Senator Joseph McCarthy And The American Labor Movement:

Senator Joseph McCarthy and the American Labor Movement David M. Oshinsky, 1976 **Senator Joseph McCarthy and American Labor** David M. Oshinsky, 1968 **The Unions and the Red Scare. Can McCarthyism be held Responsible for the Dwindle of the US-American Labor Movement?** Diana Kiesinger, 2015-04-15 Studienarbeit aus dem Jahr 2013 im Fachbereich Amerikanistik Kultur und Landeskunde Note 2,7 Technische Universität Chemnitz Anglistik Amerikanistik Veranstaltung American Society Culture and Politics Sprache Deutsch Abstract The second Red Scare or the Great Red Scare which had been mostly introduced and carried out by Senator Joe McCarthy took place between 1947 and 1957. With the aid of radical measurements such as interrogations, witch hunts and accusations of not only organisations and individuals with high responsibility jobs but also ordinary working people the US government aimed to seek out the inner enemy of the nation, the Communists. It spreaded out into every corner of the United States, be it the film industry, the government, academics and also into work-related institutions like labor unions, on which this paper is going to concentrate exclusively. As to that, this paper is going to analyse in how far this temporary outbreak of hatred against Communists contributed to the ongoing decline of the labor movement, which is nowadays said to be weak in strike power and proper visions. The topic is forasmuch special in considering its contemporary relevance. **McCarthy's Americans** M. J. Heale, 1998 Was the communist witch hunt unleashed by Senator Joe McCarthy an aberration or has red scare politics been an intrinsic part of American political life since the 1930s? Was McCarthyism a populist or an elitist phenomenon? Was Senator McCarthy virtually irrelevant to the phenomenon? McCarthy's Americans shows that some of the contending interpretations of McCarthyism are mutually compatible and reveals the importance of pressures usually overlooked. M. J. Heale's deeply probing study of McCarthy's hinterland in the American states demonstrates that what is usually called McCarthyism was part of a political cycle that emerged in the 1930s and took two decades to run its course. Heale also argues that much of the red scare dynamic came from the big cities and the white South. It was here that a range of interests exhibiting a fundamentalist fury with the changing times that the political order had fashioned during the New Deal years rested on fragile foundations. Defying the consensus liberalism of the 1950s, McCarthy and more important the many little McCarthys in the states kept alive a brand of right wing politics preparing the way for George Wallace in the 1960s and the revitalized conservatism of Richard Nixon in the 1970s and Ronald Reagan in the 1980s. **Senators of the United States** Diane B. Boyle, 1995 S Doc 103-34 Compiled by Jo Anne McCormick Quatannens Diane B. Boyle editorial assistant prepared under the direction of Kelly D. Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works. The UAW and the Heyday of American Liberalism, 1945-1968 Kevin Boyle, 1995-11-21 Kevin Boyle has done a masterful job of identifying the unique contribution of the UAW not only to American Liberalism but also to the nation and to all people. As contemporary labor and society at large search for

new directions this book should be required reading Victor G Reuther **Joseph McCarthy** Arthur Herman,2000 A daring and controversial second look at Senator Joseph McCarthy that declares that many of his notorious accusations were actually true 16 page photo insert McCarthyism and the Red Scare William T.
