Edginton,1996 Charles Waterton 1782 1865 a true English eccentric ironically self styled the most commonplace of men He talked to insects fought with snakes rode an alligator and lived like a monk He was made famous in his own lifetime by publication of his wide ranging travels and natural history observations always fun often perceptive and unfailingly individual One of his more notable contributions to science was the introduction into Europe of curare now an invaluable drug in surgical operations He turned his family estate into an extensive nature reserve long before such things were heard of and threw open his gates to the local populace as long as they understood that birds and animals had security of tenure Waterton wrote three volumes of Essays on Natural History and the best selling Wanderings in South America which has never been out of print since the first publication in 1825 He was a fearsome satirist and pamphleteer attacking prominent figures of his day both with his powerful pen and with his taxidermy skills His simple charm made a mockery of all those enemies who tried to capitalise on his human failings Unlike previous biographies this book is an unabashed celebration of his eccentricity a fond salute to a fine old English gentleman In the centenary year of the Canadian national park which is named after him the life of Charles Waterton should encourage the preservation of what remains of his kind of world and remind us of what the world has lost to insensitivity and greed *The Life and Work of Thomas MacGreevy* Susan Schreibman,2013-05-23 As a poet and literary critic Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists The extent of his legacy and contribution to modernism is revealed for the first time in *The Life and Work of Thomas MacGreevy* Split into four sections the volume explains how and where MacGreevy made his impact in his poetry his role as a literary and art critic during his time in Dublin London and Paris and through his relationships with James Joyce Samuel Beckett Wallace Stevens Jack B Yeats and WB Yeats With access to the Thomas MacGreevy Archive contributors draw on letters his early poetry and contributions to art and literary journals to better understand the first champion of Jack B Yeats and Beckett s chief correspondent and closest friend in the 1930s This much needed reappraisal of MacGreevy the linchpin between the main modernist writers fills missing gaps not only in the story of Irish modernism but in the wider history of the movement *Essays on Current Themes* Charles Alphonso Smith,1923 *Twentieth Century Fiction* George Woodcock,1983-04-01 **A Transnational Poetics** Jahan Ramazani,2015-09-04 Poetry is often viewed as culturally homogeneous stubbornly national in T S Eliot s phrase or the most provincial of the arts according to W H Auden But in *A Transnational Poetics* Jahan Ramazani uncovers the ocean straddling energies of the poetic imagination in modernism and the Harlem Renaissance in post World War II North America and the North Atlantic and in ethnic American postcolonial and black British writing Cross cultural exchange and influence are he argues among the chief engines of poetic development in the twentieth and twenty first centuries Reexamining the work of a wide array of poets from Eliot Yeats and Langston Hughes to Elizabeth Bishop Lorna Goodison and Agha Shahid Ali Ramazani reveals the many ways in which modern and

contemporary poetry in English overflows national borders and exceeds the scope of national literary paradigms Through a variety of transnational templates globalization migration travel genre influence modernity decolonization and diaspora he discovers poetic connection and dialogue across nations and even hemispheres     The Letters of Sylvia Beach Sylvia Beach, 2010-04-15 Founder of the Left Bank bookstore Shakespeare and Company and the first publisher of James Joyce's Ulysses Sylvia Beach had a legendary facility for nurturing literary talent In this first collection of her letters we witness Beach's day to day dealings as bookseller and publisher to expatriate Paris Friends and clients include Ernest Hemingway Gertrude Stein H D Ezra Pound Janet Flanner William Carlos Williams F Scott Fitzgerald James Joyce and Richard Wright As librarian publicist publisher and translator Beach carved out a unique space for herself in English and French letters This collection reveals Beach's charm and resourcefulness sharing her negotiations with Marianne Moore to place Joyce's work in The Dial her battle to curb the piracy of Ulysses in the United States her struggle to keep Shakespeare and Company afloat during the Depression and her complicated affair with the French bookstore owner Adrienne Monnier These letters also recount Beach's childhood in New Jersey her work in Serbia with the American Red Cross her internment in a German prison camp and her friendship with a new generation of expatriates in the 1950s and 1960s Beach was the consummate American in Paris and a tireless champion of the avant garde Her warmth and wit made the Rue de l Od on the heart of modernist Paris

*Catholic Modernism and the Irish "Avant-Garde:" The Achievement of Brian Coffey, Denis Devlin, and Thomas MacGreevey* James Matthew Wilson, 2023-09-12 This study constitutes the first ever definitive account of the life and work of Irish modernist poets Thomas MacGreevy Brian Coffey and Denis Devlin Apprenticed to the likes of W B Yeats T S Eliot James Joyce and Samuel Beckett all three writers worked at the center of modernist letters in England France and the United States but did so from a distinctive perspective All three writers wrote with a deep commitment to the intellectual life of Catholicism and saw the new movement in the arts as making possible for the first time a rich sacramental expression of the divine beauty in aesthetic form MacGreevy spent his life trying to voice the Augustinian vision he found in The City of God Coffey a student of neo Thomist philosopher Jacques Maritain married scholastic thought and a densely wrought poetics to give form and solution to the alienation of modern life Devlin contemplated the world with the eyes of Montaigne and the heart of Pascal as he searched for a poetry that could realize the divine presence in the experience of the modern person Taken together MacGreevy Coffey and Devlin exemplify the modern Catholic intellectual seeking to engage the modern world on its own terms while drawing the age toward fulfillment within the mystery and splendor of the Church They stand apart from their Irish contemporaries for their religious seriousness and cosmopolitan openness of European modernism They lay

bare the theological potencies of modern art and do so with a sophistication and insight distinctive to themselves Although MacGreevy Coffey and Devlin have received considerable critical attention in the past this is the first book to study their work comprehensively from MacGreevy s early poems and essays on Joyce and Eliot to Coffey s essays in the neo scholastic philosophy of science and on to Devlin s late poetic attempts to realize Dante s divine vision in a Europe shattered by war and modern doubt
