Riddle Of The Scrolls:

Riddle Of The Scrolls H.E. Del Medico, 2014-06-17 First published in 2007 Reading like a detective thriller involving the highest of stakes this is the story of a discovery that is still to be fully realised one that has split the scholarly community worldwide and which may yet transform our understanding of two of the world's religious faiths. The manuscripts known collectively as the Dead Sea Scrolls have been the subject of controversy ever since the discovery of the first texts in a cave in the Judean Desert at Khirbet Qumran in 197 The precise details of this find and the story of what happened to these manuscripts and many others found subsequently on other sites were shrouded in mystery partly because some were uncovered during illegal explorations which destroyed important evidence of provenance and partly because it soon became apparent that the contents of the scrolls themselves were highly sensitive consisting of religious texts many previously unknown Today there are several hundred documents and fragments that are considered Dead Sea Scrolls Del Medico s classic work provides the best and clearest background to the continuing riddle of the scrolls The Riddle of the Scrolls. [By] H. Del Medico. Translated [from "L'Enigme Des Manuscrits de la Mer Morte"] by H. Garner. [With the Principal Texts, in English, and with Plates.]. Henri E. Del Medico, DEAD SEA SCROLLS., H. GARNER, 1958 the Mysteries of the Dead Sea Scrolls Edward M. Cook, 1994 The story of the Dead Sea Scrolls reads like a whodunit novel full of intrigue and mystery The intrigue lies in the internecine struggles among scholars entrusted with their study and safekeeping They mystery lies in just how much they can tell us about biblical times and life in the early Christian church From 1947 when the first scrolls were discovered in the caves around Qumran until the mid eighties when the academic gridlock began to break up they have left us with many more questions than answers Who wrote the scrolls What connection do they have with Jewish sects or early Christianity And what light do they shed on biblical times and the Bible itself With the rediscovery of the scrolls in recent years their significance to biblical studies is once again in the spotlight This book provides to students and lay Christians an overview of the scrolls controversial history and the various theories scholars hold about them It is an excellent readable introduction to who s who and what s what in the study of the Dead Sea Scrolls **Serpent Slayer and the Scroll of Riddles** Champ Thornton, Andrew David Naselli, 2022-02-14 Fleeing a neighborhood bully a brother and sister stumble into an ancient quest and now they must escape far more powerful enemies This exciting story engages young readers as they follow Nomi and Emmet as they go adventuring through the Bible unlocking secret riddles and following the path of the Serpent Slayer As readers journey through Bassam and the Seven Secret Scrolls Paul B. Skousen, 2014-03-26 What if you had the seven most powerful ideas in the world For a thousand years rumors spread among the desert peoples that mysterious scrolls containing fantastic secrets had fashioned the Abdali ud din into the richest most powerful trading dynasty in the world Men would kill for such knowledge Indeed they had killed And then suddenly the scrolls simply disappeared This is the story of the last holder of the scrolls an old chief named Zafir Worried that his life was

nearly spent Zafir chose young Bassam to be his heir to the scrolls Was Bassam ready To prove the young man Zafir took him on a long caravan trek with the intent of teaching him the scrolls Partway into the trip came a deadly surprise Things changed The hidden messages of the scrolls are timeless. The same secrets that gave such riches to the dynasties of old are just as potent today Learn these cryptic mysteries that Zafir passed to Bassam and Bassam to his beloved Rasha and be delightfully surprised how the Seven Secret Scrolls may guide all who possess them on a pleasant journey toward peace and prosperity Reviews Paul Skousen shows us he has the gifts of descriptive metaphors and modifiers of all kinds He makes Bassam and the Seven Secret Scrolls so interesting so down to earth that a book one may never have considered reading becomes one which changes one s soul Michael J Thompson AML This is a beautifully written story given to us as if it was a tale only the most esteemed sages descendants of eons past have deemed us worthy enough to pass it on to Every word commands our attention as not a single one is to be missed or we may lose the meaning of the entire book The excerpt has an ancient feel to it that leads me to imagine reading it by oil lamp in one of the caves described in the story A mystery almost as vexing if not more than the one the author has written I felt the excerpt to be one with almost magical powers ABNA The Dead Sea Genesis Apocryphon Daniel A. Machiela, 2009 The so called Genesis Manuscript Excerpt Review Apocryphon 1020 from Oumran Cave 1 has suffered from decades of neglect due in large part to its poor state of preservation As part of a resurgent scholarly interest in the Apocryphon and its prominent position among the Aramaic Dead Sea Scrolls this volume presents a fresh transcription translation and exstenive textual notes drawing on close study of the original manuscript all available photographs and previous publications In addition a detailed analysis of columns 13 15 and their relation to the oft cited parallel in the Book of Jubilees reveals a number of ways in which the two works differ thereby highlighting several distinctive features of the Genesis Apocryphon The result is a reliable text edition and a fuller understanding of the message conveyed by this fragmentary but fascinating retelling of Genesis **Iesus Under Fire** Michael J. Wilkins, James Porter Moreland, 1996 This excellent collection of essays evaluates the findings of the Jesus Seminar
