Implementing a gender approach in drug policies: prevention, treatment and criminal justice Sarah Morton, Carine Mutatayi, Kristín I. Pálsdóttir, Nadia Robles Soto, Cristiana Vale Pires, 2022-04-25 Integrating gender into all aspects of drug policy including the criminal justice system In its efforts to place human rights at the heart of drug policies the Pompidou Group has decided to pursue further the work already undertaken towards integrating a gender dimension into drug policy by developing a handbook covering different drug policy areas It seeks to promote gender sensitivity in drug responses as essential leverage to reduce health inequities and to respect human rights especially the rights to diversity and dignity for women men and non binary people The publication begins with an overview of epidemiological evidence on gender based differences in drug use and related consequences The handbook aims at providing policy makers and practitioners in the drug field with evidence based and operational recommendations to develop and implement policies and interventions that better integrate specific gender needs gender sensitive approach and support more gender equity gender transformative approach for people concerned with the provision of drug related prevention and care risk and harm reduction treatment reintegration including in the criminal justice system Faithful to the Pompidou Group's objective of ensuring a link between research policy and practice this handbook first explores theoretical views about gender and drug policy draws on available scientific knowledge and presents recommendations and examples for practice It is based on extensive debate and a consensus of experts from 13 countries and various professional backgrounds for cross cultural relevance

Beyond the Triple Bottom Line Francisco Szekely, Zahir Dossa, 2024-08-06 A pragmatic new business model for sustainability that outlines eight steps that range from exploring a mission to promoting innovation with case studies Many recent books make the case for businesses to become more sustainable but few explain the specifics In this book Francisco Szekely and Zahir Dossa offer a pragmatic new business model for sustainability that extends beyond the traditional framework of the triple bottom line describing eight steps that range from exploring a vision and establishing a strategy to implementing the strategy and promoting innovation Szekely and Dossa argue that businesses and organizations need to move away from the business case for sustainability toward a sustainable business model That is businesses should go beyond the usual short term focus on minimizing harm while maximizing profits Instead businesses on the path to

sustainability should from the start focus on addressing a societal need and view profitability not as an end but as a means to support the sustainable organization Szekely and Dossa explore key problems organizations face when pursuing a sustainability agenda Each chapter presents one of the eight steps describes a business dilemma for sustainability provides a theoretically grounded strategic framework offers case studies that illustrate the dilemma and summarizes key findings the case studies draw on the experiences of such companies as Tesla Motors Patagonia TOMs and Panera The book emphasizes leadership arguing that leaders who question the status quo inspire others and take risks are essential for achieving sustainable business practices **Sprawling Cities in Germany** Günter Haag,2002 **Social Entrepreneurship**

Business Models K. Sommerrock,2010-09-29 EPUB Urban Sprawl in France (1950-2000) Marianne Guérois,Denise Pumain,2002 *The Ecology of Childhood* Barbara Bennett Woodhouse,2020-01-21 2021 Outstanding Academic Title Choice Magazine How globalization is undermining sustainable social environments for children This book uses the ecological model of child development together with ethnographic and comparative studies of two small villages in Italy and the United States as its framework for examining the well being of children in the aftermath of the Great Recession Global forces far from being distant and abstract are revealed as wreaking havoc in children s environments even in economically advanced countries Falling birth rates deteriorating labor conditions fraying safety nets rising rates of child poverty and a surge in racism and populism in Europe and the United States are explored in the petri dish of the village Globalism s discontents unrestrained capitalism and technological change rising inequality mass migration and the juggernaut of climate change are rapidly destabilizing and degrading the social and physical environments necessary to our collective survival and well being This crisis demands a radical restructuring of our macrosystemic value systems Woodhouse proposes an ecogenerist theory that asks whether our policies and politics foster environments in which children and families can flourish It proposes as a benchmark the family supportive human rights principles of the UN Convention on the Rights of the Child The book closes by highlighting ways in which individuals can engage at the local and regional levels in creating more just and sustainable worlds that are truly fit for children
