All My Lies Sophie Flynn, 2021-04-23 Perfectly paced suspenseful and gripping a real page turner SOPHIE HANNAH author of Haven t They Grown A rollercoaster ride with a cast of flawed characters an excellent debut from Sophie Flynn CATHERINE COOPER author of The Chalet A twisty intense and emotional story with suspense on every page TM LOGAN author of The Holiday and Trust Me Anna wants to escape She doesn t know when her marriage to James began to feel like a trap or when he became so controlling All she knows is that she needs to leave before it s too late And she has a plan When Anna reconnects with her childhood sweetheart Sam she sees it as the answer to her problems Finally they ll have a life together like they d always planned the life she was meant to have But the lies are catching up with her On the morning of their escape Sam goes missing Anna knows he wouldn t leave her that something must have happened to him Her search for answers will force her to confront her past something that she has been running from for a very long time Perfect for fans of Louise Jensen Phoebe Morgan and K L Slater this is a twisty tense psychological thriller about one woman s hunt for the truth and her ultimate fight to break free Praise for All My Lies I raced through All My Lies in a single weekend I barely paused for breath until the final page A must read HOLLY SEDDON author of The Hit List A fantastic debut that showcases how blind love can make us Sophie Flynn has written a brilliant book that sucks the reader in and keeps them guessing throughout S V LEONARD author of The Islanders A fresh new voice in psychological suspense Great characters evocative writing interesting locations and a page turning plot with plenty of twists and turns I can t wait to see where Flynn goes next SARAH LINLEY author of The Trip An exciting debut with a poisonous love triangle at its heart Unsettling compelling and twisty perfect for thriller fans RUBY SPEECHLEY author of A Mother like You I raced through this book reading well into the early hours of the morning Original bold and highly compelling this is a book that will stay with readers for a long time It heralds the arrival of an exceptionally talented voice in crime fiction A riveting debut AWAIS KHAN author of No Honour A thrilling new voice Sophie Flynn pulls the reader in with believable strong characters and an explosive plot AMANDA BRITTANY author of The Perfect Nanny

Pulp Empire Paul S. Hirsch, 2024-06-19 Winner of the Popular Culture Association s Ray and Pat Browne Award for Best Book in Popular or American Culture In the 1940s and 50s comic books were some of the most popular and most unfiltered entertainment in the United States Publishers sold hundreds of millions of copies a year of violent racist and luridly sexual comics to Americans of all ages until a 1954 Senate investigation led to a censorship code that nearly destroyed the industry But this was far from the first time the US government actively involved itself with comics it was simply the most dramatic manifestation of a long strange relationship

between high level policy makers and a medium that even artists and writers often dismissed as a creative sewer In Pulp Empire Paul S Hirsch uncovers the gripping untold story of how the US government both attacked and appropriated comic books to help wage World War II and the Cold War promote official and clandestine foreign policy and deflect global critiques of American racism As Hirsch details during World War II and the concurrent golden age of comic books government agencies worked directly with comic book publishers to stoke hatred for the Axis powers while simultaneously attempting to dispel racial tensions at home Later as the Cold War defense industry ballooned and as comic book sales reached historic heights the government again turned to the medium this time trying to win hearts and minds in the decolonizing world through cartoon propaganda Hirsch s groundbreaking research weaves together a wealth of previously classified material including secret wartime records official legislative documents and caches of personal papers His book explores the uneasy contradiction of how comics were both vital expressions of American freedom and unsettling glimpses into the national id scourged and repressed on the one hand and deployed as official propaganda on the other Pulp Empire is a riveting illumination of underexplored chapters in the histories of comic books foreign policy and race The Routledge Companion to Disability and Media Katie Ellis, Gerard Goggin, Beth Haller, Rosemary Curtis, 2019-10-31 An authoritative and indispensable guide to disability and media this thoughtfully curated collection features varied and provocative contributions from distinguished scholars globally alongside next generation research leaders Disability and media has emerged as a dynamic and exciting area of contemporary culture and social life Media especially digital technology play a vital role in disability transformations with widespread implications for global societies and how we understand communications This book addresses this development from representation and audience through technologies innovations and challenges of the field Through the varied and global perspectives of leading researchers writers and practitioners including many authors with lived experience of disability it covers a wide range of traditional emergent and future media forms and formats International in scope and orientation The Routledge Companion to Disability and Media offers students and scholars alike a comprehensive survey of the intersections between disability studies and media studies This book is available as an accessible eBook For more information please visit <https://taylorandfrancis.com/about/corporate-responsibility/accessibility/> at taylor francis **Already Doing It** Michael Gill, 2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on Already Doing It exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively

sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities Already Doing It urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children **The Archaeology of Identity** Margarita Díaz-Andreu García,2005 Bringing together a wealth of scholarship which provides a unique integrated approach to identity this is an excellent overview of the five recently emerged key areas in archaeological social theory gender age ethnicity religion and status *Hegemony and Heteronormativity* María do Mar Castro Varela,2016-04-22 This book reflects on the political in queer theory and politics by revisiting two of its key categories hegemony and heteronormativity It explores the specific insights offered by these categories and the ways in which they augment the analysis of power and domination from a queer perspective whilst also examining the possibilities for political analysis and strategy building provided by theories of hegemony and heteronormativity Moreover in addressing these issues the book strives to rethink the understanding of the term queer so as to avoid narrowing queer politics to a critique of normative heterosexuality and the rigid gender binary By looking at the interplay between hegemony and heteronormativity this ground breaking volume presents new possibilities of reconceptualizing the political from a queer perspective Investigating the effects of queer politics not only on subjectivities and intimate personal relations but also on institutions socio cultural processes and global politics this book will be of interest to those working in the fields of critical theory gender and sexuality queer theory postcolonial studies and feminist political theory **In for It, Or, Uncle Tony's Mistake** Dave E. Allyn,1893 How Much of These Hills Is Gold C Pam Zhang,2021-04-06 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A WASHINGTON POST NOTABLE BOOK OF THE YEAR ONE OF BARACK OBAMA S FAVORITE BOOKS OF THE YEAR ONE OF NPR S BEST BOOKS OF 2020 LONGLISTED FOR THE 2020 BOOKER PRIZE FINALIST FOR THE 2020 CENTER FOR FICTION FIRST NOVEL PRIZE WINNER OF THE ROSENTHAL FAMILY FOUNDATION AWARD FROM THE AMERICAN ACADEMY OF ARTS AND LETTERS A NATIONAL BOOK FOUNDATION 5 UNDER 35 HONOREE NATIONAL BESTSELLER Belongs on a shelf all of its own NPR Outstanding The Washington Post Revolutionary A visionary addition to American literature Star Tribune An electric debut novel set against the twilight of the American gold rush two siblings are on the run

in an unforgiving landscape trying not just to survive but to find a home Ba dies in the night Ma is already gone Newly orphaned children of immigrants Lucy and Sam are suddenly alone in a land that refutes their existence Fleeing the threats of their western mining town they set off to bury their father in the only way that will set them free from their past Along the way they encounter giant buffalo bones tiger paw prints and the specters of a ravaged landscape as well as family secrets sibling rivalry and glimpses of a different kind of future Both epic and intimate blending Chinese symbolism and reimagined history with fiercely original language and storytelling How Much of These Hills Is Gold is a haunting adventure story an unforgettable sibling story and the announcement of a stunning new voice in literature On a broad level it explores race in an expanding country and the question of where immigrants are allowed to belong But page by page it is about the memories that bind and divide families and the yearning for home The Temperance Mirror ... ,1890

This Captivating Realm of Kindle Books: A Thorough Guide Unveiling the Advantages of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and ease of access, have freed readers from the limitations of physical books.
