**San Francisco Passenger Departure Lists: 30 September to 31 December 1850** Peter E. Carr,1991      [San Francisco Ship Passenger Lists](#) Louis J. Rasmussen,2009-06 In his latest book genealogist David Dobson has compiled a list of Scottish surnames of the estimated 150 000 Scots who settled in the America colonies Many of the same surnames of course apply to the even greater number of Scots Irish colonists whose forebears had originated in Scotland before re settling in the province of Ulster The Scottish Surnames of Colonial America attempts to identify Scottish names provide explanations of their meaning and significance give examples and where applicable name the clan to which the family is linked In all Mr Dobson identifies about 1 000 Scottish surnames and their derivatives and also mentions one or more actual Scottish North Americans who bore that name before 1776      [San Francisco Passenger Departure Lists](#) Peter E Carr,1991      **San Francisco Ship Passenger Lists Vol. II [1850-1851]** Louis J. Rasmussen,2009-06 Here is the second volume in Louis Rasmussen s distinguished series dealing with passenger arrivals at the port of San Francisco between 1850 and 1875 In the absence of official port records which were destroyed by the fire in 1940 this ambitious work attempts a reconstruction of passenger arrivals from newspapers and journals Volume II is based on completely different sources than the first volume in the series which covered the years 1850 1864 and it encompasses an additional 16 500 passenger arrivals at San Francisco Bay during the 20 month period from April 1850 to November 1851 Most of these individuals in the author s words had come to the West in search of the golden goose who had laid the golden egg Most would not find it of course but would remain in California or migrate to the Oregon territory to take up other commercial or agricultural pursuits The passengers named in Volume II came from all parts of the United States as well as from Europe although the majority were probably from the East Coast of the U S The passenger lists themselves are arranged in chronological order and typically each passenger list is introduced with the following notations name of ship type of ship port of embarkation date of arrival name of captain description of cargo and notes concerning the passage date of departure ports of call length of voyage and names of passengers who died en route with their places of residence and dates of death The list of passengers follows and sometimes identifies accompanying family members Rounding out the volume are the author s introduction a key to abbreviations a list of the shipping lines that sailed steamed on the Pacific and superlative name and subject indexes      *San Francisco Passenger Departure Lists* Peter E.
