Robert Creeley Archie Rand Drawn Quartered

Steven Clay

Robert Creeley Archie Rand Drawn Quartered:

Drawn & Quartered Robert Creeley, Archie Rand, 2001 By Robert Creeley Artwork by Archie Rand The Collected Poems of Robert Creeley, 1975-2005 Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of it was today new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley's His Collected Poems extends the achievement of Dickinson Whitman and Williams into postwar America Creeley's excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn't what a poet says that counts as a work of art William Carlos Williams once wrote it's what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can't think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine tuned as Robert Creeley's Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi Selected Poems of Robert Creeley, 1945-2005 Robert Creeley, 2008 Here is Creeley at his skillfully selected best full of the melodies of plain speech concise yet resonant with emotion Juliana Spahr author of This Connection of Everyone with Lungs So fantastically simple and so satisfyingly complicated these poems band together like the days in One Day One day after another perfect They all fit John Ashbery Beautifully edited by Ben Friedlander with tenderness intelligence and care A superb selection well introduced Selected Poems provides a great sense of the range of Creeley's accomplishment these poems among the most important of our time a way of writing with the hesitations and grace of a new found line thinking

informed by sources from Emily Dickinson to Charlie Parker Selected Poems is at once a tribute to Creeley a perfect introduction for new readers and a valuable distillation for those who have already acquired a taste for Creeley s poetry The perfect assembly to and for one so fond of saying onward We can now go onward with these selected poems onward with these well chosen words with thanks to Robert Creeley and to Ben Friedlander Hank Lazer author of The New Spirit Benjamin Friedlander himself a fine poet critic and a great connoisseur of Creeley s poetry has put together a superb selection Marjorie Perloff An excellent selection and introduction It is an edition that acknowledges work that has defined the poet s career while offering a new narrative for the entire oeuvre It will join UC Press s distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley s best work Michael Davidson In a quiet moment I hear Bob pause where I never would have expected it Such resolve Such heart And an ear to reckon with No truly further American poem without his Clark Coolidge author of Counting on Planet Zero

Form, Power, and Person in Robert Creeley's Life and Work Stephen Fredman, Steve McCaffery, 2010-03-15 By any measure international reputation influence upon fellow writers and later generations number of books published scholarly and critical attention Robert Creeley 1926 2005 is a literary giant an outstanding irreplaceable poet For many decades readers have remarked upon the almost harrowing emotional nakedness of Creeley s writing In the years since his death it may be that the disappearance of the writer allows that nakedness to be observed more readily and without embarrassment Written by the foremost critics of his poetry Form Power and Person in Robert Creeley s Life and Work is the first book to treat Creeley s career as a whole Masterfully edited by Stephen Fredman and Steve McCaffery the essays in this collection have been gathered into three parts Those in Form consider a variety of characteristic formal qualities that differentiate Creeley from his contemporaries In Power writers reflect on the pressure exerted by emotions gender issues and politics in Creeley s life and work In Person Creeley s unique artistic and psychological project of constructing a person reflected in his correspondence teaching interviews collaborations and meditations on the concept of experience is excavated While engaging these three major topics the authors remain as Creeley does intent upon the ways such issues appear in language for Creeley s nakedness is most conspicuously displayed in his intimate relationship with words Contributors Charles Altieri Rachel Blau DuPlessis Stephen Fredman Benjamin Friedlander Alan Golding Michael Davidson Steve McCaffery Peter Middleton Marjorie Perloff Peter Quartermain Libbie Rifkin

The Collected Poems of Robert Creeley, 1945-1975 Robert Creeley, 2006 A collection of Creeley s work gathered from obsolesced collections small press booklets and little mags Here one can trace the development of his poetry from its early break with the Eliot Auden tradition to the development of his own distinct voice in the middle poems such as Words and Pieces known for their precise terse and almost minimalist language as well as his return to the more direct concern for love and humanity Restores to print For Love The Charm In London His Idea Thirty Things Backwards Away and previously uncollected poems

