Serious Way Of Wondering The Ethics Of Jesus Imagined:

A Serious Way of Wondering Reynolds Price, 2007-11-01 When renowned novelist and poet Reynolds Price one of Christianity's most eloquent outlaws was invited to deliver the annual Peabody Lecture at Harvard University Memorial Church in 2001 he chose to explore a subject of fierce debate and timeless relevance the ethics of Jesus In two succeeding lectures at the National Cathedral and at Auburn Seminary Price continued to explore the apparently contradictory ethics that Jesus articulates in the Gospels and in a controversial act of artistic license Price reimagined the historical Jesus In A Serious Way of Wondering Price expands these lectures to present Jesus with three problems of burning moral concern suicide homosexuality and the plight of women in male dominated cultures and faiths A sweeping view of the inescapable implications of Jesus merciful life and all embracing thought and of the benefits of enlarging our notions of humanity community and equality A Serious Way of Wondering is a significant contribution to Price's penetrating works of religious inquiry Free for All (ēmersion: Emergent Village resources for communities of faith) Tim Conder, Daniel

Rhodes, 2009-08-01 Is our study of the Bible as pure as we think it is In Free for All Tim Conder and Daniel Rhodes show how the way we read the Bible is held captive by the dominant culture in which we find ourselves They aim to expose the cultural authorities that influence our understanding of the Bible and provide a way for communities to encounter the text as communities This journey into community interpretation of the Bible not only honors the text and liberates its voice but also catalyzes transformative practices of proclamation hospitality ethics mission and imagination Church leaders pastors small group leaders and those interested in the emerging church conversation will find Free for All an energizing resource to infuse their study of God's Word with new life Homosexuality and Religion Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality

Journey to the Sun Gregory Orfalea, 2014-01-14 The fascinating narrative of the remarkable life of Jun pero Serra the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West The fascinating narrative of the remarkable life of Jun pero Serra the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West In the year 1749 at the age of thirty six Jun pero Serra left his position as a highly regarded priest in Spain for the turbulent and dangerous New World knowing he would never return The Spanish Crown and the Catholic Church both sought expansion in Mexico the former in search of gold the latter seeking souls as well as entry into the mysterious land to the north called California Serra s mission to spread Christianity in this unknown world by building churches wherever possible and by converting the native peoples to the Word of God It was an undertaking that seemed impossible given the vast distances the challenges of the unforgiving landscape and the danger posed by resistant native tribes Such a journey would require bottomless physical stamina indomitable psychic strength and above all the deepest faith Serra a diminutive man with a stout heart possessed all of these attributes as well as an innate humility that allowed him to see the humanity in native people whom the West viewed as savages By his death at age seventy one Serra had traveled more than 14 000 miles on land and sea through the New World much of that distance on a chronically infected and painful foot baptized and confirmed 6 000 Indians and founded nine of California s twenty one missions with his followers establishing the rest The names of these missions ring through the history of California San Diego San Jose San Juan Capistrano Santa Clara and San Francisco and served as the epicenters of the arrival of Western civilization where millions more would follow creating the California we know today An impoverished son an inspired priest and a potent political force Serra was a complex man who stood at the historic crossroads between Native Americans the often brutal Spanish soldiers and the dictates of the Catholic

Church which still practiced punishment by flogging In this uncertain violent atmosphere Serra sought to protect the indigenous peoples from abuse and to bring them the rituals and spiritual comfort of the Church even as the microbes carried by Europeans threatened their existence Beginning with Serra s boyhood on the isolated island of Mallorca venturing into the final days of the Spanish Inquisition revealing the thriving grandeur of Mexico City and finally journeying up the untouched California coast Gregory Orfalea s magisterial biography is a rich epic that cuts new ground in our understanding of the origins of the United States Combining biography European history knowledge of Catholic doctrine and anthropology Journey to the Sun brings original research and perspective to America s creation story Orfalea s poetic and incisive recounting of Serra s life shows how one man changed the future of California and in so doing affected the future of our nation

Good and Evil in the Garden of Democracy Rodney Wallace Kennedy,2023-04-13 Democracy faces threats from an emerging right wing movement in democratic governments around the world This may be even more prevalent in the United States because there is an evil that uses rhetorical tropes to undermine the anchor institutions of democracy press courts universities and Congress This evil has a personification former President Donald Trump All the rhetorical critiques of Trump that he is a demagogue an authoritarian a serial liar a populist on steroids fail to take into account the evil that is fomented by his angry and vengeful rhetoric Pictures of evil in Scripture philosophy and rhetoric bear a striking resemblance to Trump It is not enough to say that he is dangerous to democracy

Kennedy claims that he is the evil seed in democracy that is even now sprouting new versions of the Trump rhetoric as each acolyte attempts to outrage the next Good and Evil in the Garden of Democracy screams at the evil fights against the evil and then attempts to sing the songs of goodness and democracy from poets prophets and rhapsodes For the health of democracy these words have been written **Context** ,2004
