Eager to Love Richard Rohr, 2024-10-01 The loving inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions In the ten year anniversary edition of Eager to Love globally recognized spiritual teacher Richard Rohr OFM provides for spiritual seekers a pathway to the inclusivity freedom and beauty found in the Christian mystical tradition As an integrative thinker Rohr expertly weaves psychological insights and literary and artistic references with Franciscan theology showing that the rich theological contributions of St Francis St Clare St Bonaventure and John Duns Scotus are guiding lights for sincere spiritual seekers

Just This Richard Rohr, 2018-06-21 Just This is a collection of brief and evocative meditations and practices that invite us to cultivate the gift of waking up to the beauty of reality in all its glorious ordinariness With his signature blend of contemplation theology and pastoral sensitivity Fr Richard Rohr creates a spaciousness for the soul to grow into a kind of seeing that goes far beyond merely looking to recognizing and thus appreciating

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture

history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world. God loves things by becoming them; he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet. Thought provoking, practical and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is. **Immortal**

Diamond Richard Rohr, 2013-01-22 Dissolve the distractions of ego to find our authentic selves in God. In his bestselling book *Falling Upward*, Richard Rohr talked about ego or the False Self and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond buried deep within us, formed under the intense pressure of our lives that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense, True Self must like Jesus be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves. Written by Father Richard Rohr, the bestselling author of *Falling Upward*. Examines the fundamental issues of who we are and helps us on our path of spiritual maturity. *Immortal Diamond*, whose title is taken from a line in a Gerard Manley Hopkins poem, explores the deepest questions of identity, spirituality and meaning in Richard Rohr's inimitable style. *Falling Upward* Richard Rohr, 2013-01-03 A valuable new companion journal for the best-selling *Falling Upward*. In *Falling Upward*, Fr. Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen, failed or gone down are the only ones who understand up. The Companion Journal helps those who have and those who have not read *Falling Upward* to engage more deeply with the questions the book raises. Using a blend of quotes, questions for individual and group reflection, stories and suggestions for spiritual practices, it provides a wise guide for deepening the spiritual journey at any time of life. Explains why the second half of life can and should be full of spiritual richness. Offers tools for spiritual growth and greater understanding of the ideas in *Falling Upward*. Richard Rohr is a regular contributing writer for *Sojourners* and *Tikkun* magazines. This important companion to *Falling Upward* is an excellent tool for exploring the counterintuitive messages of how we grow spiritually.

The Divine Dance Richard Rohr, Mike Morrell, 2016-10-04 What if changing our perception of God has the potential to change everything? God is not what you think. Visions of an angry, distant moral scorekeeper or a supernatural Santa Claus handing out cosmic lottery tickets to those who attend the right church or say the right prayer dominate our culture. For many others, God has become irrelevant or simply unbelievable. In *The Divine Dance*, Fr. Richard Rohr with Mike Morrell points readers to an unlikely opening beyond this divinity impasse to the at times forgotten ancient mystery of the Trinity: God as utterly one yet three. Drawing from Scripture, theology and the deepest insights of mystics, philosophers and

sages throughout history Fr Rohr presents a compelling alternative to aloof and fairytale versions of God One God belovedly in communion as All Vulnerable All Embracing and All Given to you and me The Divine Dance makes accessible and practicable the Christian tradition s most surprising gift God as Community as Friendship as Dance Are you ready to join in

The Wisdom Pattern Richard Rohr,2020-05-01 Order by itself normally wants to eliminate any disorder and diversity creating a narrow and cognitive rigidity in both people and systems Disorder by itself closes us off from any primal union meaning and eventually even sanity in people and systems Reorder or transformation of people and systems happens when both are seen to work together from the preface Through time a universal pattern can be found in all societies spiritualities and philosophies We see it in the changing seasons the stories of Scripture in the Bible the life death and resurrection of Jesus Christ the rise and fall of civilizations and even personally in our lives In this updated version of one of his earliest books Father Richard Rohr clearly illuminates how understanding and embracing this pattern can give us hope in difficult times and the courage to push through disorganization and even great chaos to find a new way of being in the world We are indeed saved by knowing and surrendering to this universal pattern of reality Knowing the full pattern allows us to let go of our first order trust the disorder and sometimes even hardest of all to trust the new reorder Three big leaps of faith for all of us and each of a different character from the introduction Every Thing Is Sacred Richard Rohr,Patrick Boland,2021-02-16
