Wren and Shenli grew up on different sides of a war they didn't start. Their land has been torn apart over centuries of conflict with humans taught to fear all things magical, dragons driven to near extinction and magic under attack. But an ancient prophecy has put the four of them on a collision course with destiny and with each other in a mission to heal the fractured realm once known as Haven. All of them must follow the threads of Fate, leaving behind the lives and homes they know to discover the truth about the seemingly endless war and the truth about themselves. As the barriers between them begin to crumble, can they unravel the lies they've been taught to believe in order to restore the balance between humans, dragons, and magic before it's too late. A powerful cast of characters in an epic tale of dragons and magic. Lisa McMann, New York Times bestselling author of *The Unwanteds* and *Map of Flames*. [The Great Radio Sitcoms](#) Jim Cox, 2024-10-17. On January 12, 1926, radio audiences heard the first exchanges of wit and wisdom between Sam and Henry, the verbal jousting partners who would evolve into Amos and Andy, and whose broadcasts launched the radio sitcom. Here is a detailed look at 20 of the most popular such sitcoms that aired between the mid-1920s and early 1950s, the three-decade heyday of radio. Each series is discussed from an artistic standpoint with attention to the program's character development and style of comedy, as well as its influence on other shows. The book provides complete biographical profiles of each sitcom's stars, as well as several actors whose careers consisted primarily of supporting roles. Appendices include an abbreviated summary of 13 sitcoms beyond those discussed in the main body of the book and a comprehensive list of 170 radio sitcoms. Notes, bibliography, index.
