They include the du Ponts who made their fortunes from gunpowder and artist Howard Pyle, a native of the region whose Brandywine School of American illustration took inspiration from the pastoral environment. Most famously, the Brandywine Valley is where N. C. and Andrew Wyeth, father and son, painted amid evocative landscapes for more than a century. With its unparalleled collection of museums and public gardens, including Longwood, Winterthur, and Hagley, the Brandywine continues to attract millions of visitors from around the world. Richly illustrated with seldom-seen historical photographs, paintings, and drawings, *The Brandywine* vividly captures the spirit of a storied region that has inspired generations.
