Serials And Reference Services:

Serials and Reference Services Robin Kinder, William A. Katz, 1990 Here is one of the first books to address the problems of serials as they relate to the user the reference librarian and the library itself Opening a crucial dialogue serials librarians and reference librarians explore ways in which they can work together to make serials more accessible to the user With this vital new book public services librarians will gain a better understanding of the unique nature of serials especially concerning their acquisition and cataloguing and technical services librarians will gain a clearer view of the problems involved in interpreting the record for the user Serials and Reference Services provides a wealth of information that will help the cataloguer who must create a record out of a dizzying change of titles volumes and frequency the reference librarian who must interpret the record for the user the bibliographer who must select titles the manager who will be viewing the new formats for serials and the administrator who needs an overview in order to pull disparate services together into a functioning whole Automation is also explored and finally a look at the core collection newspapers comic books and poetry magazines gives an eclectic ending to the volume Tillie Krieger Peter Hernon David C Heisser David C Taylor and Laura Peritore are among the well known contributors to the book Reference Services and Technical Services Gordon Stevenson, Sally Stevenson, 2019-12-05 This book first published in 1984 analyses the provision of more effective library service by relying more heavily on collaboration between reference and technical services librarians *New Technologies and Reference Services* William A. Katz, 2000 This comprehensive volume recounts the ways reference librarians have adapted traditional services to deal with the changes in both information technologies and library patrons New Technologies and Reference Services shows how to provide needed services using videoconferencing interactive classrooms drop in seminars and required courses It also discusses the other implications of new technologies including developing trends in publishing copyright issues collection strategies and decentralizing library reference services *New Technologies and Reference Services* Linda S Katz, 2019-07-15 Offer your patrons the cutting edge reference services they demand In the past a reference librarian needed to develop a command of a few reference works master the skills of the reference interview and interface with library users in person or via telephone Today s reference librarian is faced with much much more New Technologies and Reference Services suggests ways you can tame the information explosion and take advantage of new technologies This comprehensive volume recounts the ways reference librarians have adapted traditional services to deal with the changes in both information technologies and library patrons New Technologies and Reference Services offers tested techniques for fostering information literacy in patrons daunted by the high tech edge of the new library Even computer savvy younger students may need help learning specialized searching skills This practical volume suggests several innovative ways to teach those skills using interactive classrooms drop in seminars and required courses New Technologies and Reference Services discusses the other implications of new technologies including developing trends in publishing
