Sermon On The Mount A Theological Interpretation Suny Series In Religious Studies:

The Sermon on the Mount Carl G. Vaught, 1987-01-23 This book focuses on the Sermon on the Mount as the locus classicus of the teachings of Jesus. It argues that the Sermon is an expression of the divine perfection in which it is grounded. The center of the book is the injunction contained at the center of the sermon itself: Be perfect as your father in heaven is perfect. Perfection of this kind is a human response to a divine gift. Consequently, all the Beatitudes and obedience to all the ethical prescriptions in the sermon should be understood as expressions of divine perfection and as finite reflections of God's own work in the world. The Sermon on the Mount requires a transformation of the spirit before its message can become intelligible. *Journal of Biblical Literature*, 1987

Integrating Theology, Church, and Ministry in a Chinese Seminary Peter L. H. Tie, Kevin S. Chen, 2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students' church life and ministry. Is there a connection? How can greater connection be fostered? Many seminaries earnestly wrestle with these questions. Whereas some of the underlying issues are common to all seminaries, others are influenced by the cultural context in which theological education, church life, and ministry take place. In addition to cultural factors, the history, lifestyle, and current state of the church and of theological education are different in each context. The integration of theology, church, and ministry is crucial to the effectiveness of a Chinese seminary. The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be, but simultaneously seminaries must think seriously about how to promote quality theological education. Beginning with a programmatic article by Dr. David Dockery, a leading proponent for effective integration, this book represents the efforts and reflection of experienced scholar-practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose, California.

The Talmud - A Personal Take Daniel Boyarin, 2018-01-15 This collection of Daniel Boyarin's previously uncollected essays on the Talmud represents the different methods and lines of inquiry that have animated his work on that text over the last four decades. Ranging and changing from linguistic work to work on sex and gender to the relations between formative Judaism and Christianity to the literary genres of the Talmud in the Hellenistic context, he gives an account of multiple questions and provocations to which that prodigious book gives stimulation, showing how the Talmud can contribute to all of these fields. The book opens up possibilities for study of the Talmud using historical, classical, philological, anthropological, cultural studies, gender, and literary theory and criticism. As a kind of intellectual autobiography, it is a record of the alarms and excursions of a life in the Talmud.

The Sermon on the Mount Carl G. Vaught, 1986-01-01 This book is a systematic attempt to make sense of the spiritual message intended by Jesus or his editors in the Sermon on the Mount in Matthew 5-7. The main text is a straightforward exposition of the sermon. The commentary deals with the central issues of Jesus' teachings, teachings that present themselves as spiritually significant for anyone interested in spiritual development, even those who, for reasons of culture or ethnicity, cannot take Christianity as an
