Sam Houston Is My Hero:

Sam Houston Is My Hero Judy Alter, 2003-09-01 After her father is killed at the Alamo a girl rides across South Texas urging men to join Houston's army to defeat Santa Anna

Sam Houston Is My Hero Judy Alter, 2003 In 1836 determined to avenge her father's death at the Alamo a twelve year old girl sets out across Texas alone gathering support for Sam Houston in the fight against Mexico's General Santa Anna

The Texas Revolution: Tejano Heroes Roy F. Sullivan, 2011-12-16 Most Americans are aware that Texas gained its independence from Santa Anna's Mexico in the 1840s. Mention of the Alamo evokes the familiar names of heroes like Davy Crockett, Jim Bowie and William Travis. All too often another group of heroes, heroines and patriots who fought and died for the independence of Texas is overlooked. The sacrifices, bravery and valor of that group, the Tejanos, Texans of Hispanic ancestry, are the focus of *The Texas Revolution: Tejano Heroes*. It was not just at famous battles such as Agua Dulce, Bexar, Goliad, the Alamo and San Jacinto that Tejanos made their mark on Texas history, often giving their lives and fortunes long before the arrival of Stephen F. Austin and settlers from the east. Tejanos were fighting for the independence of Texas. The first declaration of Texas independence from Spain was issued in April 1813 by Bernardo Gutierrez de Lara. The first and bloodiest battle for Texas independence was fought at the battle of the Medina in August 1813. The first formal list of grievances against the Mexican government was issued by several Tejanos including Juan Seguin and Gaspar Abrego de Flores in October 1834. Recognition of the courage, abilities and endurance of Tejanos as major emancipators in the Texas Revolution is long overdue, hence this book.

My Heroes Have Always Been Cowboys Georgina Gentry, Lorraine Heath, Teresa Bodwell, 2012-03-01 Those deep brimmed Stetsons, those faded jeans, Cowboys are everything a fantasy man should be: tall, tough and oh so handsome. In these sexy stories, three men of the American West who know a thing or two about roping a girl's heart. *The Reluctant Hero* Lorraine Heath Sheriff Matthew Knight is the perfect hero for Andrea's next novel. But the outlaw busting man behind the badge is more complicated than she bargained for. What's a writer to do when she needs a story or maybe the question is what won't she do? *The Great Cowboy Race* Georgina Gentry Boston heiress Henrietta never imagined she would race a horse one thousand miles disguised as a boy or that she'd have to escape an arranged marriage to expert rider Comanche Jones. *Whispering by Moonlight* Teresa Bodwell Stranded and penniless in a town called Hell Gate, Isabelle has run out of options when gorgeous Lucas Warring rides in like an answered prayer. Willing to do anything, she hires on as his ranch hand during one of the coldest winters ever and discovers plenty of ways they can keep each other warm. The West has never been wilder. Lorraine Heath is a Waldenbooks and USA Today bestselling author, especially known for her emotionally rich and unforgettable historical romances set in Texas. She is a RITA Award winner from Romance Writers of America and has received a Career Achievement award from Romantic Times. In addition to romance, she writes young adult fiction under her own name and the pseudonym Rachel Hawthorne. She lives in Plano, Texas.

Congressional Record United States.