The Most Human Human Brian Christian, 2011-03-01 A

playful profound book that is not only a testament to one man's efforts to be deemed more human than a computer but also a rollicking exploration of what it means to be human in the first place. Terrific Art and science meet an engaged mind and the friction produces real fire. The New Yorker Each year the AI community convenes to administer the famous and famously controversial Turing test pitting sophisticated software programs against humans to determine if a computer can think. The machine that most often fools the judges wins the Most Human Computer Award. But there is also a prize strange and intriguing for the Most Human Human. Brian Christian, a young poet with degrees in computer science and philosophy, was chosen to participate in a recent competition. This Contextual Practice Stephen Fredman, 2010. Fredman makes the original argument that some of the most innovative works of poetry and art in the postwar period 1945-1970 engaged in a contextual practice, a term that refers both to a way of making art characterized by assemblage and to a new relationship between art and life, an erotic poetics. *When Will the Book be Done?* Steven Clay, 2001. For over 15 years Granary Books has brought together bookmakers, writers, and artists to explore the relationships between the visual and the verbal in the time-honored spirit of independent publishing. Edited by Granary publisher Steven Clay, who also contributes creative work to the book, *When Will the Book Be Done* features complete lists and descriptions of nearly 100 artists' books, writer-artist collaborations, and books of theory pertaining to books writing and publishing. Each entry is annotated with quotes from the artists and writers, critical notes, bibliographic information, and full-color illustrations. **Art in America** Frank Jewett Mather, Frederic Fairchild Sherman, 2003-07. Critical Survey of Poetry Philip K. Jason, 2003. Presents alphabetized profiles of nearly seven hundred significant poets from around the world, providing biographies, primary and secondary bibliographies, and analysis of their works. *Poetry Project*, 2001. ARTnews, 2001. **The Oxford Encyclopedia of American Literature** Jay Parini, 2004. The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail, with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and biographical works about the writer. Fifty entries on major works such as *Moby-Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross-references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source, and readers interested in American literature, its authors, and its connection with various areas of

study In Company Robert Creeley, 1999 Accompanying computer disc contains the text of the book plus video of the artists talking about their projects with Robert Creeley Who Reads Poetry Fred Sasaki, Don Share, 2017-10-20 Who reads poetry and why This rewarding volume provides answers from Roxane Gay Roger Ebert Lili Taylor Alfred Molina Aleksandar Hemon and forty five more Who reads poetry We know that poets do but what about the rest of us When and why do we turn to verse Seeking the answer Poetry magazine since 2005 has published a column called The View From Here which has invited readers from outside the world of poetry to describe what has drawn them to poetry Over the years contributors have included philosophers journalists musicians and artists as well as doctors and soldiers an ironworker an anthropologist and an economist This collection brings together fifty compelling pieces in turns surprising provocative touching and funny Anthropologist Helen Fisher turns to poetry while researching the effects of love on the brain As other anthropologists have studied fossils arrowheads or pot shards to understand human thought I studied poetry I wasn't disappointed everywhere poets have described the emotional fallout produced by the brain's eruptions The rapper Rhymefest attests to the self actualizing power of poems Words can create worlds and I've discovered that poetry can not only be read but also lived out My life is a poem Musician Neko Case calls poetry a delicate pretty lady with a candy exoskeleton on the outside of her crepe paper dress And music critic Alex Ross tells us that he keeps a paperback of *The Palm at the End of the Mind* by Wallace Stevens on his desk next to other more utilitarian books like a German dictionary a King James Bible and a Mac troubleshooting manual Contributors also include Ai Weiwei Christopher Hitchens Kay Redfield Jamison Lynda Barry and more The diversity of the authors results in an exceptionally broad range of topics and perspectives Many of the contributors also tell intimate stories about poetry's place in their personal lives Sasaki and Share have chosen these pieces well Publishers Weekly Funny moving and inspiring *The Australian The Art Bulletin* , 2002 Includes section Notes and reviews Rain Taxi Review of Books , 2000 *Dictionary of Artists: Pinchon - Rouck* Emmanuel Bénézit, 2006 First English language edition of Emmanuel Bénézit's *Dictionnaire critique et documentaire des peintres sculpteurs dessinateurs et graveurs* based on the 14 volume French edition published in 1999 It has been revised adapted and updated Preface
