Separate And Unequal The Inside Story Of Israeli Rule In East Jerusalem:

Separate and Unequal Amir S. Cheshin, Bill Hutman, Avi Melamed, 2009-07-01 This vivid behind the scenes account of Israeli rule in Jerusalem details for the first time the Jewish state's attempt to lay claim to all of Jerusalem even when that meant implementing harsh policies toward the city's Arab population. The authors, Jerusalemites from the spheres of politics, journalism and the military, have themselves been players in the drama that has unfolded in east Jerusalem in recent years and appears now to be at a climax. They have also had access to a wide range of official documents that reveal the making and implementation of Israeli policy toward Jerusalem. Their book discloses the details of Israel's discriminatory policies toward Jerusalem Arabs and shows how Israeli leaders mishandled everything from security and housing to schools and sanitation services to the detriment of not only the Palestinian residents but also Israel's own agenda. *Separate and Unequal* is a history of lost opportunities to unite the peoples of Jerusalem. A central focus of the book is Teddy Kollek, the city's outspoken mayor for nearly three decades whose failures have gone largely unreported until now. But Kollek is only one character in a cast that includes prime ministers, generals, terrorists, European and American leaders, Arab shopkeepers, Israeli policemen and Palestinian schoolchildren. The story the authors tell is as dramatic and poignant as the mosaic of religious and ethnic groups that call Jerusalem home. And coming at a time of renewed crisis, it offers a startling perspective on past mistakes that can point the way toward more equitable treatment of all Jerusalemites. *The Encyclopedia of the Arab-Israeli Conflict*

Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military, political, social, cultural and religious origins of the Arab-Israeli conflict. *The Encyclopedia of the Arab-Israeli Conflict: A Political, Social and Military History* is the first comprehensive general reference encompassing all aspects of the contentious Arab-Israeli relationship from biblical times to the present, with an emphasis on the era beginning with World War I. The *Encyclopedia of the Arab-Israeli Conflict* goes beyond simply recapping military engagements. In four volumes with more than 750 alphabetically organized entries plus a separate documents volume, it provides a wide-ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews, exploring all aspects of the conflict. The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal, from the Six Day War to the Camp David Accords, from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat, the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon. *Identity, Ideology and the Future of Jerusalem*

D. Hulme, 2016-09-23 Using recalled personal history to examine the crucial place that Jerusalem has occupied in the identity and ideology core of fourteen key Palestinian and Jewish Israeli leaders, in the Arab-Zionist impasse, this fascinating study explores the roles of identity and ideology in preventing or promoting a resolution between Israel and the Palestinians. *A History of the Israeli-Palestinian Conflict* Mark Tessler, 2009-03-24 Mark Tessler's highly praised comprehensive and balanced history of the Israeli-Palestinian

conflict from the earliest times to the present updated through the first years of the 21st century provides a constructive framework for understanding recent developments and assessing the prospects for future peace Drawing upon a wide array of documents and on research by Palestinians Israelis and others Tessler assesses the conflict on both the Israelis and the Palestinians terms New chapters in this expanded edition elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition

Jerusalem Menachem Klein, 2001-03 Klein political science Bar Ilan U is a board member of B'tselem the Israeli Information Center for Human Rights in the Occupied Territories He draws on a number of disciplines to detail the political history of Jerusalem in Arab Israel relations since the 1960s a relationship of unequal partners that became the focus of classes again in late 2000 c Book News Inc

The City of Jerusalem Dr. Meir Margalit, 2020-02-21 The author writes from the experience of thirty years working in the Jerusalem municipality including 21 years as a public official and ten years as an elected councilor representing the left wing Meretz party This book is born from an urgent need to understand the mechanisms articulating the city in which I live which I love and for which I suffer I am from Jerusalem I could not live in another city and the barbarities my government is perpetrating on the Palestinian parts of the city do not allow me to remain quiet Through this book I engage with the prevailing model of power and repression and the neo colonial system that expresses its perverse functioning This book is centered on the political and economic mechanisms practiced by Israel in East Jerusalem over the last decade These mechanisms reinforce the occupation and keep Jerusalem's Palestinians subjugated through co optation into the Israeli system Analysis is centered on the changes wrought during the mayoralty of Nir Barkat 2008-2018 who came into politics from the business world and introduced management concepts to the workings of municipal government While Barkat succeeded in creating the illusion of a new era in eastern Jerusalem the result is heartbreaking displacement and vulnerability toward East Jerusalem's residents and the application of urban planning that impacts negatively on residents legal status The City of Jerusalem The Israeli Occupation and Municipal Subjugation of Palestinian Jerusalemis is a profound sociological and economic analysis of a city under a normalised occupation which has destroyed the very essence of what Jerusalem stands for a reflection of diverse religious belief within a multicultural setting where citizens rights are upheld and not discriminated against for political purpose

Reinventing Jerusalem Simone Ricca, 2007-05-25 The Jewish quarter of Jerusalem today seems like an organic fusion of a modern Israeli city with an ancient Jewish heritage However as Simone Ricca details in this fascinating book the aesthetics of the Jewish Quarter were deliberately planned and executed by Israel after it was occupied during the 1967 war Secular nationalist as well as religious politicians agreed that it should be turned in to the capital of the Jewish nation and that it should be excavated and developed in such a way as to create a sense of continuity with the Jewish people's historical claims to the land Zionist ideology was thus translated in to bricks and mortar as modern civic amenities were constructed around historic sites such as the Wailing Wall and the Hurva Synagogue

Ricca examines the politics of heritage conservation and shows that the Old City's reconstruction did not so much preserve the past as inscribe an identity on to the future **Lives in Common** Menachem Klein,2014-01-11 Challenging the received wisdom this candid portrait of three cities reveals a history of co existence between Arab and Jews Focusing on Jerusalem Jaffa and Hebron Klein looks at how Jewish Muslim and Christian neighbours have coexisted from the 19th century to the present day The Politics of Sacred Space Michael Dumper,2002 Dumper explores how religious and political interests compete for control of the Old City of Jerusalem and how this competition affects the Middle East conflict as a whole

From Oslo to Iraq and the Road Map Edward W. Said,2007-12-18 In his final book completed just before his death Edward W Said offers impassioned pleas for the beleaguered Palestinian cause These searing essays refract the reality of terrible years through a mind with extraordinary understanding compassion insight and deep knowledge Noam Chomsky These essays which originally appeared in Cairo's Al Ahram Weekly London's Al Hayat and the London Review of Books take us from the Oslo Accords through the U S led invasion of Iraq and present information and perspectives too rarely visible in America Said is unyielding in his call for truth and justice He insists on truth about Israel's role as occupier and its treatment of the Palestinians He pleads for new avenues of communication between progressive elements in Israel and Palestine And he is equally forceful in his condemnation of Arab failures and the need for real leadership in the Arab world
