

Richard II New Shakespeare

William Shakespeare

Richard II New Shakespeare:

The Oxford Shakespeare William Shakespeare, 2011-08-25 Deftly combining history and tragedy Shakespeare's tale of bad government and usurpation had great political immediacy for its first audiences This version of the text is based on the early quartos and first Folio of 1623 It is complemented by an introduction that places the play in its own time thorough textual notes and full commentary

King Richard III. William Shakespeare, 1971

Richard II William Shakespeare, 2015-07-29 More William Shakespeare's eBook The play spans only the last two years of Richard's life from 1398 to 1400 The first Act begins with King Richard sitting majestically on his throne in full state having been requested that he arbitrate a dispute between Thomas Mowbray and Richard's cousin Henry Bolingbroke who has accused Mowbray of squandering money given to him by Richard for the King's soldiers and of murdering his uncle the Duke of Gloucester Bolingbroke's father John of Gaunt meanwhile believes it was Richard himself who was responsible for his brother's murder After several attempts to calm both men Richard acquiesces and Bolingbroke and Mowbray challenge each other to a duel over the objections of both Richard and Gaunt The tournament scene is very formal with a long ceremonial introduction but as the combatants begin to fight Richard interrupts and sentences both to banishment from England Bolingbroke is originally sentenced to leave for ten years but Richard changes this to six years while Mowbray is banished permanently The king's decision can be seen as the first mistake in a series leading eventually to his overthrow and death since it is an error which highlights many of his character flaws displaying as it does indecisiveness both in terms of whether to allow the duel to go ahead and in terms of how long to exile Bolingbroke for abruptness Richard waits until the last possible moment to cancel the duel and arbitrariness there is no apparent reason why Bolingbroke should be allowed to return and Mowbray not In addition the decision fails to dispel the suspicions surrounding Richard's involvement in the death of the Duke of Gloucester in fact by handling the situation so high handedly and offering no coherent explanation for his reasoning Richard only manages to appear more guilty Mowbray predicts that the king will sooner or later fall at the hands of Bolingbroke John of Gaunt dies and Richard II seizes all of his land and money This angers the nobility who accuse Richard of wasting England's money of taking Gaunt's money belonging by rights to his son Bolingbroke to fund war in Ireland of taxing the commoners and of fining the nobles for crimes committed by their ancestors They then help Bolingbroke secretly return to England in a plan to overthrow Richard II There remain however subjects who continue faithful to the King among them Bushy Bagot Green and the Duke of Aumerle son of the Duke of York cousin of both Richard and Bolingbroke When King Richard leaves England to administer the war in Ireland Bolingbroke seizes the opportunity to assemble an army and invades the north coast of England Executing both Bushy and Green he wins over the Duke of York whom Richard has left in charge of his government in his absence Upon Richard's return Bolingbroke not only reclaims his lands but lays claim to the very throne Crowning himself King Henry IV he has Richard taken prisoner to the castle of Pomfret Aumerle and others plan a rebellion against the new

king but York discovers his son's treachery and reveals it to Henry who spares Aumerle as a result of the intercession of the Duchess of York while executing the other conspirators After interpreting King Henry's living fear as a reference to the still living Richard an ambitious nobleman Exton goes to the prison and murders him King Henry repudiates the murderer and vows to journey to Jerusalem to cleanse himself of his part in Richard's death From Wikipedia [The New Shakespeare, Richard II](#) , **Richard II** William Shakespeare,2000-12-01 Considered one of Shakespeare's greatest history plays The Tragedy of King Richard II concerns the ill fated reign of a king whose eventual overthrow marks the beginning of Shakespeare's history cycle including Henry IV Part I Henry IV Part II and Henry V This edition features an overview of Shakespeare's works by Sylvan Barnet former Chairman of the English Department at Tufts University as well as a comprehensive stage and screen history dramatic criticism from the past and present and sources from which Shakespeare derived this great work *The Tragedy of King Richard II*. William Shakespeare,1916 **King Richard II** William Shakespeare,2015-09-16 King Richard the Second is a history play by William Shakespeare believed to have been written in approximately 1595 It is based on the life of King Richard II of England ruled 1377 1399 and is the first part of a tetralogy referred to by some scholars as the Henriad followed by three plays concerning Richard's successors Henry IV Part 1 Henry IV Part 2 and Henry V It may not have been written as a stand alone work *The New Grant White Shakespeare: Richard II ; Henry IV, Part First* William Shakespeare,1912 [Richard II](#) Jeremy Lopez,2014-10-15 This collection provides a comprehensive and up to date survey of the critical and theatrical history of the play The substantial introduction provides a history of Richard II its performance and reception and a particular engagement with the unique qualities of the play and the character of Richard The twelve essays by leading and emerging scholars in the field then adopt an eclectic range of critical approaches that encourage scholars and students to pursue new and imaginative directions with the text [King Richard II](#) Charles R. Forker,2022-02-10 This revised edition of King Richard II Critical Tradition increases our the play was received and understood by critics editors and general readers Updated with a new introduction providing a survey of critical responses to Richard II since the 1990s to the present day this volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The updated introduction offers an overview of recent criticism on the play in relation to feminist theory queer theory performance theory and ecocriticism The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue whereas the introduction offers a critical evaluation from a current stance including modern theories and methods Featuring criticism by A C Swinburne Walter Pater Oscar Wilde and W B Yeats this volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century *The Life and Death of King Richard II* William Shakespeare,2001-04 **William Shakespeare's Richard II** Harold Bloom,1988 A collection of seven critical essays on Shakespeare's tragedy arranged in

chronological order of original publication **Richard II** William Shakespeare, 2015-11-24 When King Richard II banishes two feuding noblemen from England he sets into motion a series of events that will eventually cost him his crown and his life
