Serbs And Croats The Struggle In Yugoslavia:

Serbs and Croats Alex N. Dragnich, 1992 Discusses the ideals and hopes that the South Slavs brought to Yugoslavia their attempt to create a workable political system and the reasons behind the chaos of recent months **Genocide and Resistance in Hitler's Bosnia** Marko Attila Hoare, 2006-12-14 A study of revolution genocide and national identity in Bosnia Hercegovina during World War II this volume explains the course and outcome of the civil war between two rival guerrilla movements the Partisans and the Chetniks A chronological narrative history of the Bosnian Partisan movement describes how it evolved and emerged victorious **Explaining Yugoslavia** John B. Allcock, 2000 Traversing the politics economics demography and culture of the former Yugoslavia John B Allcock examines and makes sense of the region's troubled past and troubling present Though many think of the Balkans as a uniquely troubled region the author asserts that the continuities in Balkan history constitute the same processes of development that have occurred in other societies and are part of the ongoing process of global modernization **New Perspectives on Yugoslavia** Dejan Djokić, James Ker-Lindsay, 2010-10-04 Nearly twenty years after it ceased to exist as a multinational federation Yugoslavia still has the power to provoke controversy and debate Bringing together contributions from twelve of the leading scholars of modern and contemporary South East Europe this volume explores the history of Yugoslavia from creation to dissolution Drawing on the very latest historical research this book explains how the country came about how it evolved and why eventually it failed From the start of the twentieth century through the First World War the interwar years and the Second World War to the road to socialism under President Tito and the wars of Yugoslav succession in the 1990s this volume provides up to date analysis of the causes and consequences of a range of events that shaped the development of this remarkable state across its various iterations The book concludes by examining post conflict relations in the era of European integration Traversing ninety years of history this volume presents a fascinating story of how a country that once served as the model for multiethnic states around the world has now become a byword for ethno national fragmentation and conflict Contributors include Dejan Djoki James Ker Lindsay Connie Robinson Mark Cornwall John Paul Newman Tomislav Duli Stevan K Pavlowitch Dejan Jovi Neboj a Vladislavjevi Florian Bieber Jasna Dragovi Soso and Eric Gordy *The National Question in Yugoslavia* Ivo Banac, 2015-06-09 Even before it collapsed into civil war ethnic cleansing and dissolution Yugoslavia was an archetypical example of a troubled multinational mosaic a state without a single national base or even a majority Its stability and very existence were challenged repeatedly by the tension between the pressures for overarching political cohesion and the defense of separate national identities and aspirations In a brilliant analysis of this complex and sensitive national question Ivo Banac provides a comprehensive introduction to Yugoslav political history His book is a genetic study of the ideas circumstances and events that shaped the pattern of relations among the nationalities of Yugoslavia It traces and analyzes the history and characteristics of South Slavic national ideologies connects these trends with Yugoslavia's flawed unification in 1918 and ends with the fatal adoption

of the centralist system in 1921 Banac focuses on the first two and a half years in the history of the Kingdom of the Serbs Croats and Slovenes because in his view this was the period that set the pattern for subsequent development of the national question The issues that divided the South Slavs and that still divide them today took on definite form during that time he maintains Banac provides extensive treatment of all of Yugoslavia's nationalities his sections on the Montenegrins Albanians Macedonians and Bosnian Muslims are unique in the literature In this unbiased account all of the principals and groups assume a tragic fascination When published in 1984 *The National Question in Yugoslavia* was the first complete introduction to the cultural history of the South Slavic peoples and to the politics of Yugoslavia and it remains a major contribution to the scholarship on modern European nationalism and the stability of multinational states

A Legal Geography of Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 *A Legal Geography of Yugoslavia's Disintegration* explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia's history with a focus on the country's internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community's political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trobovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo's future status international recognition of secession implications of Yugoslavia's disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

Contemporary Yugoslavia Wayne S. Vucinich, 2023-04-28 *Contemporary Yugoslavia Twenty Years of Socialist Experiment* offers a comprehensive analysis of Yugoslavia's political economic and social evolution since World War II This volume based on papers presented at a 1965 Stanford University conference explores pivotal issues such as Yugoslavia's postwar reconstruction its departure from Stalinist orthodoxy and the adoption of national communism Featuring contributions from leading scholars the book examines topics like Tito's leadership the transformation of Yugoslav Marxist thought economic decentralization and the complex nationality problem The authors highlight Yugoslavia's unique trajectory blending socialism with capitalistic reforms and its impact on both domestic stability and international relations This insightful collection underscores the profound effects of wartime disruptions and Communist policies on Yugoslav society from social modernization to enduring ethnic tensions Essays delve into the struggle for national unity amid centrifugal forces the role of strategic leadership and the challenges of sustaining liberalization and democratization For scholars and readers interested in Cold War history socialist systems or the Balkan region this book provides a nuanced understanding of Yugoslavia's revolutionary path and its broader implications for global politics and social change This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship

accessible once again using print on demand technology This title was originally published in 1969 **Revolutionary Movements in World History** James DeFronzo, 2006-07-20 This groundbreaking three volume encyclopedia is the first to focus exclusively on the revolutionary movements that have changed the course of history from the American and French Revolutions to the present ABC CLIO is proud to present an encyclopedia that reaches around the globe to explore the most momentous and impactful political revolutions of the last two and a half centuries exploring their origins courses consequences and influences on subsequent individuals and groups seeking to change their own governments and societies In three volumes Revolutionary Movements in World History covers 79 revolutions from the American and French uprisings of the late 18th century to the rise of communism Nazism and fascism from Ho Chi Minh and Fidel Castro to the Ayatollah al Qaeda and the fall of the Berlin wall Written by leading experts from a number of nations this insightful cutting edge work combines detailed portrayals of specific revolutions with essays on important overarching themes Full of revealing insights compelling personalities and some of the most remarkable moments in the world s human drama Revolutionary Movements in World History offers a new way of looking at how societies reinvent themselves **Yugoslavia and After** David A. Dyker, Ivan Vejvoda, 2014-09-19 This new book presents contributions by leading authorities on the origins of the Balkan crisis the reasons for the decay and dissolution of the old Yugoslavia the nature of the new regimes the prospects for solution of the remaining conflicts and for the building of viable successor states Great Britain and the Creation of Yugoslavia James Evans, 2008-07-30 The final weeks of World War I saw a revolutionary upheaval in Europe as old empires collapsed and new self proclaimed nation states emerged in their place For its advocates the Yugoslav state created in 1918 represented a largely uniform culture and identity But as its official name the Kingdom of the Serbs Croats and Slovenes suggested its population was by no means homogeneous Too late the British who had been instrumental in the birth of the state at Versailles as well as other Europeans and the Americans came to appreciate that divisions of religious affiliation and historical tradition continued to override linguistic unity James Evans analyses British ideas and assumptions about the region s history and culture and assesses how these were reshaped by newly prevalent ideas about Yugoslav nationality Attitudes and preconceptions first formed during this period would prove remarkably enduring making their mark on British responses to events in Yugoslavia throughout the country s troubled history Great Britain and the Creation of Yugoslavia sheds valuable light not only on attitudes to Yugoslav nationality in the early 20th century but also on western responses to the violent demise of the Yugoslav state at the century s close

Serbs And Croats The Struggle In Yugoslavia Book Review: Unveiling the Magic of Language
