Salvation History In The Prologue Of John:

Salvation-history in the Prologue of John Ed. LeRoy Miller, 1989-01-01 *The Gospel of John as Genre Mosaic* Kasper Bro Larsen, 2015-10-28 In recent decades New Testament scholarship has developed an increasing interest in how the Gospel of John interacts with literary conventions of genre and form in the ancient Jewish and Greco Roman context The present volume brings together leading scholars in the field in order to discuss the status quaestionis and to identify new exegetical frontiers In the Fourth Gospel genres and forms serve as vehicles of ideological and theological meaning The contributions to this volume aim at demonstrating how awareness of ancient and modern genre theories and practices advances our understanding of the Fourth Gospel both in terms of the text as a whole gospel ancient biography drama romance etc and in terms of the various literary tiles that contribute to the Gospel s genre mosaic **Johannine Theology** Paul A. Rainbow, 2014-09-05 In this magisterial synthesis Paul A Rainbow presents the most complete account of the theology of the Johannine corpus available today Both critical and comprehensive this volume includes all the books of the New Testament ascribed to John the Gospel the three epistles and the book of Revelation *The Jews and the World in the Fourth Gospel* Lars Kierspel, 2006 Revised thesis Ph D Southern Baptist Theological Seminary Louisville Ky 2006 **Johannine Writings and Apocalyptic** Stanley E. Porter, Andrew K. Gabriel, 2013-09-15 Johannine Writings and Apocalyptic provides a wide ranging and thorough annotated bibliography for John s Gospel the Johannine letters Revelation and apocalyptic writings pertinent to these books More inclusive than many other bibliographies this volume provides reference to over 1300 individual entries often including references to multiple works with a given description Annotations are designed to provide guidance to a wide range of readers from students wishing to gain entry to the subject to graduate students engaging in research to professors needing ready access to useful materials The volume is topically organized and indexed for easy access **Sacra Pagina: The Gospel of John** Francis J. Moloney, 2016-03-18 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity s earliest days In *The Gospel of John* Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John s significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology *The ^AGospel According to John* Thomas L. Brodie, 1993-07-29 This commentary expands Johannine studies in two directions First drawing on the methods of literary

criticism it gives new force to a view which is both ancient and modern that John's gospel far from being a poorly edited mixture of sometimes conflicting traditions is in fact a coherent unity an account of Jesus which however diverse its sources is a finely chiselled work of art Second it indicates that the unity of John's gospel is founded ultimately not on history or theology but on spirituality This too corresponds to a view which is both very old John was always known as the spiritual gospel and very recent The present study spells out that idea in new detail It indicates that the account of Jesus is so written that the tensions and complexities of the text reflect the tensions and complexities of human life providing the reader not only with an account of Jesus but also with an anthropology a map of the development of the human spirit **The**

Composition of John's Gospel David E. Orton, 2024-01-08 Readers of the Fourth Gospel have always been moved to the use of superlatives in its exposition The most fascinating of the Gospels in so many ways has been the subject of enquiry by many of the best minds in biblical scholarship in the past decades and this is amply illustrated in the pages of *Novum Testamentum* This selection of essays on John presents a tapestry of critical insights into the origins and composition of the Gospel from the hands of many of the world's leading Johannine scholars writing since the Second World War A number of these articles have been seminal for a generation of scholarship in the field Taken together they constitute a treasury of insights and a representative grounding in the critical study of the Gospel since Bultmann *John: Chapters 1-6* Ernst Haenchen, 1984 Contains a number of valuable insights The introductory material on Johannine criticism is some of the clearest exposition for students available anywhere *Students of the Bible in 4th and 5th Century Syria* Henning Lehmann, 2008-08-15 Efter 451 Chalcedon synoden kom syrisk sprogede kirker til at repræsentere det ikke ortodokse Forud gik 150 år hvor kirkesproget i Syrien nok primært var græsk men hvor en sproglig kulturel og kirkelig mangfoldighed af og til spændinger gjorde sig gældende ikke mindst når de bibelske skrifter skulle oversættes og fortolkes Denne periode og de meget forskelligartede kilder til forståelse af den på græsk syrisk latin og armenisk har været genstand for en stor del af Henning Lehmanns forskning i denne bog i form af 15 artikler fra årene 1969-2008 **The Gospel of John in Christian History, (Expanded Edition)** J. Louis Martyn, 2019-07-16 This collection of essays on John by J. Louis Martyn gathers four additional Johannine essays into a single volume augmenting the three published earlier in *The Gospel of John in Christian History* 1978 In addition to the essays published in the third edition of *History and Theology in the Fourth Gospel* 2003 these two volumes preserve for later generations the complete set of Martyn's published works on John In a timely way the publication of this volume follows the 50th anniversary of the publication of *History and Theology* 1968 which John Ashton regarded as the most important single Johannine monograph since the commentary of Rudolf Bultmann It also follows the 40th anniversary of the publication of his second Johannine book which serves as the core of the present volume From the Editor's Preface *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg's award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark

Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **God's Gift of the Universe** Paul

O'Callaghan,2022-01-17 There are many ways of understanding the reality of the world we live in and experience Science philosophy art all offer us ample descriptions explanations and intuitions But Christian believers go beyond all that for they attempt to understand the origins of the universe in terms of the creation of the world by God Revelation tells us what God had in mind when he made the world ex nihilo without presuppositions of any kind God s Gift of the Universe attempts to present the principal elements and stages of creation theology The doctrine is to be found fundamentally of course in Scripture both Old and New Testament which describes the world in the light of God s word Yet since God actually gave existence to the world down to the last detail our reflection on God s word not only explains the reality of creation how it works its nature as science does It also explains how creation came into being in the mind and heart of the Triune God and ultimately why God created the world In God s Gift of the Universe a considerable effort has been spent throughout the book on the Christological and Trinitarian aspects of creation particularly in the theology of Church Fathers Creation is presented besides in a deeply eschatological key for God created the world for purpose of making his glory eternally manifest The book also considers the way God intervenes in the life of the created world through conservation in being and providence The meaning of time matter and spirit are considered The need for ecological awareness is central One aspect of the mystery of creation that receives special attention is the presence of evil in the world This is of particular importance once we accept that God made the world whole and entire thus assuming responsibility for the world as it is The origin of evil through the sin of spiritual creatures provides the ultimate though not the only explanation of the mystery of evil Particular consideration is given to the reality of original sin Revelation and Concealment of Christ Saeed Hamid-Khani,2021-03-16

The elusive disposition of John s language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s

unique language i.e. Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God **Jesus the Purifier** Craig L. Blomberg, 2023-02-28 Christianity Today 2024 Book Award Biblical Studies The third quest for the historical Jesus has reached an impasse But a fourth quest is underway one that draws from a heretofore largely neglected source John's Gospel In this book now in paperback renowned New Testament scholar Craig Blomberg advances the idea that John is a viable and valuable source for studying the historical Jesus The data from John should be integrated with that of the Synoptics which will yield additional insights into Jesus's emphases and ministry Blomberg begins by reviewing the first three quests reassessing both their contributions and their shortcomings He then discusses the emerging consensus regarding demonstrably historical portions of John which are more numerous than usually assumed Peeling back the layers we discover in Jesus's ministry an emphasis on purity and purification The Synoptics corroborate this discovery specifically in Jesus's meals with sinners Blomberg then explores the practical and contemporary applications of Jesus the purifier including the contagious holiness that Jesus's followers can spread to others **The Targums** Paul V.M. Flesher, Bruce D. Chilton, 2011-08-25 This remarkable survey introduces critical knowledge and insights that have emerged over the past forty years including targum manuscripts discovered this century and targums known in Aramaic but only recently translated into English Prolific scholars Flesher and Chilton guide readers in understanding the development of the targums their relationship to the Hebrew Bible their dates language and place in the history of Christianity and Judaism and their theologies and methods of interpretation **Christology, Soteriology, and Ethics in John and Hebrews** R. G. William Loader, 2022-02-16 This volume brings together essays on John and Hebrews by William R G Loader Beside his monographs on John and Hebrews are numerous contributions to journals conference volumes and Festschriften of which a representative selection is gathered here into a single volume They discuss how these writings portray Jesus and his significance and deal with continuity and discontinuity with Israel's tradition as well as address the ethical issues which these texts raise and also evoke *Jesus and the Gospels, Third Edition* Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth *T&T Clark Handbook of Christology* Darren Sumner, Chris Tilling, 2025-06-26 This comprehensive work collects more than 30 essays from leading biblical scholars and systematic theologians to explore the person and work of Jesus Christ in a generously interdisciplinary manner From research foundations and method to the doctrine of the incarnation from the Trinity to the resurrection and from Christ's temptations to his high priestly prayer these essays seek to engage constructively with Scripture the history of Christian teaching and modern proposals and debates Together this international group of scholars engages such topics as Christ's preexistence his

constitution as the God human his temptations and will the hypostatic union the prayer of John 17 the struggle in Gethsemane kenosis the two states and threefold office Spirit Christology impassibility and the cross resurrection and the diversity of the New Testament witnesses to him This is an indispensable volume for the study of Jesus Christ in the subject's biblical historical and doctrinal contours A Theology of John's Gospel and Letters Andreas J.
