*The Challenge of Same-Sex Marriage* Mark Strasser,1999-09-30 In November 1998 the Hawaii and Alaska electorates voted to amend their state constitutions so that same sex marriages would not have to be recognized Rather than end the controversy surrounding same sex marriages the passage of these amendments will only spur more litigation because the referenda themselves implicate constitutional guarantees and because amending a state constitution cannot lessen federal constitutional protections Since same sex marriages promote many of the same individual and state interests that opposite sex marriages do states will be unable to justify their same sex marriage bans if those rationales are closely examined When challenged the recent constitutional amendments in Hawaii and Alaska may well be held unconstitutional by the state supreme courts on federal constitutional grounds although ultimately the United States Supreme Court will likely be asked to resolve the relevant issues Suppose that state same sex marriage bans are held not to violate federal constitutional guarantees but that one state nonetheless recognizes such unions The other states will be permitted to refuse to recognize marriages celebrated in that state only if certain conditions have been met Contrary view notwithstanding the law of nature exception will not apply in this case Further even the Defense of Marriage Act will likely not afford states the right to refuse to recognize any and all same sex marriages validly celebrated in sister states Debating Same-Sex Marriage John Corvino,Maggie Gallagher,2012-06-01 Taking a point counterpoint approach John Corvino a philosopher and a prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage consider key questions about the institution itself What is marriage for Is marriage meant to be a gendered institution Why is the state in the business of sanctioning marriage Where do the needs of children fit in Will legalization of same sex marriage lead to legalization of polygamy Corvino argues that society should support same sex marriage because of its interest in supporting stable households for all its members gay and straight alike Gallagher argues that government recognition of same sex unions as marriages will disconnect marriage from its key public mission furthering responsible procreation while stigmatizing traditional views of sex marriage and family as bigotry Both agree that the issue deserves thoughtful rigorous engagement *Same-Sex Marriage* Jeanne Nagle,2010-01-15 Provides information on same sex marriage and different viewpoints on the issue **Are We 'persons' Yet?** Kathleen A. Lahey,1999-01-01 In 1929 women were declared persons under the British North America Act Seventy years later a similar move is afoot to establish constitutional personhood for lesbian gay bisexual transsexual and transgendered people **Encyclopedia of Gender and Society** Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors *Contemporary Moral Issues* Lawrence M.
