Sams Fight For Justice:

Sam's Fight for Justice Betty Ann Herron, 2003-04-11 This is a true story about a coach that had a seventh grade student name Sam perform twenty naked push ups over the floor drain in front of his entire gym class in the locker room Sam from that point on would be teased and called the naked push up boy everyone in the school that had heard about him having to do the naked push ups in his gym class started calling him the perverted naked push up boy this name would follow him to this very day After coming home and telling his father and I what happen we were both shocked and hurt that anyone would punish our child or any child with such a perverted and humiliating act his father and I approached the school the next day hoping to have the coach punished by the school and to gain our son s dignity back by having the coach apologize to our son in front of his entire gym class saying that he had used bad judgment on Sam and that no other child would have to perform such an act again Jim and I were shocked and angered even more when we found out the school was already aware that the coach enforced naked types of punishments on his students by complaints from other parents the school s Principal informed Jim and I that the coach was protected under the teacher s union contract I am writing my Son s Story because the Coach is protected under a Teachers Union Contract but what a bout a Contract that Protects my Son and his Right s to a Safe Education

An American Fight for Justice Part 2 Linda D. Coker, 2011-08-01 As introduced in the original novel A Daughter s Duty God Country Family Belinda Star is a highly decorated veteran of the United States Army Her military background has created a woman adept in the art of battle but even her specialized training and battlefield experiences could not prepare her to deal with the crimes committed by her own family In this continuation of Belinda s story the reader realizes just how far the criminal activity of Belinda s family will go As Belinda quickly discovers her family will go to great lengths to deceive and manipulate one of their own for personal gain The novel begins with Belinda again in Germany where she lives with her active duty husband but soon we witness Belinda making repeated journeys back to the United States attempting to recover family heirlooms and ancestral artifacts that are now being held hostage by her own family While Belinda s original story poised her against her mother who was a perpetrator of the crimes this continuation now sees the sentencing and release of her mother Jane King now realizes the error of her ways and unites with her strongest daughter in an attempt to seek justice and avenge the crimes of their family While Belinda is no longer alone in her battle this time around she now has her mother by her side she quickly realizes that the American legal system is fractured When repeated attempts at remedying her legal battles prove fruitless Belinda reaches a dark and empty place where she no longer can believe in the justice she once held sacred As she reaches her lowest point only an act of terrorism can awaken her to the true catastrophes present in the world As the United States wages war in a far away land those battles strike a chord with Belinda as her husband must leave the safety of their new home in Colorado and begin to serve his country far away from the safety that Belinda can provide him

Letters to Sam Dr. Dan Gottlieb, 2009-10-13 When his grandson was born Daniel Gottlieb began to write a series of

heartfelt letters that he hoped Sam would read later in life He planned to cover all the important topics dealing with your parents handling bullies falling in love coping with death and what motivated him was the fear that he might not live long enough to see Sam reach adulthood You see Daniel Gottlieb is a quadriplegic the result of a near fatal automobile accident that occurred two decades ago and he knows enough not to take anything for granted Then when Sam was only 14 months old he was diagnosed with Pervasive Developmental Disability a form of autism and suddenly everything changed Now the grandfather and grandson were bound by something more a disability and Daniel Gottlieb's special understanding of what that means became invaluable This lovingly written emotionally gripping book offers unique and universal insights into what it means to be human *VAMPIRE HUSBAND and THE AMERICAN JUSTICE* Paru Shiva, 2014-05 This book is about a woman who had come to America from Kashmir India She had no knowledge about American culture or American Justice System She was married in India and her husband brought her to America In America her husband started abusing her Being culturally abundant she kept taking abuse on a daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries Abuse got worst to the extent that one day her husband tried to kill her She gained her consciousness after a couple of hours when her husband decided to dump her body in the park Somehow in the morning she managed to escape with her two children She went to a woman's shelter where she lived for six months In the shelter they insisted that she had to go to the court to get a restraining order for her safety In that process her children were taken by the court and were given to that abusive man from whom they had a narrow escape She was forced to pay child support when she had not taken even a one cent from her home or from her husband after she left Her two children were given to their father because she was going to school Judge punished her and her two children for trying to establish their life Her children suffered the most because of the Justice System I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to the American Justice System because his father has kept him in fear Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear stress and extreme tension His father didn't let him complete his education If he had encouraged my son to complete his education then he wouldn't be able to control my son's life That is tearing my heart every day And second reason is that I want to help a Battered Woman and their children by telling them my story I was a very private person but that didn't help me Every battered woman of this country should know that when a man hit his wife is not love It is a danger sign figure out on time about safety zones for self and for children My story will guide them to be strong enough to help their children *Black Popular Culture and Social Justice* Lakeyta M.
