Sentencing State And Federal Law In Victoria:

Sentencing, State and Federal Law in Victoria, 1985 *Fox and Freiberg's Sentencing* Arie Freiberg, Richard George Fox, 2014 Guidance on many complex varied considerations which apply to sentencing matters Freiberg focuses on Victorian federal sentencing law with extensive coverage of appellate decisions in every Australian jurisdiction particularly in relation to matters of general principle *Fox & Freiberg's Sentencing* Arie Freiberg, 2014 **Australian Cartel Regulation** Caron Beaton-Wells, Brent Fisse, 2011-04-25 Cartel regulation is a prime element of competition policy and an essential means of minimising the adverse effects of cartel activity on economic welfare However effective cartel regulation poses distinct challenges for governments competition authorities and commentators across the globe In Australian Cartel Regulation leading competition law experts Caron Beaton Wells and Brent Fisse reflect on developments in anti cartel law in Australia over the last 30 years They provide a comprehensive account of the current law on cartels as well as discussing key issues that may arise in the future This definitive volume not only identifies the practical and theoretical issues but also recommends workable solutions and does so with the benefit of comparative analysis of the anti cartel laws of major overseas jurisdictions Many of the issues identified and discussed in Australian Cartel Regulation are common to any scheme designed to regulate cartel conduct *Penal Populism, Sentencing Councils and Sentencing Policy* Arie Freiberg, Karen Gelb, 2014-03-05 Public outcries and political platforms based on misinformation and misconceptions about the criminal justice system and current sentencing practice occur all too often in democratic societies Penal Populism Sentencing Councils and Sentencing Policy attempts to address this problem by bringing together important contributions from a number of distinguished experts in the field Penal Populism presents theoretical perspectives on the role of the public in the development of sentencing policy It places particular emphasis on the emerging role of sentencing commissions advisory councils or panels in a number of English speaking countries Australia New Zealand the United States the United Kingdom Scotland and South Africa The book explains expands and develops the existing literature that looks at public attitudes to justice and the role that the public can play in influencing policy Written in a scholarly yet accessible style Penal Populism asks the critical questions should public opinion or preferably public judgment be relevant to court decision making to institutional decision making and to the political process And if so how *Sentencing and Criminal Justice* Andrew Ashworth, Rory Kelly, 2021-07-15 This revised and updated new edition focuses on major developments in sentencing law practice and theory Sentencing in England and Wales is now dominated by Sentencing Council guidelines and scrutiny of those guidelines is central to this book Issues of principle are identified and discussed to include the constitutional position of the Sentencing Council the meaning of and challenges to proportionality and the sentencing of BAME offenders and women offenders The book welcomes the new Sentencing Code introduced as the Sentencing Act 2020 and critically examines the government's plans for sentencing reform set out in the 2020 White Paper A Smarter Approach to Sentencing Throughout

the book sentencing is explored in its wider criminal justice context making it essential reading for courses on sentencing criminal justice and criminal law **The Role of the Media in Criminal Justice Policy** Natalia Antolak-Saper, 2022-09-09

This book provides a socio legal examination of the media s influence on the development and implementation of criminal justice policy This impact is often assumed And especially in the wake of high profile crimes the press is routinely observed calling for sentences to be harsher and for governments to be tougher on crime But how do we know that there is a connection To answer this question the book draws on a case study of the media reporting of the rape and murder of Jill Meagher in Melbourne Australia as well as other well known cases including those of James Bulger Sarah Payne Stephen Lawrence and Michael Brown among others Deploying a socio legal framework to examine how the media s often powerful and emotive narratives play a crucial role in the development and implementation of law the book provides a deep and critical reflection on its influence The book concludes with a number of suggestions for media reform both to moderate the media s influence and to incorporate a broader range of viewpoints This multi disciplinary book will appeal to scholars and students in sociolegal studies criminology and criminal law as well as those working in relevant areas in sociology and media studies **Modern Criminal Law of Australia** Jeremy Gans, 2016-12-05

Modern Criminal Law of Australia 2nd edition is a comprehensive guide to interpreting and understanding every statutory offence provision in every Australian jurisdiction The text takes a unique approach to explaining Australian criminal law emphasising the importance of statutory interpretation official discretion element analysis and sentencing in order to appreciate the meaning and effect of any offence provision This book sets out the rules and skills needed to advise clients on the potential application of criminal law throughout Australia Its scope extends to both serious and minor regulatory regimes as well as the entire contemporary breadth of criminal law ranging from pollution to public order traffic to trafficking and domestic violence to work safety It covers the common law traditional code and model code systems and includes detailed examples from all states As such this unique book provides students with the skills to practice law anywhere in Australia **Judicial Applications of Artificial Intelligence** Giovanni Sartor, L. Karl Branting, 2013-04-17

The judiciary is in the early stages of a transformation in which AI Artificial Intelligence technology will help to make the judicial process faster cheaper and more predictable without compromising the integrity of judges discretionary reasoning Judicial decision making is an area of daunting complexity where highly sophisticated legal expertise merges with cognitive and emotional competence How can AI contribute to a process that encompasses such a wide range of knowledge judgment and experience Rather than aiming at the impossible dream or nightmare of building an automatic judge AI research has had two more practical goals producing tools to support judicial activities including programs for intelligent document assembly case retrieval and support for discretionary decision making and developing new analytical tools for understanding and modeling the judicial process such as case based reasoning and formal models of dialectics argumentation and negotiation Judges squeezed between tightening budgets and increasing demands for justice

are desperately trying to maintain the quality of their decision making process while coping with time and resource limitations Flexible AI tools for decision support may promote uniformity and efficiency in judicial practice while supporting rational judicial discretion Similarly AI may promote flexibility efficiency and accuracy in other judicial tasks such as drafting various judicial documents The contributions in this volume exemplify some of the directions that the AI transformation of the judiciary will take

The Handbook of Comparative Criminal Law Kevin Jon Heller, Markus Dubber, 2010-12-01 This handbook explores criminal law systems from around the world with the express aim of stimulating comparison and discussion General principles of criminal liability receive prominent coverage in each essay including discussions of rationales for punishment the role and design of criminal codes the general structure of criminal liability accounts of mens rea and the rights that criminal law is designed to protect before the authors turn to more specific offenses like homicide theft sexual offenses victimless crimes and terrorism This key reference covers all of the world's major legal systems common civil Asian and Islamic law traditions with essays on sixteen countries on six different continents The introduction places each country within traditional distinctions among legal systems and explores noteworthy similarities and differences among the countries covered providing an ideal entry into the fascinating range of criminal law systems in use the world over
