Breaking Free Lorri Coburn, 2011-08-25 *Breaking Free* is a user friendly guide to A Course in Miracles illustrating principles with fascinating stories from Lorri Coburn's psychotherapy practice. It is the quintessential introduction that bridges the gap between traditional religious beliefs and A Course in Miracles. This is a must read first companion to A Course in Miracles. Lorri Coburn is a woman who demonstrates in this book that she doesn't just ask the tough questions she has also found the answers. I've never seen a more satisfying explanation and resolution of the mysteries of life. I enthusiastically recommend this wonderful book.

Something More Siobhan Curham, 2019-02-28 Have you ever wondered if there might be something more to life? When Siobhan Curham decided to write a book about happiness there was only one small problem which became a massive problem as soon as she sat down to write she wasn't truly happy. Not wanting to be a fraud Siobhan set out to discover the secret to true and lasting happiness. Her quest took her on an unexpected path deep into the heart of the world's spiritual traditions. *Something More* is a funny and moving account of Siobhan's journey as she found religion and promptly lost it again then went on to develop her own spiritual pick and mix of practises from Buddhist chanting Irish yoga Jewish philosophy and Reiki healing to connecting with her inner goddess and finding her shamanic spirit animal who it turns out was a large black talking horse. Full of brutally honest anecdotes and age old wisdom *Something More* is for anyone who has ever thought about exploring their spiritual side and those who might feel disillusioned by organised religion but still crave that elusive something more. After all who wouldn't want to find inner peace and everlasting happiness.

He forgave the killers of his wife and freed himself from the most harmful emotion we can experience anger. Dr Gayton went on to put his life back together. A compelling story. Once you start reading you can't stop. This is the book for anyone with a problem in letting go of anger. Dr Gayton now spends his time with his second wife. He volunteers to help prisoners the same type of criminals who killed his wife. He lives with his wife Vicki. His five children from his first marriage have grown into adulthood.
