Sam The Horse Gets Ready For School:

Life on Th' Rockin' W Leon Willis, 2011 I started the story of Life On Th Rockin W in 1964 I have always loved horses worked horses and had a passion to draw With that combination I began to create a story in the form of a comic strip of a family s struggles good times and adventures on a ranch After the completion of 16 pages I submitted the idea of Life On Th Rockin W to The Tennessean to become one of their paper s comic strips They rejected the idea and I returned home somewhat disappointed Having the responsibility of supporting my family and helping my wife raise our seven children I put my dream aside In 2009 45 years later I resurrected my long neglected dream the story of Life On Th Rockin W The local weekly newspaper began to publish the comic strip and soon afterward had a dedicated following of readers This book is a collection of the comic strip in its entirety As the story unfolded there was a colt born that was given the name Sparky There was actually a horse in my past named Sparky I had big dreams for him maybe the next Trigger I had to sell him because I had to go to War The new Sparky that was revealed in the comic strip is in memory of the original The coloring book Sparky and Some Friends was created from the story of Life On Th Rockin W Family true to life characters friends and neighbors form the nucleus of the book along with a host of horses and other animals I hope you have a good visit with us When Liking Turns to Loving Shelby Demidovich, 2021-05-11 This is an inspiring love story about two very young children who met in preschool at the age of four and who became very close as they grew up They loved riding horses and swimming in the lake behind their house and going to school dances Sam and Jeanie were the best of friends all the way though school They fell in love then broke up And after six years of broken hearts they find each other again *Healing Their Amish Hearts* Leigh Bale, 2020-03-01 Could she guide them from sorrow to joy When tragedy tears an Amish family apart Can her love bring them back together Becca Graber has made it her mission to get the silent boy in her new classroom to speak again But when she meets the boy s grieving vadder widowed firefighter Jesse King Becca realizes that two hearts need mending As Becca and Jesse try to break through to Sam will they also find a way to reach each other Colorado Amish Courtships
