Ride A Long Shadow:

Ride a Long Shadow Harry Jay Thorn, 2017-06-01 Texas 1878 Somewhere dark in the Texas Hill Country lies a 50 year old cache of gold and silver buried there by knife fighter Jim Bowie before he went to die at the Alamo The hoard is protected by the spirits of the dead Comanche and a living Apache chief Choya who is riding north with a massed war party their goal is the undermanned Fort Bowie and vengeance Only one man Wes Harper the Shadow Rider can stop them but he has enough trouble on his hands with the Murchison bunch a beautiful Mexican woman and a crooked partner Fighting for his life and the survival of his ranch against the Apache Wes finds the odds stacked against him Only an iron will and hot lead will buy him time

Longshadow's Woman Bronwyn Williams, 2014-04-15 Jonah Longshadow had never walked an easy road Now the hands of destiny had yanked him from a white man s prison and set him down on a hardscrabble farm paired with a woman whose quiet courage and gentle kindness filled him with dreams that a man like him had no business dreaming Two dollars worth of trouble that s what Carrie Adams had probably bought herself when she paid Jonah Longshadow s freedom But she needed strong hands to help her tend her land and this mountain of a man seemed made to order The only thing she hadn t counted on was her heart entering into the bargain

The Long Shadow Cynthia Harrod-Eagles, 2011-08-25 1670 King Charles II s reign has brought peace and prosperity to the Morland family but James II s ascent to the throne will shatter their restored fortunes In Yorkshire Morland Place has flourished during the Restoration and in London the beautiful and spirited Annunciata is now Countess of Chelmsford a wealthy and well connected woman intimate with the Royal Family But storm clouds gather over them all when the reign of James II brings rebellion and discord Trouble is never far from Annunciata in these turbulent times Jealousy betrayal and violent death threaten her children and for Annunciata herself comes the anguish of love lived in the long shadow of secrecy a love that can only lead to tragedy

Casting a Long Shadow R. Wayne Tanner, 2010-09-16 This is but a glimpse at that struggle and how it not only impacted men and their families but a way of life that can still be seen in many parts of Florida if one is willing to take time and look Cowboys still saddle their horses and drive to an old set of cow pens and spend many an hour atop their favorite horse gathering working and selling a new calf crop They string miles of barbed wire and drive thousands of staples in fence rows built by their grandfathers and great grandfathers To many thou it is lost and only a fading dream Deep in the soul of Florida lies a great heritage called the True Florida Cracker Not the urbanized rednecks that can afford a pair of Wrangler jeans a shiny belt buckle a fancy felt hat and black pointed toed cowboy boots but the true country boy and girl Those who know the reason why you carry a pocket knife how to keep it sharp and not cut yourself Those who can appreciate a good pot of collard greens without the sweet cornbread you buy in a box Those who are not afraid of taking a firm hold on a catfish as it flops around and taking out the hook without getting stuck To those who had actually stepped into a fresh pile of cow crap and knows what it smells like and in a way appreciates the experience To those who were taught to say yes mam and no sir and