Congress,1970 **Run for Your Lives!** Linda English,2024-09-02 The Runaway Scrape is among Texas historians at once recognizable but often less understood While shelves of books examine the fall of the Alamo and the revolutionary victory at San Jacinto surprisingly little sustained attention has been given to the chaotic period from the early to late spring of 1836 when many settlers fled their homes in the face of Santa Anna s advancing forces In the final months of the rebellion turned revolution fear of defeat prompted larger questions of what it meant to be a man or woman in an environment of wartime retreat In Run for Your Lives historian Linda English opens a new window into the Runaway Scrape exploring the events and rhetoric through the lens of gender English identifies the central question looming over men and women alike Were you doing enough to support the rebellion Texas men faced the pressure to be manly not to turn away or retreat but to meet the enemy on the battlefield As demoralizing losses stacked up the rhetorical appeals of Anglo Texan authorities employed even more fervent language casting the enemy as depraved and a threat to the innocent women and children of the state Appeals to masculinity also intensified with fear mongering references to potential Indian attacks At the same time while many women ceded leadership decisions to their male counterparts an increasing number competed for power and more decisive leadership within refugee groups Accusations of authoritative or brazen women acting like men and weak or unmanly men acting like women abounded in an apparent scrambling of gender expectations But as English argues a closer examination of the heated gendered rhetoric indicates that it was delivered with a goal in mind recruiting converts and enlistments to the cause Nevertheless shifting of attitudes or expectations also proved short lived Postwar peace realigned the gender landscape underscoring the temporary nature of revolutionary gender roles *The Book Lover's Tour of Texas* Jessie Gunn Stephens,2004 This book takes readers on a literary ride across the Lone Star State J Frank Dobie tells true stories of rattlesnakes and buried treasure Jodi Thomas finds romance in the oilfields Prologue ,1994 My Eighty Years in Texas William Physick Zuber,2014-08-19 Almost a century and a half went into the making of My Eighty Years in Texas It began as a diary kept by fifteen year old William Physick Zuber after he joined Sam Houston s Texas army in 1836 hoping he could emulate the heroism of American Revolutionary patriots Although his hopes were never realized Zuber recorded the privations victories and defeats of armies on the move during the Texas Revolution the Indian campaigns and as he styled it the Confederate War In 1910 at the age of ninety Zuber began the enormous task of transcribing his diaries and his memories for publication After his death in 1913 the handwritten manuscript 1 was placed in the Texas State Archives where it was used as a reference source by students and scholars of Texas history Over a half century after Zuber s death Janis Boyle Mayfield finally brought his publication plans to fruition Zuber details his early zest for learning and his laborious methods of self education He tells of the trials of organizing and teaching schools in the sparsely populated plains He recalls the day by day happenings of a private soldier in the Texas army of 1836 the Texas Militia and the Confederate army including the mishaps of army life and the encounters with enemies from San Jacinto to Cape Girardeau After the Civil War

his interest turns to the politics of Reconstruction the veterans pension and the founding of the Texas Veterans Association This is the story of and by an outspoken Texian complete with his attitudes principles and moralizings and the nineteenth century style and flavor of his writing Included as an appendix is An Escape from the Alamo the account of Moses Rose for which Zuber who was a prolific writer was best known A historiography of the Rose story a bibliography of Zuber s published and unpublished writings annotation and an introduction are provided by Llerena Friend My Thoughts Be Bloody Nora Titone,2010-10-19 Historian Nora Titone takes a fresh look at the strange and startling history of the Booth brothers answering the question of why one became the nineteenth century s brightest most beloved star and the other became the most notorious assassin in American history The scene of John Wilkes Booth shooting Abraham Lincoln in Ford s Theatre is among the most vivid and indelible images in American history The literal story of what happened on April 14 1865 is familiar Lincoln was killed by John Wilkes Booth a lunatic enraged by the Union victory and the prospect of black citizenship Yet who Booth really was besides a killer is less well known The magnitude of his crime has obscured for generations a startling personal story that was integral to his motivation My Thoughts Be Bloody a sweeping family saga revives an extraordinary figure whose name has been missing until now from the story of President Lincoln s death Edwin Booth John Wilkes s older brother by four years was in his day the biggest star of the American stage Without an account of Edwin Booth author Nora Titone argues the real story of Lincoln s assassin has never been told Using an array of private letters diaries and reminiscences of the Booth family Titone has uncovered a hidden history that reveals the reasons why John Wilkes Booth became this country s most notorious assassin The details of the conspiracy to kill Lincoln have been well documented elsewhere My Thoughts Be Bloody tells a new story one that explains for the first time why Lincoln s assassin decided to conspire against the president in the first place and sets that decision in the context of a bitterly divided family and nation By the end of this riveting journey readers will see Abraham Lincoln s death less as the result of the war between the North and South and more as the climax of a dark struggle between two brothers who never wore the uniform of soldiers except on stage The Raven's Honor Johnny D. Boggs,2018-01-01 Sam Houston is a living legend in 1861 The hero of the Battle of San Jacinto he had defeated Santa Anna to win independence for Texas back in 1836 He had twice served as president of the Republic of Texas helped Texas join the Union and served as senator and governor of Texas Before settling in Texas he had been a hero of the Creek War and governor of Tennessee He had been friends with Andrew Jackson and Davy Crockett and had been adopted into the Cherokee tribe whose rights he had often defended and who had named him the Raven Yet now approaching seventy years of hard living he finds everything he has fought for being torn asunder Texas is joining the Confederacy and Houston a Unionist who has been cast out as governor quickly loses power prestige and friends He could hide in retirement but such is not the way of a warrior The Raven prepares for his most important fight yet He knows this battle will test his endurance and faith He knows he will need his wife Margaret to save him from his own worst enemy

