A Forgotten Ambassador in Cairo N.S. Vinodh,2020-12-29

Amongst the multitude of tombs in the City of the Dead in Cairo there lies buried a lone Indian a scholar writer debonair statesman and a leader of the freedom movement Who is he How did he get there For a man who used both the lectern and the pen to devastating effect during the Indian Independence movement led by the likes of Gandhi and Nehru little is known of Syud Hossain Born to an aristocratic family in Calcutta he forayed into journalism early in life and became the editor of Motilal Nehru s nationalist newspaper The Independent After a brief elopement with Motilal s daughter Sarup aka Vijaya Lakshmi Pandit Hossain under immense pressure from Nehru and Gandhi annulled the marriage and stayed away from the country Thus began several years of exile Eventually he landed in the United States Flitting from one place to another making homes of hotel rooms he imparted Gandhi s message across the country He fought for India s cause from afar garnering support in the United States and decrying British oppression Syud Hossain inspired and irked in equal measure with every speech he delivered and every editorial he penned he sent a shiver down the spine of the colonial ruler In addition Hossain took on the fight for Indian immigrant rights in the United States one that successfully culminated in President Truman signing the Luce Cellar Bill into an Act in 1946 Hossain returned to India to witness the triumph of her independence as well as the tragedy of Gandhi s assassination Thereafter appointed India s first ambassador to Egypt he died while in service and was laid to rest in Cairo A Forgotten Ambassador in Cairo offers an illuminating narrative of Hossain s life interspersed with historical details that landscapes a vivid political picture of that era Through primary sources that include Hossain s private papers British Intelligence files and contemporary correspondence and newspapers N S Vinodh brilliantly brings to life a man who has been relegated far too long to the shadows of time

Promised Lands Jonathan

Parry,2024-12-10 A major history of the British Empire s early involvement in the Middle East Napoleon s invasion of Egypt in 1798 showed how vulnerable India was to attack by France and Russia It forced the British Empire to try to secure the two routes that a European might use to reach the subcontinent through Egypt and the Red Sea and through Baghdad and the Persian Gulf Promised Lands is a panoramic history of this vibrant and explosive age Charting the development of Britain s political interest in the Middle East from the Napoleonic Wars to the Crimean War in the 1850s Jonathan Parry examines the various strategies employed by British and Indian officials describing how they sought influence with local Arabs Mamluks Kurds Christians and Jews He tells a story of commercial and naval power boosted by the arrival of steamships in the 1830s and discusses how classical and biblical history fed into British visions of what these lands might become The region was subject to the Ottoman Empire yet the sultan s grip on it appeared weak Should Ottoman claims to sovereignty be recognised and exploited or ignored and opposed Could the Sultan s government be made to support British objectives or would it always favour France or Russia Promised Lands shows how what started as a geopolitical contest became a drama about diplomatic competition religion race and the unforeseen consequences of history

Cairo's Street Stories Lesley

Lababidi,2008-05-01 In 1872 Ismail Pasha the khedive of Egypt was the first to adopt the European custom of positioning heroic statues on public display as a symbolic message of the continuing authority of the ruling Muhammad Ali dynasty to which he belonged but it was not until the early twentieth century and the determination of sculptor Mahmoud Mukhtar that such public art gained general acceptance and today statues stand ride or sit in the streets squares and gardens of Cairo Each sculpture adds a piece to the jigsaw of history spanning personalities and events that shaped the city and wider Egypt from 1805 to 1970 and here Cairo based author Lesley Lababidi provides a unique perspective on Egyptian history through looking at more than thirty statues and monumental sculptures and the stories behind them Between statues she explores Cairo s growth and its multidimensional identity as manifested in the development and changing use of city space over the centuries and examines the relationship of Cairo s modern denizens with the landscapes districts palaces archaeological sites caf s bridges and gardens of their great and maddening city the Mother of the World Illustrated throughout with color photographs and archival pictures Cairo s Street Stories presents a unique and lively view of the history that fashioned the city s streets and open spaces and of the many and often unexpected uses to which its inventive inhabitants put them
