pains that could come with childhood many pains to which children should never have to be exposed I had always felt that I had to give back and try to be there for kids and others who could not speak up for themselves Doing this was a priority to me In addition to my full time teaching job with my school district I was volunteering in a couple of capacities with the local Police department I had first become a Victim Services Volunteer with them Victim Services Volunteers are called at any time of day or night to go out and provide assistance to those who have been pa g e 14 Me l i s a Me l victimized in some way I never knew to what kind of call I would be going It could be anything from a family member who had woken up to find their loved one had died during the night a parent whose young adult child had overdosed on drugs or a family whose home had burnt down Regardless of the situation the victim or victims needed support and resources As a supplement to our 32 hour training it was suggested that we do ride alongs I had never heard of a ride along A ride along is literally when you ride along with an officer to get a taste of what it is like to be out on patrol You have to sign a waiver indicating that you understand that there is a certain amount of danger involved but that you do not hold the police department responsible For a mix of reasons I was rather nervous about riding along in a police car with an officer What made me most uncomfortable was the thought that I would have to sit in close proximity with a stranger I did not even know if we could talk as I did not know if it was allowed I feared it might distract the officers from their duties Ever so much into training and wanting to learn all that I could about my new position I scheduled a ride along I figured that just like with everything else in life I would get the hang of it once I was there I am very straightforward and like things to be clearly understood I would have no problem simply asking the officer what was and was not ok The officer with whom I was assigned to ride along with was Officer Gabriel I started out our ride a