himself And he knows this war which will pit brother against brother will also try to divide Houston s family What he doesn t know yet is that he will find help from long dead friends and enemies to help him sort out his life and restore his honor Johnny D Boggs among the most honored Western writers of the twenty first century brings one of Texas greatest heroes to life warts and all in a character study and love story of a man fighting for his country and legacy but mostly for his family

J. Frank Dobie Steven L. Davis,2010-01-01 The first Texas based writer to gain national attention J Frank Dobie proved that authentic writing springs easily from the native soil of Texas and the Southwest In best selling books such as Tales of Old Time Texas Coronado s Children and The Longhorns Dobie captured the Southwest s folk history which was quickly disappearing as the United States became ever more urbanized and industrial Renowned as Mr Texas Dobie paradoxically has almost disappeared from view a casualty of changing tastes in literature and shifts in social and political attitudes since the 1960s In this lively biography Steven L Davis takes a fresh look at a J Frank Dobie whose liberated mind set him on an intellectual journey that culminated in Dobie becoming a political liberal who fought for labor free speech and civil rights well before these causes became acceptable to most Anglo Texans Tracing the full arc of Dobie s life 1888 1964 Davis shows how Dobie s insistence on free range thinking led him to such radical actions as calling for the complete integration of the University of Texas during the 1940s as well as taking on governors senators and the FBI which secretly investigated him as Texas s leading dissenter during the McCarthy era Austin leaves the army Louis J. Wortham,1924 **Single Star of the West** Kenneth W. Howell,Charles Swanlund,2017-03-15 Does Texas s experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico Single Star of the West chronicles Texas s efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men suffered from their own share of fears and faults Texas s efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the republic attracted political and economic opportunists some of whom achieved a remarkable degree of success Single Star of the West also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably Latin America since Independence Thomas C. Wright,Robert L. Smale,2022-08-03 This book offers an

innovative thematic approach to the history of Latin America since independence It traces continuity and change in colonial legacies that became central political issues following independence authoritarian governance a rigid social hierarchy based on race color and gender the powerful Roman Catholic Church economic dependency and the large landed estate Generally liberals have sought to modify or abolish these legacies in the interest of what they consider progress while conservatives have attempted to preserve them as much as possible as bastions of their power and privilege Examining the evolution of these colonial legacies across two centuries reveals the processes that formed the political systems economies societies and religious institutions that characterize Latin America today *Year Book for Texas ...* Cadwell Walton Raines,1903 *A History of Texas* Louis J. Wortham,1924

Origins of rebellion to the Battle of Bull's Run Benson John Lossing,1866

Forty Years of American Life Thomas Low Nichols,Thomas Nichols,2003-01-30 A physician makes observations on American life for an English audience A memoir of the doctor born in New Hampshire which leads him toward commentary on American politics slavery education and morality Vol 1 of 2 **Forty Years of American Life** Thomas Low Nichols,2022-03-11 Reprint of the original first published in 1864
