Institute of Library Research, University of California, Berkeley, 1972 **Jonathan Odell, Loyalist Poet of the American Revolution** Cynthia Dubin Edelberg, 1987 Jonathan Odell's life and writings give us insight into the American Revolution by revealing Loyalist ideology the ambitious few have led the gullible multitude to slaughter and he rails against the British military for fighting a war of containment aimed at bringing the rebel leadership to negotiation This policy effectually trapped the Loyalists between the British army which ignored them and the rebels who despised them One of the best educated of the colonialists Odell a physician turned Anglican minister and then writer lived the gamut of experience powerful friends sustained him and the British commanders in chief Sir William Howe Henry Clinton and Sir Guy Carleton employed him nevertheless during the war he was a lonely exile Tory hunters forced him from his home in 1775 and at the end of the war when his hope for reconciliation between the Loyalists and the Americans came to nothing he reluctantly emigrated to Canada Here is a voice all but silenced for over two hundred years that must now be heard if we are to better understand the American Revolution

The Standard Value Guide, 1979 **Challenges on the Emmaus Road** T. Felder Dorn, 2021-11-25 While slavery and secession divided the Union during the American Civil War they also severed the Northern and Southern dioceses of the Protestant Episcopal Church In *Challenges on the Emmaus Road* T. Felder Dorn focuses on the way Northern and Southern Episcopal bishops confronted and responded to the issues and events of their turbulent times Prior to the Civil War Southern bishops were industrious in evangelizing among enslaved African Americans but at the same time they supported the legal and social aspects of the peculiar institution Southern and Northern bishops parted company over the institution of slavery not over the place of blacks in the Episcopal Church As Southern states left the Union Southern dioceses separated from the Episcopal Church in the United States The book's title was inspired by the Gospel of Luke 24:13-35 in which the resurrected Jesus Christ walked unrecognized with his disciples and discussed the events of his own crucifixion and disappearance from his tomb Dorn perceives that scriptural episode as a metaphor for the responses of Episcopal bishops to the events of the Civil War era Dorn carefully summarizes the debates within the church and in secular society surrounding the important topics of the era In doing so he lays the groundwork for his own interpretations of church history and also provides authentic data for other church scholars to investigate such topics as faith and doctrine evangelism and the administrative history of one of the most important institutions in America Dorn devotes the final chapters to the postwar reunification of the Episcopal Church and Southern bishops involvement in establishing the Commission on Freedmen to offer help with the educational and spiritual needs of the recently emancipated slaves **Unmasking Latinx Ministry for Episcopalians**
