**Paths Without Glory** James L. Newman, 2009-12-31 Few people have garnered so much enduring interest as Sir Richard Burton A true polymath Burton is best known today for his translations of the Kama Sutra and Arabian Nights Yet Africa stood at the center of his adult life The Burton Speke expedition 1856-59 that put Lake Tanganyika on the map led to years of controversy over the source of the White Nile From 1861 to 1864 Burton served as British consul in Fernando Po and traveled widely between Ghana and Angola He wrote prodigiously and contributed some of the first detailed ethnographic accounts of Africa's peoples In many ways however Africa proved to be Burton's undoing Injuries and sickness sapped his strength he made enemies in high places and ironically even the discovery of Lake Tanganyika worked to his disadvantage Increasingly frustrated and bitter he turned to alcohol as a frequent remedy In this fascinating story of the relationship between a man and a continent geographer James L Newman provides an intimate portrait of Burton through careful examination of his journals and biographers rich analyses Delving deepest into Burton's later life and travels Newman pinpoints the thematic mainstays of his career as a diplomat and explorer namely his strong advocacy of aggressive imperial policies and his belief that race explained crucial human differences Historians and scholars of the golden age of empire as well as armchair adventurers will not only discover what defined this famously enigmatic

figure but venture themselves into the heart of mid nineteenth century Africa      *The Complete Works of Richard Burton*  
Richard Francis Burton, 2022-12-10 The Complete Works of Richard Burton presents a remarkable collection that encapsulates the multifaceted genius of one of the Victorian era's most intriguing figures. Spanning travel writing, poetry, translation, and ethnography, Burton's literary style is characterized by vivid prose, keen observation, and an unflinching exploration of diverse cultures. The anthology situates Burton within the context of 19th century colonial discourse, revealing his complex relationship with the then emerging field of anthropology and the intricacies of cultural representation. His narratives are often laced with personal anecdotes, transporting readers to distant lands, while his pioneering translations, most notably of The Arabian Nights, showcase his linguistic prowess and deep appreciation for the literatures of the East. Richard Francis Burton was a British explorer, soldier, and linguist whose life was marked by extensive travels across Africa, the Middle East, and beyond. His insatiable curiosity and audacity often pushed social boundaries, leading him to delve into the unknown, which in turn shaped his literary output. His experiences of cultural immersion and his often controversial perspectives on colonialism provide a rich backdrop for the themes explored in this comprehensive collection. Readers seeking an expansive look into the mind of a true Renaissance man and an exploration of the complex dynamics of culture and identity will find The Complete Works of Richard Burton indispensable. His writings invite contemplation and challenge readers to engage with the rich tapestry of human experience through a lens that is as enlightening as it is provocative.

*Dictionary of African Historical Biography* Mark R. Lipschutz, R. Kent Rasmussen, 1986 The acclaimed Dictionary of African Historical Biography, the only single volume biographical work on Sub-Saharan African history, has been expanded and updated to include entries on over eight hundred people important in Sub-Saharan African history up to 1980      **Sindh Revisited** Christopher Ondaatje, 1996 Sindh Revisited is the remarkable story of the author's fascination with the early life of Sir Richard Francis Burton, 1821-1890. It is the story of an incredible journey too deep into the heart of British India and the India of today. Christopher Ondaatje's Sindh Revisited is the extraordinarily sensitive account of the author's quest to uncover the secrets of the seven years Richard Burton spent in India in the army of the East India Company from 1842 to 1849. If I wanted to fill the gap in my understanding of Richard Burton, I would have to do something that had never been done before: follow in his footsteps in India. The journey covered thousands of miles, trekking across deserts where ancient tribes meet modern civilization in the valley of the mighty Indus River. What was it that Burton discovered in India? What was it that changed him from a rebellious, wayward youth into a man of courage, imagination, wisdom, and personal power? Through this unique book and the journey it describes, we come nearer than ever before to understanding the mystery of Richard Burton and the devils that drove him.      **Edward Dmytryk** Fintan McDonagh, 2021-07-21 Edward Dmytryk was one of the so-called Hollywood Ten, jailed for contempt of Congress for refusing to testify before the House Un-American Activities Committee in 1947. Finding himself blacklisted after his prison sentence and unable to operate under a pseudonym, he took

the step of testifying and naming names to the Committee His career resumed to considerable commercial success but also to prolonged and bitter criticism from the left and persistent mistrust from the right Acknowledged as one of the key figures in the development of the film noir genre having directed one of its first films *Murder My Sweet* Dmytryk has otherwise frequently been sidelined in critical studies because of the controversy This book is the first to critically evaluate each of the dozens of films he made between the 1930s and the 1970s including *The Young Lions* *Crossfire* and *The Caine Mutiny* among many others
